SOLDIERS TAKE OVER PARIS BUSES AND TRUCKS. France's worst strike in 17 years forces Paris to take on a military appearance as soldiers (background) command the city's strike-bound buses and trucks. American tourists (foreground), arriving in Paris from Le Havre, were dumped out of their bus along with their baggage in the forecourt of the Invalides.

Premier Defies Four Million Laborites in French Strikes

Icebox Slams Shut, Dooms Five Children

Four Brothers, Sister In Arkansas Family Die of Suffocation

PROCTOR, Ark. (AP)—An old ice box that used to cool soft drinks in a country store caught four brothers and their sister in a death trap at a farm home near here last night.

The blond youngsters, ranging in age from 9 to 2, were found crumpled in the coffin-like box by a deputy sheriff called by the frantic mother.

The oldest, 9-year-old Edward Hallman, bore the only visible injuries. He apparently butted his head against the latched lid in an desperate effort to force it open.

T. H. McGough, Crittenden County Coroner, said there was no evidence of foul play. "Looks like they were in the ice box playing when the overhead lid slammed down," he said.

Death was blamed on suffocation.

Deputies were called by Mrs. J. W. Hallman when she returned from the fields with her two oldest children and found the youngsters missing.

Deputy Billy Williams said he and other officers searched the premises and were ready to scour nearby woods when he passed by the ice box on the front porch and lifted the lid.

There he found Odie and Tommy, 4-year-old twins in overalls; Edward and Wesley, 7 in blue jeans and without shirts; and Barbara Ann, 2, in a colorful dress.

"I must have walked by that icebox a dozen times while hunting for them but I never dreamed they might be in there," the distraught mother said.

She told officers the box had been discarded by a nearby store. The family used it for awhile, then shoved it out on the porch.

The father, 34-year-old J. W. Hallman, was away from home, working in Rockford, Ill.

Fire Destroys Big GM Plant

DETROIT (AP)—A 35 million dollar fire roared through the General Motors Corp. transmission and instrument plant in suburban Livonia late yesterday, leaving a charred building.

Two men were killed, more than a score injured.

One GM official, who estimated the damage cost, said that production in the Cadillac, Oldsmobile and Pontiac plants would be hit. An estimated 45,000 workers may be out of their jobs temporarily.

The fire raged for three hours before it was brought under control. Within another hour the dead were brought out of the building. They were:

Lt. William G. Degner, 43, acting chief of the protection force of the Ternstedt instrument division located in a wing of the building.

Danny Staley, a production worker.

Most of the injuries were slight.

Firefighters said that a spark from a welding torch set off oil which spread to the rest of the building.

The fire started just before 4 p.m. A pair of plant safety men cleared 3,500 workers out of the building.

Return to Your Jobs, Laniel Demands in Fighting Speech

PARIS (AP)—French organized labor shook a big fist under Premier Joseph Laniel's nose today, calling out upwards of four million strikers to underline its protest against the government's economy program.

Most of the workers were ordered to walk out for only 24 or 28 hours. But a hard core of more than a million already is committed to stay out until the Premier backs down, tying up the nation's mines, railways, gas and electricity works, public health services and postal, telegraph and telephone systems.

In the ninth day of the strike wave, Laniel, a multimillionaire textile industrialist who learned to fight in the wartime French underground, stuck his chin out and said he would not yield.

In a fighting speech to the nation last night, the 64-year-old Premier exclaimed:

"I say not to strike. I say no to pressure moves, direct or indirect, which have been imposed on the government."

All factions of French labor were pressing him. The first walkouts last week were called by the Socialist Workers' Force (FO), but

Sen. McCarthy Tells of Probe On Red Spying

WASHINGTON (AP) — Sen. McCarthy (R-Wis) said today his investigations subcommittee has received sworn testimony that an individual identified as a Communist has had access in the government printing office to "top secret material having to do with the A-bomb and the H-bomb."

A spokesman for the Atomic Energy Commission, asked about this by newsmen, said: "We do not have any of our restricted data sent to the regular, main government printing office."

The AEC spokesman said also that under the atomic energy law anyone who has access to restricted data must undergo a full FBI

Carpenters Pull Out of AFL in Row on Policy

822,000-Member Union Irked at Soft Attitude Toward CIO

CHICAGO (AP)—Dickering between the AFL and CIO for a merger already has produced a major casualty. The powerful Carpenters Union has pulled out of the AFL in protest.

The 822,000-member carpenters group, a pillar of the AFL and one of its founding unions, suddenly severed connections with the federation yesterday.

Action by other AFL leaders in okaying an agreement with the CIO to ban "raids" of rival union membership was given as the reason but Carpenters' President Maurice A. Hutcheson conceded:

"It's the climax of something that's been going on for a long time in the AFL."

Hutcheson wrote in a letter to AFL President George Meany revealing his union's secession that he objected to the AFL agreeing to ban fights between AFL and CIO unions when, he said the AFL hadn't taken steps to stop scraps among its own unions.

Hutcheson's letter complained that AFL leaders "are more concerned with the affairs of the CIO than they are with those of the federation."

Meany fired back that Hutcheson's reasons for quitting "didn't seem to make sense." He said the "no raiding" agreement with the CIO was a necessary first step toward achieving an actual AFL-CIO merger—something Meany said almost everyone agreed would benefit all labor.

In San Francisco, John L. Lewis, president of the United Mine Workers, said the carpenters' action "exemplifies the fallacy of this tweedledum and tweedledee policy of the AFL Executive Council in avoiding the basic question of unity."

Lewis refused to say whether he will ask the carpenters to join in his reported move to form a new labor federation of miners, AFL teamsters and CIO steelworkers.

Meany hinted broadly to newsmen that he considered the carpenters primarily at the root of many jurisdictional troubles within the AFL.

Named General Manager

Hemmerling Appointed To Head Marion Hockey

Frank Foster, president of the Marion Barons Hockey Club, of the International Hockey League, today announced that Tony Hemmerling of the Cleveland Barons organization had been engaged as general manager of the Marion team.

"Hemmerling has had 20 years experience in professional hockey as a player, coach and manager," Foster said. He broke into professional hockey with Seattle in the Pacific Coast League in 1933 and after two seasons with that club was purchased by the New York Americans of the National Hockey League. During his 13 years as a player, which ended in 1945, he played with Buffalo, Pittsburgh, Rochester, New Haven, Providence and Dallas.

"He has been manager and coach at Fresno, Oakland, San Francisco, Portland, Seattle and New Haven, the last four teams being farm clubs of the Cleveland Barons with whom our club has a working agreement. Hemmerling has never had a club finish out of the playoffs. He and his family are moving to Marion as soon as they can locate a home and he will make his permanent residence here," Foster concluded.

Hemmerling was born in Landis, Saskatchewan, Canada, on a wheat farm on May 15, 1914. He was raised on the farm, leaving when he was 18 years old to play professional hockey. He is an American citizen and his daughter, Sharon, 12, was born in New Haven, when he was playing for that city

Jurors Indict 5 Here, End Gambling Probe

PILOT CAUGHT BETWEEN 'CHUTE AND HELICOPTER. A helicopter is low over the water in an attempt to rescue Ensign E. H. Barry of Indianapolis after Grumman plane (right) hit the sea on takeoff from the aircraft carrier Block Island (rear). Barry is caught in a tug-of-war between the helicopter and his parachute which opened unexpectedly. Seconds later he was yanked from the rescue sling and back into the water. He finally was saved by a boat crew from the destroyer Bearss from which this picture was made by a Navy photographer.

Group Makes Arson, Traffic Case Findings

Suggests Licensing Of Pinball Machines In Report on Gaming

The Marion County Grand Jury today returned indictments against five persons and wound up its gambling investigation by recommending a uniform system of licensing and registering pinball machines be established throughout the city and county of Marion.

Indicted on the most serious charges were Paul Edwin Holycross, 19, of 429 Waterloo St., confessed firebug, on ten counts of arson and attempted arson, and Willie Pickens, 22, of 505 Jefferson St., on a second-degree manslaughter count arising from the traffic fatalities of H. W. Crissinger and Harry Mathias on July 19.

Others indicted were William Snavely for breaking and entering and larceny; Herman Dale Shatrock, two counts of attempted arson; and Ronald Dilling, breaking and entering.

Balch Not Indicted

The jurors failed to return an indictment against Walter L. Balch, who was charged with manslaughter following a Marion traffic mishap July 27 in which Myron E. Ralston was killed.

For the eight cases considered by the jury, a total of 36 witnesses were called to testify.

Evidence was heard by the grand jury on an additional "mystery" case, but no action was taken. Instead, jurors felt that additional information was necessary, and therefore recommended that further consideration of this case be made by future grand juries. County Prosecutor Ralph Carhart requested that names of the principals involved in this case not be revealed, as this might hinder the investigation.

No Gambling Indictments

In their report, grand jurors said they had considered all evidence concerning gambling presented to them since their first session in May and late yesterday afternoon listened to a report from Marion County Sheriff Glenn Obenour, but found that sufficient evidence had not been presented to them to return an indictment "against any person or persons." This same finding had been made in the previous reports made by the jury, which has held three sessions since convening for the first time in May.

However, the grand jury recommended that all evidence presented to it concerning gambling be made available to future grand juries for their consideration.

A city ordinance licensing mechanical devices operated and used for pleasure is in existence within the city limits of Marion, while the county has no such law.

The city license costs the operator one dollar per machine, plus five per cent of the "take." At the beginning of the gambling investigation in May, City Auditor Elmer Shaw reported 70 such licenses for operating pinball machines in the city had been issued through his office since the fiscal year beginning Nov. 1, 1952.

Will Submit Proposal

Carhart indicated this morning that he planned to present in the near future to the Marion County commissioners a proposal incorporating the grand jury's recommendation of a uniform licensing system.

The jury's gambling probe was initiated in May after Carhart informed Common Pleas Judge Paul D. Smith and Obenour that the prosecutor's office had received reports of gambling in the county.

As the jury began its gambling probe, Obenour announced he had ordered all pinball machines and punchboards removed from county business places. Although some pinball operators objected, saying

Toll in Greek Quake Nearing 1,000 as Tremors Continue

Truck's Load Spills, Causing Two-Car Pileup

Three Injured When Buckshot Falls on Auto East of Galion

Three persons were injured when a load of buckshot spilled onto Route Route 30-S Wednesday from a tractor and semi-trailer truck, causing a two-car head-on collision.

The mishap occurred six-tenths of a mile east of Galion at 2:15 p.m. Wednesday, state highway patrolmen reported, when bags of buckshot loaded on the truck came loose and spilled down onto a passing car driven by Roy Dotson, 38, of Crestline.

The bags fell onto the top of the car and struck the front of the vehicle, causing Dotson to lose control of the auto and crash head-on into a car following the truck, driven by Theresa Thomas, 37, of Beaver Falls, Pa.

Injured were: Theresa Thomas, driver of one car, who suffered a lacerated forehead, bruised left arm and right leg; her five-year-old daughter, Diane, lacerations of the head and tongue; and Dotson, the driver of the other car, lacerated right arm, chest injury and body bruises. They were taken to Galion City Hospital by a passing motorist.

Both cars were removed by wreckers to Galion. Damage to the truck was minor.

The truck driver, Woodrow W. Kidwell, 39, of Mansfield, was arrested by patrolmen for having an insecure load and was fined $20 and costs by Mayor Nelson Lee at Crestline.

Two Hurt in Accident

Two persons were injured in the second area highway mishap investigated Wednesday by the patrol.

Injured were: Theta Faulkner, 60, who sustained lacerations of the legs and bruised forehead; and Marlene Faulkner, 17, badly bruised fingers on the right hand.

They were taken by a passing motorist to Crestline Emergency Hospital.

Both the injured were passengers in a car driven by Jeremiah Faulkner, 61, of Aurora, Ill., which was sideswiped by a car driven by Anges Linville, 46, of Washington, D. C. The Linville car went out of control on a curve, went off the highway on the right

FACES MURDER CHARGE

MANSFIELD, Ohio (AP)—Mrs. Albertine Parker, 26-year-old mother of two, will appear in Mansfield Municipal Court today on charges of first-degree murder in the fatal shooting of Miss Emma Lee Campbell, 34. Mrs. Parker is charged with forcing Miss Campbell off a city bus Tuesday and shooting her.

Devastation Spreads as Fires Break Out on Three Islands

ATHENS, Greece — Earth tremors continuing into their fifth day and unchecked fires brought new horror today to three quake-ravaged islands off the western coast of Greece.

Ships of all sizes shuttled inceasingly across the Ionian Sea, bringing hundreds of injured to hospitals in Patras, the closest big city.

There still was no official estimate of the total dead among the 120,000 people of the wrecked islands of Ithaca, Kefallinia and Zakynthos. Unofficially, the figure was placed so far at just under 1,000 with "countless" injured. It was feared the uncleared rubble hid many more bodies.

Fires were reported still burning in the cities of Zakynthos, population 15,000, and Argostolion, population 10,000. Both were destroyed by the earth disturbances.

Most or virtually all of the 120,000 islanders were reported homeless.

The Athens morning newspaper Katherini quoted reports from the port city that some sections of the waterfront were beginning to slip beneath the harbor waves.

The Ministry of Interior said offi-

Goods Worth $1,500 Stolen From Moskin's

Appliances, Jewelry And Watches Taken; 3rd Break-In in Week

Some $1,500 worth of jewelry, small appliances, and miscellaneous other items were stolen in a break-in of the Moskins Credit Clothing Co. store at 195 W. Center St. sometime last night.

The burglary was discovered at 3:50 a.m. today when Ira Saiter, merchant policeman, discovered a rear window of the store broken out.

He notified police and E. R. Shinner, store manager, who immediately made a check of the stock. It was first thought some men's clothing was taken along with the other items, but a more complete check later this morning disclosed that the stolen items consisted of an as yet undetermined number of watches, a table model radio, other jewelry, a large suitcase, and a number of other small articles.

Police Chief Tom Coon said police are continuing their investigation of the burglary along with investigations of two other burglaries of downtown stores reported this week.

Sometime over the week end, Samilson's Inc., women's clothing store at 140 W. Center St. was entered and about $45 was taken from a cash drawer. Early Tuesday morning some one slammed a rock through a May Jewelry Co. display window, grabbed up jewelry worth $1,000 and escaped before police arrived in answer to the burglar alarm.

Ike Appoints Commission on U.S. Contracts

DENVER (AP) — President Eisenhower today created a new government committee to help prevent any hiring and firing discrimination on jobs covered by federal contracts.

At the same time, Eisenhower abolished a somewhat similar committee which former President Truman set up Dec. 5, 1951.

The President signed an executive order at his vacation headquarters establishing a 14-member government contract committee.

The committee, to be named soon, will be made up of representatives of these agencies:

The Atomic Energy Commission, Commerce Department, Department of Defense, Justice Department, General Services Administration, and the Labor Department.

The other eight members will represent the public generally and will be named by Eisenhower.

(Turn to COMMISSION, Page 10)

Five in County Face September Draft Call

Marion County's induction call for September is five men, according to an announcement made today by the Ohio Selective Service Commisison, The Associated Press reported.

The commission issued a call for 1,224 men for September, 74 less than the number to be inducted in August. The national total of 23,000 men to be inducted in September is the same as in preceding months.

Calls for area counties included Crawford, 10; Delaware, 5; Hardin, 2; Morrow, 3; Union, 1; and Wyandot, 2.

Internal Foes Beaten

Malenkov and Top Aides Finally Holding Control

By WILLIAM L. RYAN
AP Foreign News Analyst

Premier Georgi Malenkov and his Communist party have apparently overwhelmed their internal foes, at least for the time being, and are ruling the Soviet Union independently of any other force, including the Soviet Army.

This seems to be the story told by the meeting of the Supreme Soviet (parliament) last week. Russian newspapers carrying detailed accounts of the meetings give the distinct impression that the party, powerfully asserting its own dominance, has shoved the Army marshals and generals into the background.

Malenkov has emerged as the top man, but a man watched carefully by a small, closely knit hierarchy. His pre-eminent position depends upon the tolerance of men like Nikita S. Khrushchev, now apparently the No. 2 man, and Lazar Kaganovich, reputed to be Stalin's brother-in-law.

The texts carried by the Soviet press still indicate a titular hierarchy of nine men, but the pictures of the Supreme Soviet meeting tell a different story. The real leadership is shared by half a dozen, possibly even less.

The top four, the pictures tend to show, are Malenkov, Khrushchev, Kaganovich and Foreign Minister V. M. Molotov. Ranking behind them are Nikolai Bulganin, the Communist politician who became an Army marshal and defense minister without ever leading

Trud Quotes Malenkov

Red Papers Don't Say Soviets Have H-Bomb

NEW YORK (AP) — The first Soviet newspapers arriving here with accounts of Premier Georgi Malenkov's hydrogen bomb speech fail to tell the Soviet people that the U.S.S.R. either has the big bomb or has mastered its production. He simply hinted broadly that this was so.

In direct and indirect quotations of the speech to the Supreme Soviet, permitted through Moscow censorship Saturday, various correspondents attributed to Premier Malenkov assertions that the Soviet Union had the bomb and had mastered its production.

No such statement appeared in the version broadcast by Moscow radio, nor does any such statement appear in the Russian language text as printed by the newspaper Trud, first of the Soviet papers to reach here. The Trud text says this:

"It is known that abroad, the partisans of war for a long time have cherished the illusion about a monopoly of the United States of America in the matter of production of the atom bomb. History, however, has shown that there was a profound illusion here. The United States for a long time has ceased to have a monopoly in the matter of production of atomic bombs.

"The transatlantic enemies of peace in recent times have found a new consolation. The United States, if you please, masters a greater force than the atom bomb and is the monopolist of the hydrogen bomb. This, apparently, would be some consolation for them if it was in accordance with reality. But this is not so. The government considers it necessary to report to the Supreme Soviet that the United States is not the monopolist in the production of the hydrogen bomb, either. (Stormy, long lasting applause.)"

This does not say that the Soviet Union either has the bomb or has mastered its production. It hints at it and indicates it but fails to say so outright. According to this text, this is all that Malenkov had to say on this particular matter.

There have been instances in the past when Soviet censors knowingly have let through censorship information which was not in accordance with the actual facts. There is a possibility that Malenkov used the words attributed to him and that the words did not show up in the official text. It is also possible that correspondents were given a mis-translation of Malenkov's remarks.

WHAT DOES?

HASTINGS, Neb. (UP)—A sign of the times, carried by a large truck after a state-wide dispute over truck taxes: "Crime doesn't pay, and neither does trucking.."

4-H Club News

When the Claridon Comets met recently at the home Peggy Oldaker, plans were made for a booth at the county fair. Refreshments were served by the hostess. Grading was held at the home of Mrs. Edward Mautz at a previous meeting with all members and three guests present.

The tenth meeting of the Martel Future Farmers, 4-H club, was held at the home of John Burkhart Monday. Slide films of the western states were shown by Mr. Burkhart for entertainment. Plans for a fair booth were discussed and a special meeting of the fair booth committee was planned for Aug. 17 at the home of Patricia Malo.

If ice at a temperature of exactly 32 degrees Fahrenheit is put into water of the same temperature the ice will not melt nor will the water freeze.

Churchill Visits Office in London

LONDON (AP) — Prime Minister Winston Churchill paid a surprise visit to his London headquarters today amid mounting reports he is ready to resume full control of the British government.

Churchill, 78, called at his No. 10 Downing St., official residence on a trip from Chequers, his official country house, to Chartwell, his own suburban home, south of London. He had a tea-time chat with Lord Salisbury, acting foreign secretary.

TIRED OF WORKING

IGLOO, S.D. (UP) — Florence Tuma, employe at the Black Hills ordnance plant here, won a $135 check for an efficiency suggestion. She suggested the Army abolish her own job.

Although people with normal vision are aware of objects within a circle of 180 degrees, some people who have a vision defect called "tunnel vision" see only in an arc of about 20 degrees.

THURSDAY, AUGUST 13, 1953

When the Ghost Walks

President Eisenhower has taken time out of his Denver vacation to order all federal department heads and agency chiefs to look for still more ways to save money.

What they may find, if anything, will take pressure off the Eisenhower administration when it offers its new budget next Jan. 1. This budget will be the test of its ability to save money.

For better or worse, like it or not, voters voted for economy last November when they elected Eisenhower and Nixon instead of Stevenson and Sparkman. They expected to see drastic results in the spending year that began last July and will run until next July 1. They will be diappointed.

What they will see is a halt in the planned inflation of government spending which has boosted it from a postwar low of less than $34 billion in 1948 to more than $78 in the current year.

What they still want to see is a downward turn that will take the government spending rate back to a point which will demonstrate that the United States can survive without taxing itself beyond endurance and plunging ever more deeply into debt. That would take about a 30 per cent cut.

There is one more thing voters want to see and which spenders should be advised of, perhaps in an additional reminder from the presidential office.

They do not want to be told that some indispensable service, precaution, or important activity must be dispensed with because spenders have been ordered to remember that money doesn't grow on trees.

They do not believe every dollar saved in government must be saved at the expense of cutting out something vital. They will continue to believe until all common sense has been exhausted that this form of bureaucratic deception bobs up every time the economy ghost walks in Washington and is a form of spoofing.

In short, voters want everything essential and nothing that is not essential. This would include getting rid of the gay deceivers who interpret every economy order to mean that wheels should be left off airplanes or ammunition should not be furnished for guns.

Herbert Hoover at 79

Most of us were surprised to note the passing of Herbert Hoover's 79th birthday. It doesn't seem to have been a third of a century since a middle-aged Hoover with a plump, round face and a stylized high collar was ushering in the era of engineering as a food administrator.

Since then, Mr. Hoover has been involved deeply in human history as well as in the history of the United States. It is safe to guess he understands why this role has become important and is concientiously trying to fill it to the best of his unusual ability.

He must know that for millions of human beings in this land and aborad he has become a symbol of continuity in an otherwise disjointed period of time. The fact he has lived to a ripe old age and has mellowed as the result of some of the harshest experiences which could befall a man is heartening.

Mr. Hoover and Mrs. Hoover, while she lived, abided by one principle more basic than all the others—that service to mankind is the highest destiny of men.

Their service was sometimes misunderstood. That did not deter them from performing it. In his 80th year, Herbert Hoover is going to perform still one more service for his countrymen in the field of government reorganization.

To congratulate him on his advanced age would be fatuous. Americans should congratulate one another on having men like Herbert Hoover to remind them of the importance of continuity, good temper and a sense of history in their affairs.

New Faces

The most important repercussion of the Canadian election turns out to be the prospect that the leaders of both the major Canadian parties will step down in favor of younger men.

Prime Minister Louis St. Laurents at 71 is expected to resign within a year. The leader of the Progressive Conservatives, George Drew, apparently will have a choice between resigning voluntarily or being asked to step aside.

This is a reminder that new faces are coming into politics at a rate without precedent in this generation. One day soon, there will be an entirely new list of government officials in England. In the Soviet Union, the day may come sooner and more unexpectedly than anywhere else.

In this country, teh death of Sen. Taft marked the last break with an era whose familiar figures are passing rapidly from the Washington scene. Alben Barkley, John N. Garner and the aging stalwarts have been supplanted by newcomers like Kefauver and Nixon.

There is no rhyme nor reason to political cycles. But they do occur and they do have a powerful impact. Within a few more years, the men who were identified with the World War II period and the postwar years will vanish with the cycle that lifted them to eminence.

Dollars Make Difference

By David Lawrence

U.S. Basks in Favor Abroad as Cash Flows Freely

Speaker Martin and those who helped him prepare the television script on the first six months of the Eisenhower administration and the record of the Republican Congress certainly could not have been reading the "London Times"—the great daily which influences European opinion.

For, had the speaker of he House and some of the Democratic party spokesmen read what the Washington correspondent of the "London Times" said in an article featured a few days ago with a two-column, display heading—the largest emphasis normally given any news—he would have found no awareness of any such changes as supporters or critics have perceived.

Indeed, they would have read a long article declaring that things hadn't changed much at all and that for all practical purposes the Truman-Acheson administration lives on in America.

The "London Times" correspondent says:

"The most important achievement of the first session of the 83rd Congress — the first Republican Congress to share power with a Republican President for 20 years —has been, paradoxically enough, to give the stamp of permanency to the achievements of the New and Fair Deals.

"The first session of a Republican Congress and the first six months of a Republican President have come and gone — and the basic patterns imposed on American life in the last 20 years have been preserved intact and the blessings brought to the underprivileged remain in force.

"Certainly economic controls have been largely relaxed and an anti - inflationary pattern set, but to the ordinary voter the difference is scarcely noticeable.

"In the only field where the New Deal would have crumbled without controls, agriculture, they have been scrupulously maintained. As a result, the New Deal is now no longer the precious fruit of one party and one class, endangered by the hostility of another party and another class.

"It is part and parcel of the American system initiated by Roosevelt, strengthened by Truman, and conserved by President Eisenhower.

"The significance of the last six months of the Republican partnership therefore lies not in its legislative program, which has been slight, or in any startling and striking innovations, but in its interment—more by accident than design—of the great bone of contention which for two decades has divided American opinion between those who blessed and those who cursed the New and Fair Deals.

"This session of Congress proves conclusively that with either party in power the New Deal has come to stay."

On the subject of foreign policy, the "London Times" writer didn't see anything very significant in the attitude of Congress in voting to warn against admission of Red China to the U.N.

He thought the "only sizeable demand" was that Americans felt they should have "the dominant say in the councils of the world" and that, for this reason, Congress felt foreign aid should be under the immediate control of the State Department.

Even more interesting, however, was the correspondent's advice to Europeans on the subject of Sen. McCarthy's activities. He adds:

"As this session of Congress began to reach its close the shadow of Sen. McCarthy, which at one time seemed to darken the face of the whole continent, at least began to resume its proper size.

"Any tendency to judge the Republican partnership, now rounding its first lap, within the context of the McCarthy problem alone would seem foolishly shortsighted."

This will be interesting news to those Americans who have been worried about European reaction to the Wisconsin senator, especially those who have been going up and down the land crying out that American "prestige" abroad has been reduced by Sen. McCarthy.

The truth if American "prestige," like a fluctuating common stock in the market, goes up or down depending on the dividend paid out by American taxpayers—That is, whether the executive or Congress or both happen to reduce or continue the amount of money loaned or granted to foreign countries.

Now that the foreign aid is continuing in rather substantial quantities, all's well insofar as friendliness toward America is concerned —including Eisenhower's stock which went down very low indeed in Europe during the 1952 presidential campaign when it was feared his election might mean substantial curtailment of foreign aid.

Stevenson was popular then and "Ike" was unpopular.

Things have changed now and, as long as the American dollars flow freely, America will continue to be in high favor abroad.

160 Million Strong

By TRUMAN TWILL

According to the best educated guesswork on the subject, the United States now is a national society of 160 million persons. The Bureau of the Census posted this as its official estimate a few minutes after 11 a.m. on Aug. 10.

Contrary to an idea that comes easily to the minds of all Nationalists, the total of any particular national group is peanuts compared to the total population of the world.

For comparative purposes, this is about 2½ billion. Less than 7 per cent American is. And while it can be frankly admitted by all of us Americans that we are the cream of the crop, it may as well be acknowledged that the other folks have their pride, too.

In fact, the odd thing about being an American is that so to be is to take pride in being one of all the other folks there are on earth. Distinctions are possible only between those who came early and those who came late and those who came voluntarily and involuntarily, and they amount to nothing.

Eventually, if things keep going in the direction they're going now, the only distinguishing will be done on a basis of current contribution. Americans will be separated for certain economic purposes according to whether or not they are in or out of the productive stage of their lives. There will be no other separations.

When this finally is the prevailing arrangement everywhere, instead of being spotty, it will be easier to see than it is now why the destiny of the United States in this era of human history is going to be the unification of mankind. It is being done here first as a demonstration.

The United States is the only place where the component elements of the human race have been welded into one relatively harmonious whole.

It has made itself into a magnet which would still draw to itself, if permitted to do so, the population of the earth. But since it would be impossible for everybody to crowd into one country, the next best thing is for the United States to disseminate throughout the world the same tolerance and co-operative security which created a new society out of a mixture of the races of men.

The Census Bureau didn't go to this when it guessed the United States had reached 160 million. It did point out that 160 million made the United States only the fourth largest country, less than half as large as India, about a third as large as China and only four-fifths as large as the Soviet Union.

If those massive societies had the spark that keeps human aspirations burning in the United States, they would be on top of everything. But numbers by themselves reveal nothing but density of population, not intensity of population.

You take all kinds of men, mix them up together, add tolerance, season with incentive, temper with dignity and an appreciation of the other fellow's problem and—wow! Plus a sense of humor that keeps exclusivists from being taken too seriously when they try to stratify and segmentize human beings to suit their stratified and segmentized minds.

Daily Bible Thought

"The Lord watch between thee and me, when we are absent one from the other." — Gen. 31:49. Laban did not need to remind the Infinite. He is watchful always. It is well for us to remember this.

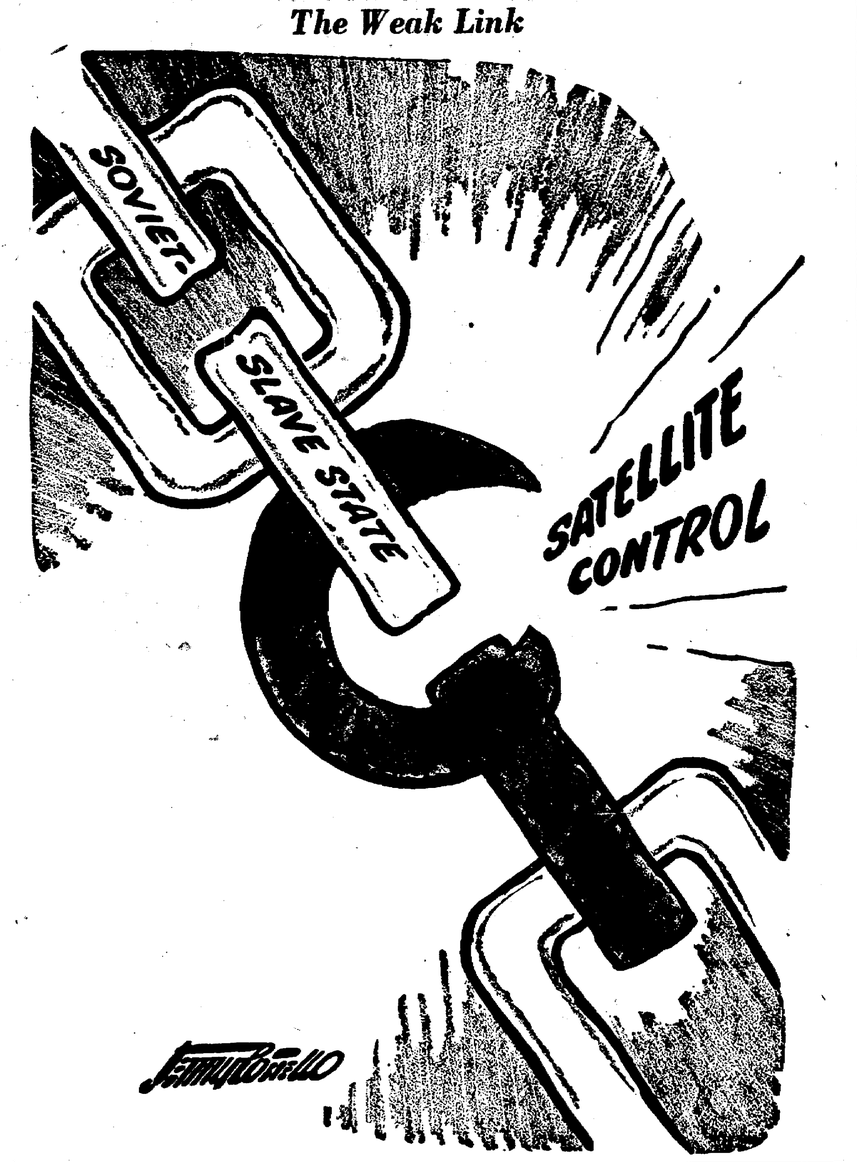
Lake With Name

LAKEVILLE, Conn. (AP)—Connecticut's most picturesque body of water is Lake Wononskopomuc. You pronounce it just as it's spelled; but if you're like most Connecticut folks, including those who live on its very shore, you'll call it "Lakeville Lake."

CROSSTOWN **By Roland Coe**

"It's not every course you play that adjoins a watermelon patch!"

The Weak Link



State Department Neglects Cleanup

By Edward Nellor

The Department of State, major target of Republican campaign critics, and the one agency threatened with a wholesale housecleaning, retains more holdovers than any other department under the new administration.

Top policy planners in almost every other department have either resigned, been fired or shifted to innocuous duties or removed from the exalted ranks held under the Truman administration.

Not so the Department of State.

Not even the close circle of advisers to the new secretary of state, John Foster Dulles, can claim immunity from service under a Democrat administration.

The office of undersecretary is held by Walter Bedell Smith, who performed many military and diplomatic chores for the previous administration. His special assistant, William C. Harrington, is a Truman administration holdover.

Dulles did bring in a new director of public affairs, Carl W. McCradle, a former Washington newspaperman. The new secretary of state also hired a director of security, Scott McLeod, to replace Carlisle Humelsine.

From here on down the list of policy jobs, however, the GOP campaign promise of a State Department housecleaning falls flat on its face.

Here is the record:

Three out of four members of the State Department policy planning staff are Truman holdovers.

Three out of three members of the executive secretariat have retained their jobs; all five members of the protocol staff are the same. So are all four members of the policy reports staff.

The office of assistant secretary for administration contains seven officials, all of whom had their jobs last January.

In the field programs division of the State Department, nine out of nine officials are holdovers; nine out of nine have retained their jobs in the office of policy and plans; seven out of seven in office management; 10 out of 10 in international broadcasting; five out of five top jobholders in international press service; seven out of seven in international motion picture service; nine out of 10 in the office of international education exchange service.

Also, seven out of seven Truman holdovers are on the job in the international information center service.

Six out of six top policy jobholders in the foreign building operations branch still warm the same swivel chairs; five out of five in the division of foreign reporting; nine out of nine in the office of budgets and reports; seven out of seven in the office of finance; two out of two in the office of operating facilities; six out of six in the division of communications and records; five out of five in the division of central services; three out of three in the division of cryptography.

In the bureau of security and consular affairs, a highly important State Department policy division, 33 out of 39 are Democrat party holdovers. In the technical cooperation administration 15 out of 16 have held onto their policy jobs.

The new head of the overseas information program, who succeeded Dr. Robert L. Johnson, is Theodore C. Streibert. In his office there are 10 advisers. Six are holdovers.

Donald B. Lowrie is the State Department's undersecretary for administration. He would normally get the job of straightening out the policy situation so that a new administration could function along the lines it desired, in view of the promises to U. S. voters.

Lowrie has five assistants, four are holdovers from the Truman-Acheson administration. Chief among these is H. Freeman Matthews, deputy undersecretary, a Truman holdover.

Actually, Dulles turned the job of housecleaning over to Bedell Smith, bypassing Lowrie, who has the chore of tightening up the sprawling department, so that control will lie in fewer hands.

Smith has done very little in the way of a housecleaning. He may have some large-scale plans, but, if so, he is keeping them under his hat.

He acquired a large circle of State Department acquaintances while doing chores for Truman. It may be that he finds it simpler to continue to deal with the men and women he knows than in bringing in Republicans to replace them.

Many are career employes, too, who are protected by Civ Service and Foreign Service status.

However, policy jobs usually are not protected and a determined political machine can normally find ways to force the resignation of those who are if it desires to do so.

The State Department has not done so, and grumblings from Congress are growing audible. Senators and representatives, including Karl Mundy, a State Department friend, and Rep. Busbey have announced their impatience. There will be more.

The big gripe is that many members of both Houses, who fought in vain to get the State Department to alter its policy in Asia and elsewhere, are forced to deal with the same department officials who shunned their advice before.

The congressmen thought they were right then, and the Department official wrong.

Events in China and Korea have convinced them that they knew what they were talking about. They are not so sure, however, that State Department holdovers feel any different about it now than they did when promoting the Truman-Acheson policies. Hence the demands for action on the housecleaning front.

Roundabout Side-Stepping

By MARK DANA

In almost every session of Congress in recent years efforts have been made by members to increase their own salaries. At intervals there have been pay raises and other concessions, but during the 82nd Congress an all-out drive was initiated.

Effects of the campaign have carried over, and now Congress has passed a bill, and President Eisenhower has signed it, creating a commission of outsiders to determine whether and how much congressional salaries should be hiked. Partly to minimize public hooting, the bill includes federal judges.

Because this is quite a human world we live in, it is likely the 18 business and professional men, labor and farm leaders, of the commission will recommend a salary raise. With such sanction, Congress would make haste to lift its own pay scales. Hence results are probably in the bag, for favorable action after next January.

Members of Congress now get $12,500 salary plus $2,500 for personal expenses, plus extra money for office help plus free postage plus various other pleasant financial easements. Supreme Court justices get $25,000, federal district judges get $15,000.

Almost anybody if prodded would come forth with an opinion, pro or con, flippant or serious, about higher pay for Congress members. Most arguments for the idea cite increased cost of living, cost of two households a Congressman must maintain, the social and other expensive front a member must put up, contributions and handouts he is expected to make day after day, and the idea that the quality of men aspiring to Congress would be raised if the pay were higher.

Opponents of the idea chiefly remind that there would be plenty of candidates for every seat if there were no salary at all, and that every public servant is expected to consider the honor and prestige as part of his remuneration.

Anyhow, Congressmen will now let 18 appointed men (who themselves probably will enjoy the honor and prestige even if they are unpaid) decide the salary raise question, which is a modest way of minimizing derision for direct action. This seems to be a movement in which the three governmental branches—legislative, judiciary, executive—are cooperating nicely in a Globally Significant Cause.

No man is free who cannot command himself.—Pythagoras.

The Once Over

By H. I. Phillips

Now They've Got To Be

The RFC has been killed by Ike Eisenhower and replaced by a Small Business Loans Bureau. But it will take time for Washington to get used to fellows who can be argued into borrowing less than five or ten million dollars. And be patient enough to wait more than 15 or 20 minutes for it.

The loans from now on will have a ceiling of $100,000 for any one concern.

This announcement has shocked scores of big operators who haven't been asked to think in sums as low as that in the last quarter of a century.

The blow has hospitalized some big wheels who can't remember when they would stoop so low as to borrow less than a million.

-:-

Some of these boys not only considered $1,000,000 par for the RFC course, but stuck out for having the money dished out to them with music.

They filled out the forms at cocktail parties and insisted that the money be given them during a dance.

Ike has done away with music during negotiations and ruled out the custom of calling for the money in a fleet of luxury limousines with a motorcycle escort provided by the Ali Baba Chapter of the governmental "If-You-Don't-See-What - You-Want-Ask-For-It Guild."

This can throw hundreds of mint-tappers out of employment. From now on, if a man with a big idea has everything but the plant, the orders and the money to make dreams come true he will have to convince somebody other than the politicians that he is entitled to a key to the treasury.

-:-

The President believes it is high time the small businessman got a little help. By small business is meant a business that can be explained without colored slides, kleig lights, 3-D sound effects and a staff of more than two lawyers.

It means a man can now get help even if he doesn't want to much. And evidence that he will pay it back will no longer be accepted as sufficient grounds for immediate rejection. The whole office setup will be changed, we understand.

The gold-plated street approaches have been closed, the peach fuzz removed from all loan forms and the goose feathers extracted from cushions on the deluxe armchairs used by applicants while waiting for the dough.

-:-

We are now facing an era in which a man who wants a lot of money will have to bend over to pick it up. It is pretty sudden. We doubt whether Americans are up to the test.

AIRWAVE REACTIONS

I twist the knobs to no avail
Those panels enter without fail;
They hem me in on TV tours:
The simple panels of the poor!

-:-

THE CODE

She poisons pop; he strikes down mom;
(Tomorrow "Murder At the Prom");
Mayhem, manslaughter, mobsters real. . .
They all have that "Good Practice Seal!"

(Associated Newspapers)

News of Other Years

TEN YEARS AGO — It was Friday, Aug. 13, 1943.

A huge fleet of American bombers again bombed Rome, destructively emphasizing the recent warnings to the Italian people that mass Allied raids were about to be resumed.

James Monroe Davidson, 97, of Marion, oldest living Mason in Ohio in point of membership in the Masonic organization, died in the Ohio Masonic home at Springfield.

After approximately one year of operation, the Marion Engineer Depot, one of the units of the Army Service Forces, had been able to effect a 10 per cent reduction in its overall personnel, Col. C. B. Shaffer, commanding officer, announced.

Mr. and Mrs. Milford Johnson of 293 Edwards St. were parents of a son born in City Hospital.

Announcement was made of the marriage of Miss Mary Margaret Johnston, daughter of Mr. and Mrs. R. E. Johnston of 219 Silver St., and Pfc. Thomas D. Simmons, son of Mrs. Sarah Simmons of 124 E. Mark St. The wedding took place Aug. 7 at St. Mary Catholic Church in Colorado Springs, Colo.

Mrs. J. W. Bull and daughter, Ruth, of 198 W. Church St., had returned after spending 10 days visiting relatives in Chicago and Berwyn, Ill.

—:—

TWENTY YEARS AGO — It was Sunday, Aug. 13, 1933.

Doctrinal differences between two factions of the Jonesboro, Ark., Baptist tabernacle developed into an exchange of blows when the two groups attempted to hold separate services simultaneously, singing different hymns at the same time. When police took charge, they confiscated three shotguns, loaded with buckshot, which they said were found near the choir platform.

A son was born to Mr. and Mrs. Victor H. Kreis of southeast of Waldo.

Miss Marilyn Meseke left on a western vacation trip which she won as the result of having been named "Miss Columbus" in a beauty contest held by a Columbus theater a few days before.

Mayor and Mrs. W. C. Phillians of E. Center St. attended the Vermillion Yacht Club regatta on Lake Erie.

Rayl Conyers of Pearl St., Robert Mautz of Laffayette St., William Elliott of S. State St. and Robert Rosenberg of Hane Ave. motored to Chicago for a week's visit at the World's Fair.

Carl Huffman, pitcher for the Caledonia Indians' baseball team, pitched a no-hit game, leading the Indians to a 1-0 victory over Denmark. In the second portion of the double bill for the Indians, they defeated the Galion Independents 5-0.

Mrs. Mae Carlyle Grant, 39, former LaRue resident, died in Tiffin.

Nam Il, Kim Il Sung Accused

North Korean Kingpins Branded as 'Impostors'

By BILL SHINN

SEOUL (AP)—Marshal Kim Il Sung and Gen. Nam Il, the two men who emerged as kingpins in the newly-purged North Korean Communist regime, today were revealed to be "fantastic imposters" who borrowed their names from well known North Koreans of years ago.

Only today, Red China's Peiping radio disclosed that Kim—one time Russian army major—has been awarded the title of "Hero of the People's Republic of Korea" by the standing committee of the North Korean Supreme People's Assembly in recognition of his wartime leadership.

The title apparently is an imitation of Russia's "Hero of the Soviet Union," which makes the recipient in Russia a virtual demigod.

Information that Kim and Nam Il are imposters with borrowed names came from a highly placed South Korean intelligence officer with excellent connections in North Korea and access to top secret reports on the muddled situation behind the Reds' Bamboo Curtain.

His name cannot be revealed because of possible retaliation against relatives still living in North Korea.

Kim's role as an imposter who borrowed the name of a North Korean hero who fought the Japanese during the occupation of Korea has been known for some time.

But for the first time it was revealed that Nam Il, chief Red negotiator in the truce talks at Panmunjom, also borrowed the name of a prominent North Korean.

Here is the story as detailed by the intelligence officer:

Kim's real name was Kim Sung Joo. He was born 42 years ago in a small village near the Red capital of Pyongyang, the son of an anti-Japanese Nationalist.

When Kim was eight his father was forced to flee to Manchuria to escape the Japanese police. Kim stayed with an uncle in Korea until he was 13, then joined his father.

He became a member of the Chinese Youth Association of the Communist party when he was 17.

At the age of 30, Kim became commander of the guerrilla corps in Manchuria. At about the same time Japan sent its powerful Kwantung army into Manchuria. Kim fared badly against the Japanese and gave up his command to visit Russia.

During World War II Kim commanded a Korean army corps that fought alongside the Russians.

In the battle of Leningrad, he won special recognition from Premier Stalin. He was ordered to Manchuria to fight the Japanese in the final days of the war.

However, by the time he reached Manchuria Japan had surrendered.

Kim arrived at Nam-hi, his birthplace, in September, 1945, carrying secret instructions from Stalin on how to communize Korea.

He adopted the name of Kim Il Sung, a widely known Korean patriot who had been fighting the Japanese as a guerrilla in Manchuria.

The real Kim Il Sung was then about 53 years old, while the imposter was about 34.

In October, 1945, the bogus Kim appeared in public for the first time under his new name.

On Oct. 14, he was introduced as a "victorious general" to more than 200,000 North Koreans assembled at a parade ground in Pyongyang.

The story of Nam Il's life as reported by the intelligence source, revealed that his real name was Kim Chang Man.

Reportedly now about 47, he was born in a small village near Pyongyang.

Nam Il was propaganda chief of the North Korean Labor (Communist) Party until he was appointed chief truce delegate for the Reds in July, 1951.

That appointment was made partly because of Nam Il's ability in negotiations and debate.

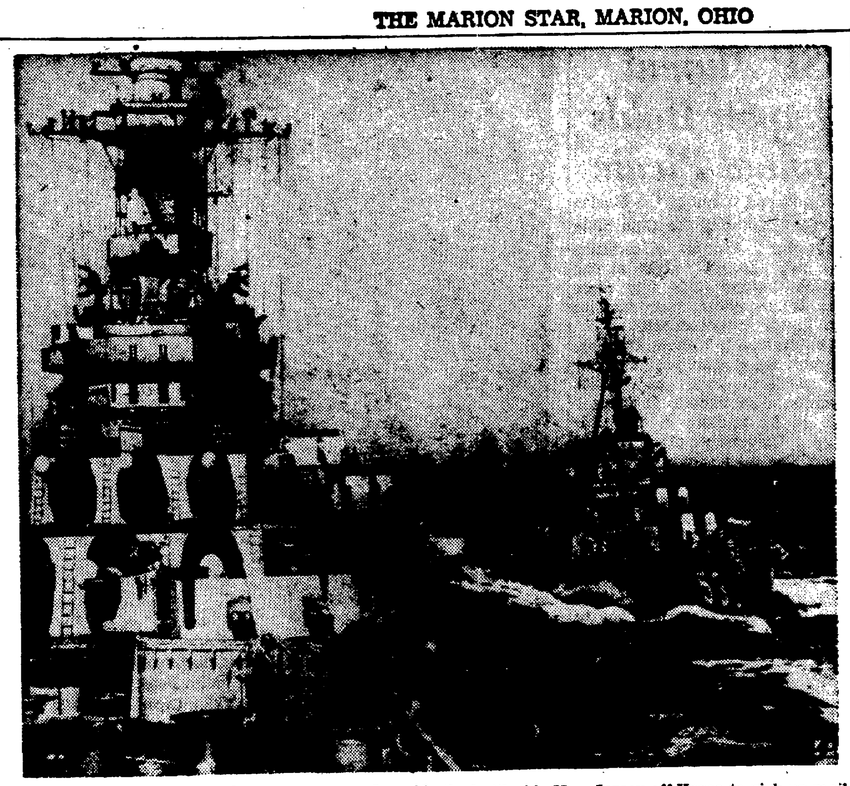
He was not a military general. He appeared at the Kaesong and Panmunjom truce negotiations first under a title of lieutenant general and later as a full general, presumably given him to influence the Allied truce team.

The real Nam Il is a man about 50, trained in Russia. He was president of a Communist college in Pyongyang and also an instructor at the Kim Il Sung University there.

Kim Chang Man, the imposter now known as Nam Il, presumably took his new name because the authentic Nam Il was more highly regarded by the people.

Like Kim Il Sung, Nam Il is considered a pro-Russian as against the pro-Chinese and the Nationalist Korean factions in North Korea.

This pro-Russian faction, considered moderates rather than rabid pro-Russian, now appears to have gained control of the North Korean government following the sweeping purge in recent weeks.



MAIL STARTS HOME. A destroyer comes alongside the battleship New Jersey off Korea to pick up mail from the crew to folks at home. Mailbag is on line between ships.

Colorado Hospitality Showered on President

DENVER (AP)—A plea to Coloradans to quit deluging President Eisenhower with invitations during his vacation has been made by Gov. Dan Thornton.

"If he's hammered at and battered at, Colorado won't be such an attractive place for him to come in future years," Thornton said at a news conference yesterday.

"I sympathize with their desire to have him," Thornton said, "but he's not here to speak, he's here to relax as much as he can."

433 Out of 557 Applicants Pass Examination for Ohio State Bar

COLUMBUS, Ohio (AP)—The Ohio Supreme Court today released the names of 433 persons who were successful in the recent Ohio bar examination.

Chief Justice Carl V. Weygandt said the new attorneys will be admitted to the bar in formal ceremonies at Columbus Aug. 17, Cincinnati Aug. 18 and Cleveland Aug. 19.

The announcement said 124 of the 557 applicants failed to receive passing grades.

Highest grade of 90.7 was achieved by Anthony R. DeSanto, Campbell.

The list included:

Stark County

Marie A. Joniec, 2112 17th St., N. E., Canton.

Glenn L. Kettering, 2228 9th St. S. W. Canton.

Herman F. Klein, Box 432, Canal Fulton.

Myron Teitelbaum, 555 S. Glenwood Ave., Lima.

Kenneth E. Tone, 720 Sycamore Line, Sandusky.

George W. Trumbo, 129 E. North St., Newark.

Robert J. Watkins, 412 N. Madriver St., Bellefontaine.

Robert L. Stephan, 124 South C St., Hamilton.

Eugene A. Yazel, 324 Carner Ave., Marion.

Firemen Answer 2 Calls

Fire scares with no damage resulting in either sent Marion firemen out twice during the last 24 hours.

At 1:01 p.m. yesterday Central Station firemen answered a call to the Harden Music Co. store at S. Main and W. Church Sts. Employes were burning papers in a furnace in the basement and smoke from the burning papers filled the store causing other employes to think there was a fire, firemen reported. There was no damage.

Firemen from the W. Center St. station were called out at 3:45 a.m. today when a passerby saw vapors rising from a C and O Railroad tank car parked near the Garden City Pike and thought the car was on fire.

WORKER ELECTROCUTED

COLUMBUS, Ohio (AP) — Hamer Fields, 48, of Columbus, was electrocuted yesterday when he cut through insulation on a 110-volt line while working on a plastering project.

'Big Switch' Is Too Late for Cleveland GI

By The Associated Press

For a Cleveland soldier "Operation Big Switch" came too late.

The Korean Communists reported Pfc. Joseph H. Eckhart Jr. died in a prisoner of war camp. His sister, Mrs. Joseph W. Petsche, believes he is dead, even though the official telegram received yesterday said, "this has not been verified."

"I hope God did not let him suffer much," she told a reporter.

But there was happy news for four other Ohio families. Their sons or brothers were released.

It took the Dudukovich family of Lorain by surprise. The sister of Pfc. Rados Dudukovich, Mrs. Anna Milovich, said her parents couldn't believe "our Rudy" was released.

When Mrs. Goldie S. Riley of Toledo learned her son, Pfc. Donald J. Riley was among those freed, she said, "Oh, my God. . . I'm so happy."

She said in his last letter "Don said he had his life all planned now and mother was going to get everything she ever wanted. It looks like that is going to happen."

Another mother took the news her son was returning home calmly.

Mrs. James Brinegar of Dayton said she knew "Lucian would be out pretty quick but I didn't expect it so soon."

She said her son wrote pleasant letters and had gotten along all right in his prison at Changson. He wrote her, she said, he had "plenty of opportunity to participate in sports" and kept busy taking care of a prison library.

The parents of Pfc. Richard E. Marsh, who was released Tuesday night, reside in Columbus. Marsh's home address was officially listed as New Kensington, Pa., where the family lived several years ago.

Mr. and Mrs. Elmer Marsh learned yesterday of their son's release in a phone call from a relative in Pennsylvania, who saw Richard's name on television.

Suit Seeks To Halt Steubenville Election

STEUBENVILLE, Ohio (AP)—Atty. James Kimble yesterday filed a petition to halt an election which would decide whether Steubenville would substitute a city manager for the present mayor-city council type government.

Kimble, on behalf of five Steubenville residents, said in his petition to Jefferson County Common Pleas Court the Sept. 15 election would deprive servicemen of their vote and cause unnecessary municipal expense.

Pair Chose Right Spot for Argument

BALTIMORE (AP) — A federal judge was told yesterday it was lucky for both Clarence Dawson and John Walker that they had an argument near the Bethesda Naval Medical Center.

Otherwise, Walker probably would be dead and Dawson would have been charged with murder, Asst. U. S. Atty. Herbert H. Hubbard said.

Walker was stabbed in the heart during an argument with Dawson. Walker's life was saved because surgery was available promptly at the nearby medical center, Hubbard said.

Dawson was sentenced to three years in prison.

VOLUNTEERS TO HELP

PORTSMOUTH, Ohio (AP)—Volunteers will man the Portsmouth-Chillicothe rent control office on Saturdays and Mondays, Carl J. Phipps, chairman of the Portsmouth Rent Control Advisory Board, said yesterday. The office was closed by the government because of lack of funds to operate it. Rent controls have been extended until April in the area covered by the office—Scioto, Pike, Ross and Jackson counties.

AN EARLY FALL WEDDING is planned by Miss Mary Ann Borland and her fiance, Vernon J. Wiersma, whose engagement and approaching marriage are being announced by her parents, Mr. and Mrs. Clifford K. Borland, 883 Sheridan Rd. Mr. Wiersma is the son of Mr. and Mrs. Henry Wiersma of Oak Harbor, O. The wedding will take place Sept. 6 in the First Church of the Brethren. Miss Borland is associated with Battelle Memorial Institute in Columbus and makes her home at 4762 N. High St. in that city. Mr. Wiersma is enrolled at Ohio State University. He is a member of Zeta Chapter, Alpha Sigma Phi Fraternity.

—:—

To celebrate the twenty-fifth wedding anniversary of Rev. and Mrs. H. V. Falor of Marion Aug. 1, the Oakland EUB Church Homebuilders Class surprised the couple with a gift of platium-trimmed dishes. From their family, the celebrants received a gift of silverware.

—:—

Mrs. Merle E. Shuster and son Bobbie Lee of Mt. Victory were weekend guests of Mr. and Mrs. Herbert Coy and children, Butchie and Karen Gene of Kenton. Mrs. Coy formerly was Miss Jeanie Shuster of Mt. Victory.

—:—

Roy Bowers and sisters, Misses Ora, Lulu and Elsie Bowers of Kingston, O., were guests Tuesday at the home of their aunt, Mrs. Martha Kinnamon of LaRue.

Raging Typhoon Churning Pacific

TOKYO (AP)—A raging typhoon—the greatest storm ever recorded by the Tokyo Weather Bureau—was expected to slam into American-occupied Okinawa Sunday or Monday.

Japanese weather experts said winds of about 180 miles an hour are at the center of the typhoon and 90-mile winds have been recorded 20 miles from the center.

The weather bureau said the last storm of comparable intensity hit near the Philippines on Aug. 18, 1927.

PLAN DAIRY DAY

WOOSTER, Ohio (AP)—More than 4,000 farmers are expected to attend the annual dairy day tomorrow at the Ohio Agriculture Experiment Station. The speakers will include J. Earl Coke, assistant secretary of agriculture.

Ravenna Teacher In Coma for Three Months Recovering

RAVENNA, Ohio (AP)—A 26-year-old school teacher, who remained in a coma three months following an auto accident, was reported on the road to recovery today.

"She is beginning to talk now and is improving a little all the time," Mrs. Lewis Foster said of her daughter, Helen. "When we can't understand what she is saying, she spells out the words."

Miss Foster was injured April 10 near Seattle, Wash., when a car in which she was riding struck a guard rail after skidding on ice. She regained consciousness July 18 after being brought to her parents' home here.

Mrs. Foster said the young woman's injury had been diagnosed as damage to the mid portion of her brain.

Hurricane To Strike Near Cape Hatteras

MIAMI, Fla. (AP)—The Atlantic hurricane with winds of about 100 miles an hour is expected to pass over or very close to the North Carolina coast in the vicinity of Cape Hatteras tonight.

Grady Norton, chief storm forecaster in the Miami Weather bureau, said the center was about 200 miles south of Cape Hatteras at 10 a. m. EST. The North Carolina coastal area was clouding up and rain began as the tropical approached.

"It appears from present indications that the storm will pass over Cape Hatteras or very close by about the middle of the night," said Norton.

MRS. RICHARD G. ROBERTS

—:—

Shirley Mathias Becomes Bride of Richard G. Roberts

Emanuel Lutheran Church was the setting for the wedding of Miss Shirley Ann Mathias, daughter of Mr. and Mrs. Reuben Mathias of 631 Girard Ave. and Richard G. Roberts, A-D3 U. S. Navy, Saturday, July 25. The bridegroom is the son of Mr. and Mrs. Henry S. Roberts of 756 Henry St.

Rev. Theodore Partridge, pastor of St. Paul Lutheran Church at Cardington officiated for the 2:30 o'clock ceremony. Palms formed a background for the two floor baskets filled with white gladioli and a bouquet of the same flowers were in a single vase on the altar. A program of nuptial music was by Miss Lennette Smith, organist, and Mrs. Barbara Parks, vocalist.

Given in marriage by her father the bride wore a gown of Chantilly lace and net over satin. Scallops outlined the sheer neckline of the lace bodice and were repeated in the hemline. The very full skirt was of net. Her fingertip veil was caught with a cluster of seed pearls and she carried white asters centered with a single purple orchid. Her jewelry was a strand of pearls and earrings, a gift from the bridegroom.

The bride's attendants were Miss Marguerite Roberts, sister of the bridegroom, and Miss Paula Anderson and Miss Carol Balliett, nieces of the bride. Their gowns of net and taffeta were styled alike with strapless bodices and full net skirts. Cowls of net completed their costumes and their short veils matched the color of the gowns. Miss Roberts wore yellow net and taffeta and carried asters in a lilac shade, and the bridesmaids gowns were purple net over taffeta. Their bouquets were yellow pompons.

Janice Hall and Nancy Rinehart, nieces of the bride, were the flower girls. They wore ballerina length dresses of mint green over taffeta with hair clusters of pompons, and carried baskets of summer flowers. Jerry Rinehart, nephew of the bride, was the ringbearer.

David Bott of Mansfield served as best man for the bridegroom, and ushers were Robert Roberts, brother of the bride, and Don Johnson.

The reception was in the church parlors where decorations were baskets of white gladioli. The tiered wedding cake was encircled with greenery and flowers in a lilac shade and completing the decorations were lighted tapers. Hostesses were Miss Martha Burklew, Miss Shirley Tsumpes, Miss Ella Gossett and Miss Patricia Titus.

When the couple left on a wedding trip to Chicago the bride was wearing a blue dress, white accessories and the orchid from her wedding bouquet. They will make their home on Oak Ridge Ct.

The bride was graduated from Harding High School in June this year and is employed in the business office of The Marion Star. The bridegroom, a graduate of Harding High School in 1949 is stationed at Mustin Field, Philadelphia.

Guests were from Shelby, Dayton, Galion, Cardington, Mansfield, Iberia, Florida and California.

The bridegroom's parents were hosts at the rehearsal party July 24. The bride gave the maid of honor rhinestone earrings and a necklace and the bridesmaids gold lockets. The best man's gift was a wallet and the ushers received tie clasps and cufflinks.

Miss Marguerite Roberts entertained with a shower complimenting Miss Mathias on July 8. Her wedding colors of lilac and mint green were carried out in the appointments and ribbon showers in these colors were caught to the gifts.

OSU Alumni Chapter Holds Annual Picnic

The annual picnic of the Marion County Chapter of the Ohio State University Alumni Association was held Tuesday night at the Marion Country Club with more than 100 members, their families and guests in attendance.

The president, William Dunning, presided for a short program during which the local chapter was awarded a scholarship in recognition of its interest in the Ohio State University Development Fund. The presentation was made to J. F. Weis by Kenyon Campbell, field representative for the Ohio State Development Fund. Weis, a member of the board of trustees, has headed the drive in the local chapter for the second year. The scholarship will be awarded a Marion County boy or girl.

In his talk Campbell congratulated the chapter on having achieved 101 per cent in gifts to the Alumni Fund. This is the second year the local chapter has won a scholarship.

Guests included Campbell, Jack Fullen, executive secretary of the Alumni Association, Joseph Conrad, of Columbus, also a member of the association, Dick Hamilton of Worthington and Dave Templeton, captain of the 1948 football team and an All American player.

Pictures of the Ohio State-Wisconsin football game were shown and Joseph Conrad outlined the schedule for the 1953-54 season.

Hinckley Will Become Crawford Welfare Head

Special to The Star

BUCYRUS — Announcement was made here today by Crawford County Commisisoners that Marvin Adams will devote full time to his posts of superintendent of the county children's home at Galion and executive secretary of the child welfare board.

Adams has been on a year's leave of absence as county welfare director but will not return to that post, Vance Hoover, commissioner's chairman, reported. His successor as welfare director is Charles E. Hinckley, Jr., who has been acting director for the past year. Hinckley's present salary is $330 a month.

County financial records disclosed that Adams has been receiving, since last Jan. 1, $300 a month as children's home superintendent, $90 a month as executive secretary of the child welfare board and $50 a month expense allowance. His wife, Ethel, is drawing $210 a month as children's home matron plus $50 a month expense allowance. Both reside at the children's home.

EDEN PRINCIPAL RESIGNS

UPPER SANDUSKY — Robert Hayman has announced his resignation as principal of Eden School, a position which he has held for the past three years. He has accepted a position in the payroll department of the Ohio Oil Co. in Findlay.

'MISS PENNSYLVANIA'. Joy is evident on face of Evelyn Ay, 20, Ephrata, Pa., beauty, as she is crowned "Miss Pennsylvania" for the "Miss America" beauty pageant Sept. 7-13. Crowning her in West Chester, Pa., is 1951 "Miss Pennsylvania," Miss Mimi S. Wentzel.

Sanitary District Dispute Appealed

COLUMBUS, Ohio (AP)—The City of Niles and the Ohio Water Service Co. today carried their dispute with the Mahoning Valley Sanitary District to the Ohio Supreme Court.

The appellants objected to approval by a special common pleas court of a report appraising benefits from a proposed expansion of the sanitary district. They claimed the appraisal ignored lands outside the district that would benefit from expansion.

The district supplies water to Niles and Youngstown.

The special court approved the appraisers' report and later accepted a revised report despite the objections. An appellate court dismissed appeals and the cases were carried to the Supreme Court.

A similar appeal by Youngstown property owners is pending in the high court.

Old Car Falls Apart On Streets of Raleigh

RALEIGH, N. C. (AP)—An ancient automobile rumbled down the street.

Patrolman Sam Clarkson pulled alongside, motioning the driver to stop.

As the car stopped its bumper fell off. A few seconds later the radiator collapsed. A wrecker was called.

When it hitched a towline and started tugging, the car's trunk door fell off and a fender broke loose.

"I was afraid we were going to have to call a truck and just load the heap of parts on it," said Clarkson after seeing the car to a garage and charging the driver with drunken driving.

ELECTED FOR LIFE

KNOXVILLE, Tenn. (UP)—District Attorney General Hal C. Clements, Jr., received a letter from a Chicago woman addressed to him as: "State's eternity."

Repair Work To Be Finished By County Fair

Work on the construction of a new foundation under the sheep barn at the Marion County Fairgrounds is progressing in a satisfactory manner and should be finished by the time the fair begins Aug. 22, Clifford Campbell, secretary of the fair board said today.

Besides that work, the grounds are being thoroughly cleaned. Campbell expects everything to be in good shape by opening day.

He added that he is still receiving a large number of entiries through the mail. He said any entries which are sent through the mail and postmarked before 9 p.m. Saturday will be honored.

Campbell's office in the Coliseum is open today and Friday from 9 a.m. to 5 p.m. and on Saturday from 9 am. to 9 p.m. Deadline for entries in events in the senior fair is Saturday at 9 p.m.

He reported a large number of entries for the National Baton Twirling Contest have been received so far, and said the interest in this event was very high.

Campbell also said that the only event requiring an entry fee which does not have to be entered on Saturday is the flower division. Persons desiring to enter that section may do so on Tuesday, Aug. 25, the day of judging.

Records of Production Credit Group Reviewed

A review of the findings of the examination made of the books and records of the Marion County Production Credit Association was held at Hotel Harding Wednesday.

Representatives from offices in Marion, Morrow Crawford, Wyandot, and Hardin counties heard John Grierson and Russell Polston of the Production Credit Corporation of Louisville, Ky., explain the results of the annual inspection which was recently completed by the two men.

Marion is the headquarters for the five counties; while Louisville is headquarters for the four state area including Ohio, Indiana, Kentucky, and Tennessee.

Vacation Not Carefree

Administration Worries Follow Ike to Colorado

By JAMES MARLOW

WASHINGTON (AP) — President Eisenhower's Colorado vacation will be far from carefree. Besides everything else, he will have big money worries. They will continue through 1953 and most of 1954 too.

The administration made known yesterday it has called upon the departments and agencies to do all they can to cut spending this year even more than they had planned and, for the fiscal year beginning next July 1, to try for deeper cuts.

Eisenhower's most immediate problem is the national debt. It is now 272½ billion dollars. This is what the government owes as a result of borrowing over many years. Biggest part of the debt is due to World War II expenses.

The debt had started down after the war until this country began to rearm and help its allies. Bills for defense goods and foreign aid are still coming in.

But in 1946 Congress set the limit on the national debt at 275 billion dollars. All but about half a billion is subject to that limit. In other words, the government, which now owes 272½ billions, can't borrow more than an additional three billion without bumping into the legal ceiling.

Congress returns next Jan. 6 for its regular 1954 session. By then, if the administration thinks it must borrow beyond the limit, Congress could raise the limit.

But the administration expressed fear that it might get so tightly jammed on meeting its bills between now and January that it would have to borrow past the 275 billion limit.

For that reason, Eisenhower asked Congress before it quit a week ago to raise the limit to 290 billions. Congress refused, leaving it up to the administration to cut expenses enough to avoid more debt.

If the administration still thinks it must borrow beyond the present debt limit before January, Eisenhower will have to call Congress back to special session this fall.

That's an Eisenhower economic problem for 1953. Next year he will have a new kind.

In January he will present to Congress the administration's budget—the estimated cost of running the government—for the fiscal year starting next July 1. In figuring this budget the administration will have to figure its income as well as its outgo.

That income is almost entirely from taxes. The hope of any administration is to balance the budget: that is, to keep its expenses equal to, if not lower than its income.

If it can't—if it winds up spending more than it takes in—then it will have to make up the deficit by borrowing money. And every time it borrows, up goes the national debt.

Next year will be rought on budget-balancing. On Dec. 31, 1953, the excess profits tax on corporations automatically come down about 10 per cent.

That was previously decided by Congress. And Eisenhower said he would not ask for a change in that. But—on April 1 there are more scheduled tax reductions: on corporations and on excise or sales taxes.

The cost of these various revenue losses to the government has been estimated at as much as eight billion dollars. At the same time Eisenhower and congressional leaders have promised tax revisions next year.

Some changes which have been talked about in the Capitol, although far from assured, include: a tax benefit for working wives who pay for the care of their children at home; liberalized deductions for expenses and medical costs; lower taxes on corporation dividends.

The revenue loss to the government by such changes? Additional billions. In May, Eisenhower said he would send a tax program to Congress next January.

His problem: How can the government lose billions in revenue and still balance the budget unless, perhaps, it cuts deeply into defense and foreign aid spending?

Congress may decide that, if the country is to avoid going further into debt while letting the scheduled tax reductions go into effect, it may have to find revenue by imposing or raising some other taxes.

Yet, next year is an election year for Congress, usually reluctant at such times to raise taxes.

Office in Marion To Be Established By Turkey Growers

Permanent offices for the newly formed Ohio Turkey Growers Association will be located at 126 S. Main St. above the B. F. Goodrich retail store, it was decided at a meeting of the association board of directors here Saturday.

The new office will occupy one room at the outset and will open Sept. 15. The Marion office will be main headquarters for the association, which was formed by nothern Ohio turkey growers in the belief that by working under a common trademark they could get better markets.

D. D. Moyer of near Marion will be general manager of the new organization. He is a poultry specialist with Ohio State University.

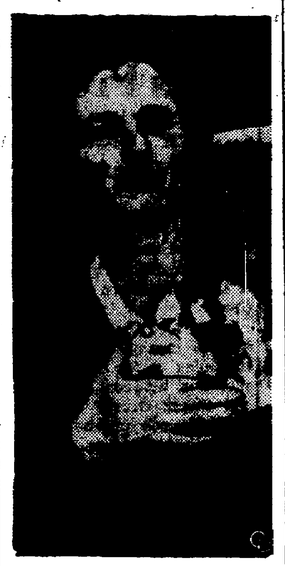
Processing plants are located in Wauseon, Archbold, Versailles, Danville, and Collins. An official Ohio Trukey Growers trademark was authorized at the meeting, and this label will be seen on all packages, boxes and articles coming from the association.

ATTENDS CONFERENCE

Mrs. Helmar Sortland of Upper Sandusky is among 103 rural Ohio homemakers attending the Associated Country Women of the World Conference at Toronto, Canada, August 12 through 28. The association has grown from a group of women informally promoting good will and friendship to a position of weil qualified rural advisors on world affairs.

UNION OKAYS CONTRACT

CLEVELAND (AP) — Some 2,500 employes of East Ohio Gas Co. get $12.50 monthly pay increases under a new contract ratified by locals of the Independent Natural Gas Workers Union in Cleveland, Akron, Barberton, Warren, Youngstown, Canton and Massillon. Retroactive to Aug. 1, the pact hikes the night differential three cents to nine cents hourly. Current wage scales were unavailable.



MISS FRANCES E. WILLIS, 54, is the first woman to work her way up through the ranks of the foreign service to become a full-fledged ambassador. Sworn in as Ambassador to Switzerland, Miss Willis will leave Washington for Berne soon after Labor Day. She was counselor to Finland when she was notified of her appointment.

Marion Farmer Attends State Extension Meeting

C. W. Baldinger, a farmer from near Marion, represented Marion County at the two-day meeting of the State Extension Advisory Committee held in Columbus this week.

The meeting is designed to let the authorities learn the thinking of rural people about extension activities in the area of rural-urban relations, consumer information, and public affairs.

Nearly every county in the state was represented by one or more delegates.

Minister Assigned To Holiness Church

A change of pastors at Second Pilgrim Holiness here was made at the close of the annual convention Tuesday night at Springfield. Rev. Norval Rickner will come to Marion from Napoleon, his former pastorate. Reassigned to First Pilgrim Church here was Rev. Walter J. Yoh. The former pastor at the Second Pilgrim Church, Rev. Melroy Ward, was appointed to a church at Cincinnati.

Other changes in this part of the state, the East Ohio District, include new pastors at Mansfield, Rev. Harold Osborn, and at Delaware, Rev. Leslie Ashcraft. Elected superintendents of the two districts of the denomination respectively were Rev. Paul Lucas of Defiance, west, and Rev. B. A. Awe of Columbus, east. Ordination into the ministry was conducted for a class of seven including Rev. Harold Osborn Jr. of Delaware.

REUNIONS

RETTERER

The thirty-fourth annual Retterer reunion was held Sunday at Lincoln Park in Marion with 40 relatives present from Findlay, Springfield, Harpster, Marysville, Claiborne, Richwood, Columbus, and Marion. Oscar Retterer of Marion was elected president, and Mrs. Eva Waeiska of Marion, secretary-treasurer. The reunion next year will be Aug. 8 at the same place.

POLIO MOTHER SEES BABY VIA PHOTO. "Isn't she sweet," asks Mrs. Donna Wickenhiser of Detroit as she looks at a picture of her baby, which she had never seen. Mrs. Wickenhiser, 22, and wife of an army corporal, is a polio patient. She has been in a hospital since July 30 and physicians are uncertain when she will be allowed to see her daughter, Carol Lynn, who was born Aug. 9.

Grand Jury

(Continued from Page 1)

their machines were not used for gambling, the sheriff's order was complied with, he said after a check later in the week.

Admits Setting Fires

Holycross has admitted setting industrial fires in Marion causing estimated damages of $227,00. Two counts of attempted arson resulted from his admitted attempts to set fire to the Marion Power Shovel Co. farm Aug. 5, and the Marion Plant Life Fertilizer Co. on June 27.

Three counts of realty arson arose from fires at the Erie Railroad Freight House June 15, the Farm Bureau Association elevator storage building June 26, and the Marion Iron and Metal Co. on July 15.

He was indicted on five counts of personalty arson in "willfully, unlawfully, and maliciously burning" wood, boards, lumber and packing material of the Marion Power Shovel Co. on June 26, property of the Erie Railroad June 15, storage bins of the Betty Zane Popcorn Co. June 15, stored grain of the Farm Bureau Association June 26, and personal property of the Marion Iron and Metal Co. on July 15.

Manslaughter Charge

The second-degree manslaughter charge was lodged against Pickens following a two-car collision on Route 30-S near Caledonia on July 19 which resulted in the death of the two Marion men.

Snavely, 31-year-old Bucyrian, has admitted stealing approximately $1,000 in merchandise over a period of several months. Arrested May 17 by the sheriff's office, he recently was found to be sane following a 30-day observation period at the Lima State Hospital.

Attempted arson charges against Sharrock, 39, of 663½ W. Center St., came after he was arrested July 28 for twice attempting to set fire to an apartment building on W. Center St.

Dilling, 18-year-old Bellflower, Calif. resident, admitted breaking into the residence of Clarence Pichard near Brush Ridge last Friday morning and taking a loaded revolver and knife valued at approximately $65. Sheriff's office investigation uncovered his description and he was picked up Monday by the state highway patrol near Van Wert.

Names of 30 persons to serve as grand jurors for the September term of court will be drawn tomorrow morning in the Clerk of Court's office.

DISTAFF OPINION

JACKSON, Miss. (UP) — Men are just fooling themselves if they think they control the political world, says Miss Coda Davis, the first woman to register to vote in Mississippi. "Women control 80 per cent of the nation's wealth, and we girls can control any election we want to," Miss Davis commented as she cast her ballot in a recent municipal election.

Weather Report

OHIO — Partly cloudy, a few scattered thundershowers likely in east today, highest 85-90. Fair tonight, lowest in the 60's. Friday fair and somewhat warmer.

Accidents

(Continued from Page 1)

side and swerved back across the road into the Faulkner auto.

Agnes Linville was arrested by patrolmen for driving left of the center and was fined $10 and costs by Mayor Nelson Lee at Crestline.

Moderate damage to the Linville car and considerable to Faulkner's was reported. Wreckers were needed for both.

Auto, Porch Demolished

An automobile and the front porch of a house were both demolished in one of two traffic accidents reported today by Marion police.

The accident occurred at 7:17 p. m. yesterday at Herman and Davids St. when Samuel R. Christian, 31, of 675 W. Center St. driving north on Davids attempted to pass another northbound car driven by Charles H. Fosnaugh, 27, of 576 Herman St. Christian's car struck the left rear fender of Fosnaugh's car.

Out of control, Christian's car then swerved across to the west side of the street, ran between a telephone pole and Johnson Brothers Grocery store, struck the front of the store with a glancing blow and went on to demolish the front porch of a house at 443 Davids St.

After hitting the porch the car turned over on its right side, but caused no injury to Christian, police reported. There was only slight damage to the grocery store and to the fender of Fosnaugh's car.

The only other accident in the city occurred at Davids and Bennett Sts. at 9:25 p.m. yesterday in a collision involving cars driven by Ralph Laird, 44, of 700 Bennett St. and William H. Iler, 55, of near Marion. Damage was slight to both cars, police reported.

Prisoners

(Continued from Page 1)

regarding retention of POWs, but said the armistice agreement overrides any such provisions. Neither the Korean Communists nor the United States signed the convention, but both have agreed to abide by it.

"The Communists are trying for something to justify their intention to violate the agreement," one U. S. official said.

The prisoner swap itself continued at Panmunjom, with another 409 promised by the Reds for Friday—84 Americans, 74 British, 1 Canadian and 250 South Koreans.

The 75 Americans returned Thursday brought the total of U.S. troops sent back to 823. The Reds said they held 3,313.

The full 400 men brought the total Allied figure to 3,572 of the Reds' figure of 12,763.

The UNC Thursday shipped back the last 222 of 5,495 Chinese POWs who wanted to return to communism. Thursday's total Red shipment brought the number sent back to 24,546 of 74,000 Chinese and North Koreans promised.

The exchange Thursday opened just after a soaking rain.

Returning Allied captives said one Red truck bearing them from the Red grouping point at Kaesong overturned but no one was injured seriously.

Hockey

(Continued from Page 1)

in the American Hockey League.

The Marion Barons will be in their first year of operation and will play their home games at the Coliseum. The team will make its debut here with the opening game in the International League next October. The league will be operating as an eight-team circuit. The other teams will include Cincinnati, Toledo, Troy, Fort Wayne, Ind., Grand Rapids, Mich., Milwaukee, and Louisville, Ky.

Final plans for the league during the coming season will be made at a meeting of the league directors to be held in Marion next Thursday.

Marion Firm Host During Conference Of Manufacturers

Five states were represented when the Marion Metal Products Co. was host to member groups of the Hydraulic Hoist and Steel Dump Body Manufacturers' Association Tuesday and Wednesday in Marion.

Opening the meeting was a dinner at Hotel Harding. Attending were representatives from The Anthony Co. of Streator, Ill., The Converto Corp of Cambridge City, Ind., The Daybrook Hydraulic Co. of Bowling Green, The Galion Allsteel Body Co. of Galion, Gar Wood Industries of Wayne, Mich., Hercules Steel Products Co. of Galion, The Heil Co., of Milwaukee, Wisc., The Perfection Steel Body Co. of Galion, The Truck Engineering Co. of Ft. Wayne, Ind., and the host group, represented by G. E. Herr, A. L. Beach, R. E. Craven, and H. H. Jacobs.

Also present was the national association's secretary, Pat Gorman, of Washington, D. C. Business sessions were conducted Wednesday morning and afternoon at the hotel.

Next month's meeting of the association will be held Sept. 18 in Mansfield with The Galion Allsteel Body Co. as host.

Herr is president of the association.

Commission

(Continued from Page 1)

White House Press secretary James C. Hagerty said there will be some Negroes in the group representing the public.

In his executive order, the President said it is the policy of the government "to promote equal employment opportunity for all qualified persons employed or seeking employment on government contracts because such persons are entitled to fair and equitable treatment in all aspects of employment on work paid for from public funds."

Eisenhower also said the contracting agencies of the government, as well as those doing business with the government, are obligated to insure compliance with "the equal employment program of the government."

The President noted existing executive orders require federal contracting agencies to include in their contracts a provision obligating the contractor not to discriminate against any employe or applicants for jobs because of race, creed, color or national origin.

Prime contractors are required to include a similar provision in all sub-contracts. The President said a review and analysis of existing practices of government contracting agencies show that the practices and procedures relating to compliance with the non-discrimination provisions must be revised and strengthened to eliminate discrimination in all aspects of employment.

Malenkov

(Continued from Page 1)

troops, and A. I. Mikoyan, the foreign trade minister.

In all the pictures, the first four are seated in the dominating position, with the aged and doddering Marshal K. E. Voroshilov in their midst. He is now "President" of the Soviet Union, holding an honorary position as an old comrade in arms of Stalin, but hardly a power. Mikoyan and Bulganin occupy seats behind this quintet.

The other two of the nine are pushed off to one side. M. Z. Saburov and M. G. Pervukhin, who owe their lofty positions to their business abilities, are seated with M. Shvernik, formerly "President" but now chairman of the Soviet "trade unions." These three are definitely lesser personalities.

On the other side of the leaders are seated such Communist powers as P. N. Pospelov, the party theoretician; M. A. Suslov, N. N. Shatalin and M. F. Shkiryatov, subordinates of Khrushchev in the party secretariat, and P. K. Ponomarenko, the minister of culture.

Unidentified by name but unmistakeable from his huge walrus mustache is old Marshal Semyon Budyenny, an old party warhorse in the Army. He is mentioned prominently elsewhere as proposing a toast to Chinese commander in chief Chu Teh at a Moscow exposition of Chinese Communist industry and agriculture.

The tipoff on the subordinate role of the Army marshals came in last Sunday's Soviet papers dealing with Soviet Air Force Day. Three generals sign three separate articles in three different newspapers. All stress, over and over again, the commanding role of the party in the development and leadership of the armed forces.

2-Year-Old Iberia Boy In Hospital With Polio

IBERIA—The two-year-old son of Mr. and Mrs. Lewis Busler Jr., of Iberia has been taken to Columbus Childiren's Hospital with polio.

Galion City Health Nurse Mrs. Margaret Garrett, who was notified by the family physician, Dr. Malcolm Switzer of Galion, said the boy has paralytic polio.

Mrs. Garrett was attempting to get gamma globulin shots for the other three children in the Busler family.

'HI MOM'. Marine Pfc. Alfred Graham Jr. greets his mother at Travis Air Force Base, Calif. On hand to greet their son, the first of the repatriated POWs to be unloaded from the first planeload, were Mr. and Mrs. Alfred P. Graham of Arlington, W. Va. He is their only son.

List of Prisoners Released

Two Traffic Arrests, Two Citations Reported

Two traffic arrests and two citations to appear in Marion Municipal Court were reported today by Marion police.

Arrested were Clyde W. Burdine, 36, of Huntington, W. Va., on two charges of passing in a no passing zone on N. Main St. and driving without a driver's license, and James W. Wise, 22, of 148 Plymouth St., charged with reckless driving.

Cited to appear in Municipal Court were Glenn H. Reece of Richwood, charged with reckless driving and Lillie Dell Taylor of 134 DeWolfe Ct., charged with failure to observe lowered railroad crossing gates and flashing signals.

Although clumsy in appearance, an armadillo can run with astonishing speed when frightened.

Ohio Fuel Gas Plans Projects

3 New Transmission Lines Cost $375,000

COLUMBUS, Ohio (AP)—The Ohio Fuel Gas Co. announced today it will spend more than $375,000 on three projects to improve service in 11 Southwestern Ohio communities.

Largest of the projects involves $220,000 to replace approximately six miles of an 18-inch transmission line between Mount Sterling and Sugar Grove. The company said this will improve service to Springfield, Urbana and Dayton.

Ohio Fuel will spend $110,000 to construct 3½ miles of pipeline southeast of Laurelville to improve service in Chillicothe, Hallsville, Kingston, Laurelville and Adelphi.

A third project, costing nearly $50,000, will replace a main transmission line which delivers gas from Ravenswood, W. Va., to Sugar Grove. The company said this would improve service in Athens, Pomeroy, Middleport, Gallipolis, Nelsonville and Logan.

Greek

(Continued from Page 1)

cials on Kefallinia advised Argostolion, the island's chief port, was "beginning to sink underwater."

No letup was in sight. The brief reports from the area said the tremors still were continuing.

From Naples, the speedy 20,000-ton cruiser Salem, flagship of the U. S. 6th Fleet, sped to the stricken islands with doctors, stocks and medical supplies and food and a helicopter aboard.

Another American helicopter was on its way from Tripoli and others were expected from Germany. Without them, rescue and aid could come only by ship or amphibian plane. The islands have no landing strips. And only the rotor-bladed aircraft could reach mountain-locked villages, whose fate remained a mystery.

King Paul and Queen Frederika, cutting short an Aegean island vacation, planned to leave at once for the disaster scene aboard a Greek destroyer.

Defense Minister Panayotis Canellopoulos and Welfare Minister Constantine Adamopoulos already were at Kefallinia supervising relief work.

The British rushed the frigates Rangler and the destroyer Daring from the Mediterranean island of Malta and diverted the cruiser Gambia at sea to bring food, medicines, doctors, tents and demolition tools to the disaster area. Three other British warships at Malta harbor were under sailing orders.

Communications and aid facilities were so hard hit that not even the injured evacuated from the islands could be reckoned. The reports from Patras spoke only of "hundreds" there.

For many of the evacuees, the trip was their first look at the outside world. Many of the villagers had never before left the communities their ancestors founded centuries ago.

A newsman who flew over the devastated islands yesterday reported that "a pall of smoke and death" hung over them.

The air attache of the American Embassy here also made an air tour of the area and reported the "enormity of the tragedy" to the U. S. State Department in Washington.

Welfare Minister Adamopoulos advised his government he found "unprecedented tragedy and damage."

McCarthy

(Continued from Page 1)

field investigation and be cleared by the AEC.

McCarthy, chairman of the investigations subcommittee, talked with reporters before the start of a closed-door hearing in an investigation aimed at determining whether there has been any security leakage at the government printing office.

He said "the individual with whom we are principally concerned" has denied under oath that he is or ever was a Communist. This person has received clearance by the printing office's loyalty board, McCarthy added.

However, the senator said, the subcommittee has sworn evidence that the individual was a member of the Communist party.

Two unnamed witnesses called before the committee today were described by McCarthy as among those a government bookbinder asked to have questioned. The subcommittee already has questioned the bookbinder, Edward Rothschild in executive session.

WOMEN'S HOTEL

BOSTON (UP) — The Franklin Square House, founded here 51 years ago, claims to be the world's largest hotel exclusively for women. With accommodations for about 800 guests, the hotel has registered more than a quarter-million persons from the 48 states and 60 foreign counties since the turn of the century.

The armor of an armadillo is modified skin, like fingernails.

STRIKE HAS ITS COMPENSATIONS. It's an ill strike that blows no good, as this Parisian steam roller jockey finds out. Attractive hitchhikers take advantage of the unusual transportation as France's growing general strike paralyzes railroad movements, utilities, communications and government services. Civil workers are striking against government plans to balance the budget by trimming payrolls.

French

(Continued from Page 1)

the Communist-led General Federation of Labor (CGT) and the Christian (Catholic) Trades Union (FCTC) quickly joined in.

Laniel declared it was the duty of the government of a democratic state to oppose the strike. He asserted the quicker workers realized the strike would end sooner or later, the quicker the nation could buckle down to carrying out the "generous social program" he said he has in mind.

The wave of walkouts was sparked by disclosure that the government's program for rescuing the nation's treasury from near-bankruptcy included lopping some employes off public payrolls and upping the retirement age for civil servants.

Workers also were angered that Laniel's plan did not put a heavier tax bite on the nation's wealthy. And the Communists chimed in with calls for a general wage boost.

Indian Ceremony Set Tonight at Scout Camp

A special Indian campfire will be given for visitors tonight at Camp Owens, Boy Scout Camp four miles south of Marion. This is in celebration of visitors night held each week of camp.

Chief Lone Star of Newcomerstown, an authority on Indian lore, will put on the campfire. He will show sign languages, signaling and imitate animals and birds. The Order of the Eagle, a special scout organization, will help with the campfire.

STATE EXAMINER ARRIVES

State Examiner Wilbur E. Bosserman of Toledo arrived in Marion today to conduct an audit of the various townships in Marion County. He is from the staff of the office of James A. Rhodes, auditor of state.

MEETING PEOPLE

AND

DEVELOPING PERSONALITY

How many persons do you suppose the average individual meets in a lifetime?

Whatever this number is, one thing seems certain: Success in any field depends to a large extent on a person's ability to meet and get along with others.

Because this can only be accomplished through actual practice, a Marion Star route offers carrier salesmen the chance to learn while young, how to get along with people through actually meeting them.

Silly items in your memory account soon change to character building items.

These Days

By George Sokolsky

Malenkov's assurance that Russia has the hydrogen bomb cannot be taken as a bluff. We cannot afford to risk being wrong about that. If he is not bluffing and we acted on the assumption that he is, we may be fooled. It would be a disaster of the greatest magnitude.

SOKOLSKY

Dr. Klaus Fuchs and Dr. Bruno Pontecorvo knew about the hydrogen bomb. Pontecorvo actualy vanished into Russia with his family, and has probably been working on the hydrogen bomb in Russia. Fuchs was a Communist before he came to this country for the Manhattan Project and was not properly screened because he was recommended by the British, who did no screening against Communists.

-:-

THIS IS a good moment for the 2,500 American clergymen who signed the petition for clemency for the Rosenbergs to search their consciences. Fuchs was a member of the Rosenberg apparatus.

The Pontecorvo story is not clear. This Italian-born scientist was a British subject.

He is one of the top men in the field of atomic fission. Whether he is a Communist or not, I do not know. However, he was in a $10 million suit against the United States government in 1950, involving patents on the atomic bomb process.

It was claimed that the process was invented by Drs. Enrico Fermi, Edoardo Amaldi, Bruno Pontecorvo, Franco Rasetti and Emilio Segre in Rome.

A United States patent was granted in 1940 and was assigned to G. M. Giannini & Co., who was a party to the suit.

I have been told that when the matter came before the Atomic Energy Commission, the commissioner in charge took the position that the entire matter was top secret and therefore the suit could not be considered.

-:-

IF PONTECORVO got sore because he could not get his share of $10 million we have indeed paid a terrific price for an official's bad judgment.

If, on the other hand, he was, even in 1946, a Soviet spy, how did we become involed with him?

The disgusting thing about this whole atomic spy business is that, despite the Rosenberg, Gold, Greenglass, etc. trials, we still do not know who let these obscure people into the Manhattan Project.

What kind of security system does this country have that in an enterprise so secret, Russia could plant an apparatus inside the Manhattan Project?

Who got them in? It makes no difference whether he is alive or dead, we ought to know who got them into the Manhattan Project.

-:-

WE DO KNOW that the Atomic Energy Committee of the Congress was set up as a watch-dog committee to see to it that the Atomic Energy Commission acted properly.

The chairman of this committee was usually Brien McMahon of Connecticut. He is dead and cannot speak.

During the 80th Congress, Bourke Hickenlooper of Iowa was chairman of this committee. He is alive and should tell all that he knows.

Gen. Lewlie Groves, Danid Lilienthal, Dr. J. Robert Oppenheimer are alive; they ran the Manhattan Project and the Atomic Energy Commission.

They should be requird to answer the questions: How did the spies get in? Who got them in?

In fact, a thorough invesitgation should go back to Arthur Adams, the Russian spy, who traveled about this country freely, setting up the apparatus which eventually turned over the atomic and hydrogen bombs to the Russians.

-:-

THE FBI kept a constant vigil over Adams, but they wre forbidden to arrest him and he finally was permitted to leave this country with a sample of plutonium.

Who protected Adams? Who stopped the FBI from arresting him?

The FBI files are sealed but the attorney general can make this data available. The President can order that it be made available.

Dr. Kaus Fuchs and Julius Rosenberg knocked the props from under our security. What else have they stolen? What have others stolen?

Why not tell the American people the whole truth, however bad it is?

-:-

THE VARIOUS committees of Congress, investigating espionage, are given a bad name by those who fear their disclosures and by many honest men who dislike suspicions about other Americans.

The fact is that both our atom bomb and hydrogen bomb have been stolen by spies, most of whom were American citizens.

Shouting down Joe McCarthy does not solve our tragic problem — the spy continues to steal.

We need to know why spies are protected.

U.S. Support Claimed for Nehru's Sister

UNITED NATIONS, N. Y. (AP)—Indian sources say the United States will support Mrs. Vijaya Lakshmi Pandit, sister of India's Prime Minister Nehru, for president of the eighth United Nations General Assembly, which opens here Sept. 15.

American delegation sources declined to comment.

Support for Mrs. Pandit—who would be the first woman president of the Assembly—was reported to have ballooned when the British Commonwealth countries and members of the Asia-Arab group swung behind her. It was presumed the Soviet bloc would also vote for her.

The only other announced candidate is Prince Wan Waithayakon, Thailand's foreign minister.

New Spray Will Control Fruit Tree Fire Blights

Special to The Star

WOOSTER—An Ohio plant pathologist revealed today that an antibiotic, streptomycin, may prevent fire blight disease of apple and pear trees.

H. F. Winter of the Ohio Agricultural Experiment Station sprayed Jonathan apple trees with crude streptomycin at the rate of 120 parts per million during three different bloom stages. A day after the first spray he inoculated the same trees with fire blight disease bacteria.

The streptomycin spray produced 98 per cent control of blossom and twig blight. Check trees receiving the same inoculation but no antibiotic spray developed severe cases of fire blight.

Massachusetts Woman's Long Wait Now Ended

WORCESTER, Mass. (AP) — On June 9 Mrs. Ruth La Rose's house was leveled by the tornado that swept central Massachusetts.

Yesterday she received word her husband, Sgt. Robert J. La Rose, died in a Communist prison camp in April 1951.

"The only previous word I had had about Bob was that he was missing in action on Nov. 2, 1950," she sobbed as her 3-year-old son played nearby. "Now the waiting is over."

AFL Council Asks Federal Housing Aid

CHICAGO (AP)—The AFL Executive Council today called for a six-year government-aided program to build 12½ million new homes.

If the required homes are to be built to take care of the expected population increase by 1960, the council said, construction will have to average more than two million units a year. This compares with a record of 1,400,000 produced in 1950 and an average of 1,100,000 during the 1951-1953 period.

Psychos Nemesis

By Inez Robb

Burt Lancaster, ever the Hollywood non-conformist, scorns the services of a professional psychoanalyst. He psychs himself. It could start a trend.

INEZ ROBB

Back in New York, his old home town, for a vacation and the opening of his latest movie, "From Here To Eternity," Mr. Lancaster frugally cased his own complexes for me.

"My own anxiety neuroses stem from not accepting myself in the conventional role of a movie star," the movie star began.

"I accept that image of myself intellectually, but not emotionally," he continued, reeling off polysyllables like a PhD. "Intellectually, I accept the fact that both professionally and economically I am worth all that money they pay me. Logically, I can justify it.

"But emotionally there is conflict and I can not quite adjust myself to that image. I keep worrying and wondering why the hell they give me all that dough."

"Be brave," I admonished Mr. Lancaster as he sipped coffee in a simple, non-Hollywood type two-room suite in the Hotel Pierre.

-:-

THE ONLY movie-type touch in the whole set was a jeroboam of gift champagne unopened.

And, of course, Mr. Lancaster himself, a tall, dark, handsome type in pale beige shirt, chocolate brown slacks and dark brown loafers.

Mr. Lancaster is in a tough spot, whipsawed by emotions and intellect, since Hollywood apparently has every intention of continuing to force large sums of money on him.

It has been that way ever since he played a tough guy in "The Killers" and will certainly be even more so since he is again slaughtering press and public as a tough guy in "From Here To Eternity."

-:-

IF LANCASTER sounds at the moment like an introductory course in Psychology I, it is because he is a good father to his four youngsters, two girls and two boys.

"Mrs. Lancaster and I go to a group therapy class for parents run once a week by the school our two older kids attend," he explained.

"We discuss ourselves and our children. It is kinda salutary to have the milkman, whose kids go to the school, turn on you—after you have described some little conflict—and say, 'Why, you big bum! What kinda home you running for your kids?' Then, maybe next week, you get to call him a bum."

The Lancasters are the travelingest family in Hollywood. Wherever daddy goes on location, there goes the clan. They all went to Italy two years ago when he made "The Crimson Pirate."

-:-

THEY WENT to the Fiji Islands when he made "His Majesty O'Keefe," and they are all going to France next year when he makes a picture with a circus background.

Mr. Lancaster, who had a genius for stepping on the most important toes when he first went to Hollywood, says he has learned tact.

"By nature, I should be a director. In other words, I am bossy," he said, continuing with his psyching. "But if a director or a fellow actor does anything wrong now, I no longer stop production to tell them out loud that they got rocks in their heads and are crazy.

"Now I take them quietly to one side and explain why they're wrong," he said, with a grin.

"Now I realize the other fellows ego is at stake, too. Although when my motives are so pure, I can't understand why they should resent my suggestions."

"Doesn't anyone ever take a poke at you?" I asked.

"No," Mr. Lancaster said, putting himself up to his full 6 feet, 2 inches and flexing his muscles. "So far they have been deterred by my size, my apparent strength and my untested virility."

Inside Labor

By Victor Riesel

ROME

Don't worry about the 9,000,000 votes the Communists rolled up here in last June's election. Just worry about the 90,000-man underground Communist army, commanded by Comrade Longhi, equipped with secreted tanks, cannon, machine guns and enough ammo to hold the field against half the American Army in Europe today.

RIESEL

This army of storm troopers drill regularly during the long, armed truce with the Italian government which actually doesn't dare arrest the underground military leaders although it's an open secret that there are thousands of hidden Red ammo dumps and that Soviet military officers control the entire network in Italy itself.

This makes the Italian Communist party the most powerful Soviet force outside the Iron Curtain.

-:-

IT'S MERELY a matter of time before the signal is given for a Soviet uprising which would throw the entire Italian boot into bloody civil war.

For over eight years now the police have carefully raided the ammo dumps, never pushing too hard lest they set off actual, and political, dynamite.

The other day I flipped just one report out of the files of anti-Communist friends of mine here. It dealt with the activities of the carbineri one week-end some time ago in the orthern Italian city of Merona.

The constabulary ripped open two illegal caches. In them were enough ammo and guns to equip two battalions of troops and a major guerrilla force.

During the same week-end the authorities slipped into a Milan factory on Sunday.

-:-

HIDDEN in basement corners were cannons, no less, and the big calibre ammo to put this artillery in the field. Also arms for two battalions. Apparently that's the quota.

Two battalions at a time.

Under strawpiles in nearby Cherubino was another hidden munitions reserve — thousands of hand grenades, shells, fuses, dynamite packages for "Molotov cocktails" and detonators.

Most of this stuff is American made —dropped or smuggled in to the partisan organization during the Nazi occupation.

The OSS distributed it but could not keep tracers as it was hidden first from the Germans as they retreated northward and then from the reorganized Italian government.

-:-

ODDLY ENOUGH, many Italians know where these caches are, but keep their mouths shut for fear of reprisals.

These Italians fought with the partisans and know that the efficient Communist party and its underground were the only ones to keep permanent records of these forces.

So, many an Italian worker and businessman silently goes about earning his daily bread in factories under which he knows is buried the material for revolt.

Much of the material dropped into partisan hands was in the form of packaged dynamite. This was to go for clandestine demolition work to harass the Nazi forces. Thousands of tons of the explosive were never used.

The Communists, instead, have wired hundreds of factories in Italy's strategic industrial areas — all ready to set off in power and munitions plants at a signal from Longhi or Palmiro Togliati, the Communist party boss.

-:-

IN TURIN, in 1951, an auto factory blew up when the wiring below it short-circuited — a deadly preview of things to come.

Togliatti himself is nothing more than a Soviet military official, despite the fact that he also leads the political section of the Italian Communist movement.

He is the only one who has Moscow's timetable, having recently returned from the Soviet capital where he was briefed daily.

A grim picture of Togliatti, which has not been made available to Americans, was given a shocked Europe, not too long ago — proving that the leader of the Italian Communist party is actually a member of the Soviet Secret police.

This was revealed in a book written and published in Spanish. Translated in French, it is now available only in Paris.

-:-

THE BOOK, by Jesus Hernandez, former minister of education in the Spanish Loyalist government of that grim era which the world failed to heed, is called "I Was A Minister For Stalin."

In it, Hernandez, who broke with the Soviets, reports that a Soviet-controlled "Political Bureau" ran the Loyalists after a while, ordering the arrest and executions of those who refused to take orders from Moscow.

On that Politburo in Spain was Togliatti. Today he has under him a party of 9,000,000 votes and an army of 90,000 storm-troopers.

Yesterday Spain — today Italy. How are you going to beat that back with only dollars?

ANNOUNCE SON'S BIRTH

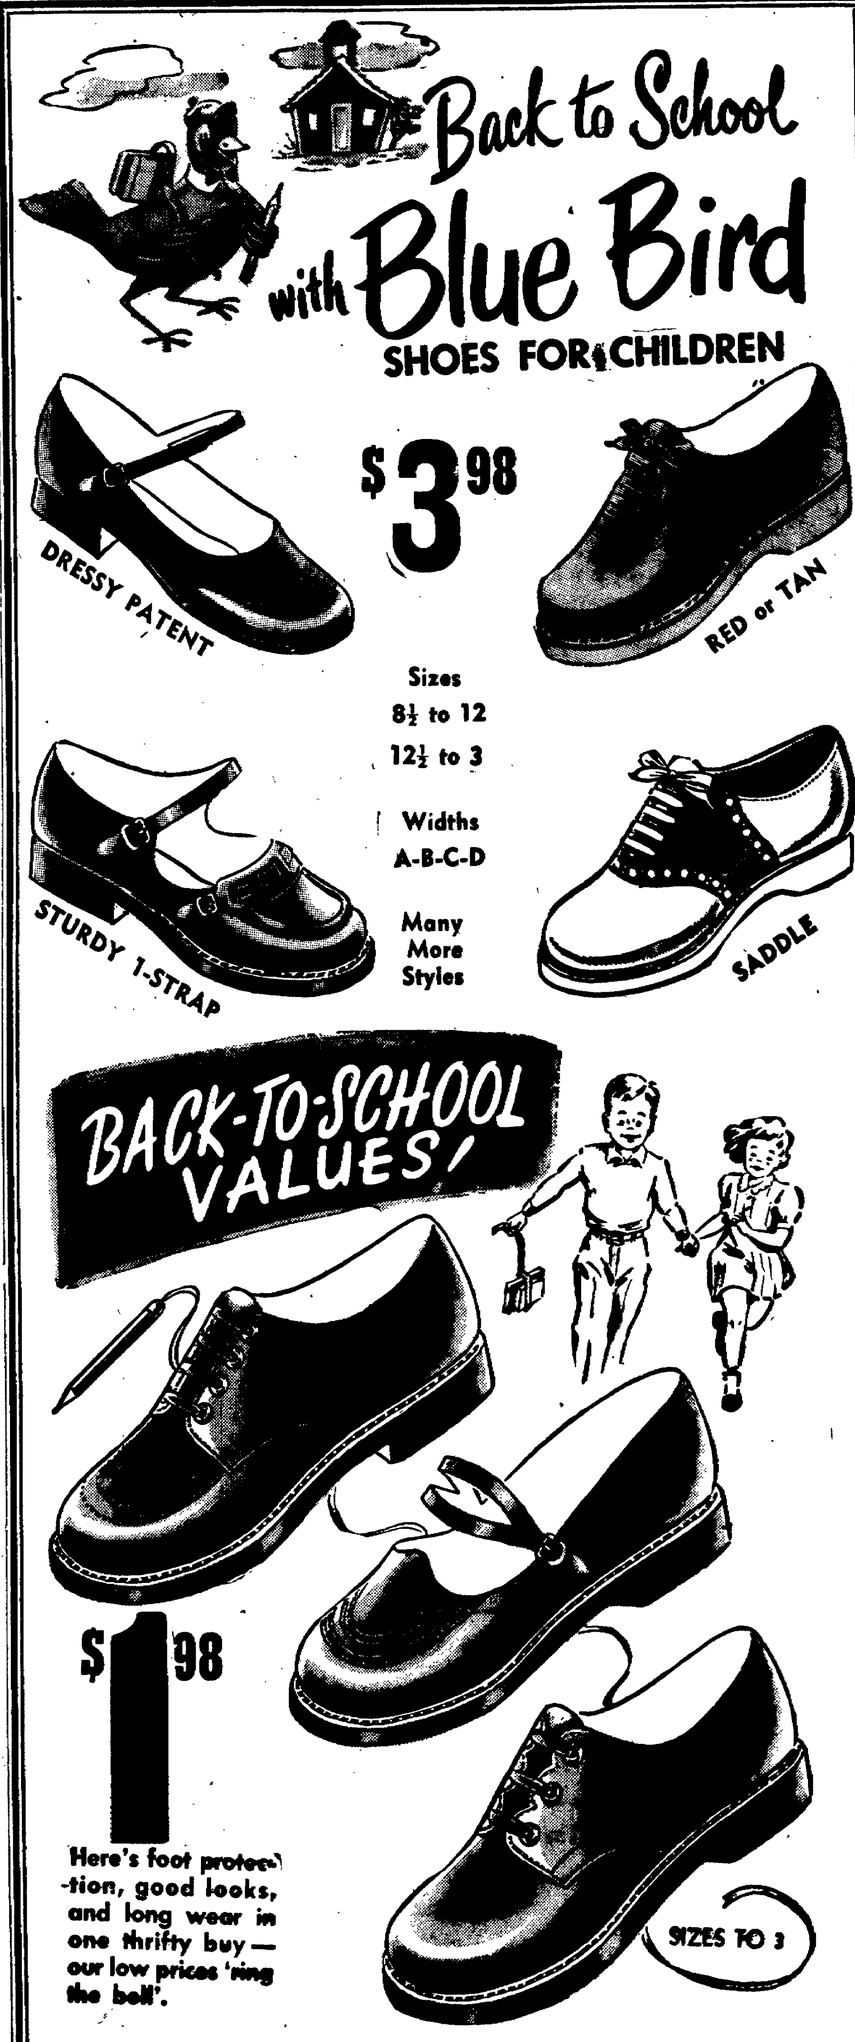
ASHLEY—Born Sunday, Aug. 9, to Mr. and Mrs. Stanley Jones of Kilbourne, a son in Jane M. Case Hospital at Delaware. The mother is the former Janet McClain of Ashley. The baby is the 18th great-grandchild of Mrs. Mary McClain of Ashley.

Jackson Named Leader Of Morrow County PMA

MT. GILEAD — Glenn Jackson of Gilead Township was re-elected chairman of the Morrow County Production Marketing Association at the annual election held in Mt. Gilead.

Other officers named were: D. A. Snyder of North Bloomfield Township, vice chairman; Clay Renz, Westfield, third member; Virgil Crist, Peru, first atlernate; and Donald Mitchell, Congress, second alternate.

Snyder was formerly third member and Renz was formerly vice chairman.



This demonstration showed me the way to a better deal!

I'd been planning to buy a higher-priced car until I found out all Chevrolet offered— and how much I could save!

You're "sitting pretty" behind the wheel

Take this Bel Air model. First thing you'll notice is the quality of the interior. Rich-looking appointments. Roomy seats with foam rubber cushions. Turn the key to start the engine and you're ready to go.

You can see all around

You look out and down through a wide, curved, one-piece windshield. The panoramic rear window and big side windows provide a clear view in all directions.

Biggest brakes for smoother, easier stops

An easy nudge on the pedal brings smooth, positive response —right now! Chevrolet's improved brakes are the largest in the low-price field.

It's heavier for better roadability

You're in for a pleasant surprise at the smooth, steady, big-car ride of this new Chevrolet. One reason is that, model for model, Chevrolet will weigh up to 200 pounds more than the other low-priced cars.

You get more power on less gas

That's because Chevrolet's two great valve-in-head engines are *high-compression* engines. In Powerglide* models, you get the most powerful engine in Chevrolet's field — the new 115-h.p. "Blue-Flame." Gearshift models offer the advanced 108-h.p "Thrift-King" engine.

You get greater getaway with the new Powerglide*

A lot finer performance on a lot less gas. That's what you get with the new Powerglide automatic transmission. There's no more advanced automatic transmission at *any* price.

And it's the lowest-priced line

A demonstration will show *you* that Chevrolet offers just about everything you could want. Yet it's the lowest-priced line in the low-price field.

*Combination of Powerglide automatic transmission and 115-h.p. "Blue-Flame" engine optional on "Two-Ten" and Bel Air models at extra cost.

Let us demonstrate all the advantages of buying a Chevrolet *now!*

She Changed Her Mind

Daughter Finally Agrees on Move to Larger House

By SAUL PETT
For Hal Boyle)

NEW YORK (AP) — Amy Pett, who is 10 and has roots, has finally changed her mind. She is now willing to move with her family to a larger house.

For months, we had talked about getting larger quarters. As the only male in a three-female, one-bathroom house, I was tired of shaving in the office. There were other reasons, too, but none that persuaded Amy.

All her friends are here, she insisted, and, besides, the cats would not like it.

She was that adamant until a recent Sunday morning when the wind blew the real estate section over her comics.

"I wanna move!" she yelled.

My wife and I exchanged silent looks of triumph. It was, in its way, a rare tribute to our long, subtle efforts to make the child change her mind without injury to the roots. The idea was to make her think it was really her decision—not a command.

"I wanna move to this house!" Amy said.

The ad she displayed concerned a house with 49 rolling Connecticut acres overlooking Long Island Sound. It was described as a "gem-like residence of pure Italian Renaissance design" facing two miles of private waterfront.

How blind parents can be! It had never occurred to us that "pure Italian Renaissance" was Amy's favorite period.

The ad said the property included:

1. An outdoor floodlighted theater.

("I could put on puppet shows and make a pile of money," Amy said.)

2. Four formal gardens, including floodlit fountains and a replica of the famous garden of Versailles.

("I'll plant tomatoes.")

3. A ballroom with a maple floor balanced on springs.

("We could tip the whole thing.")

4. Two and a half miles of automoble road.

5. An Aeolian organ in a 30-foot domed reception hall.

("What Chopsticks!")

The tone of the interior, the ad said, is reflected by "the lavish use of gold leaf and marble" and "gold fittings and wedgewood inlays in the master bath." The ad continued:

"The main residence has six master bedrooms. Also on the property is a 14-room superintendent's cottage, an additional 5-room cottage, large greenhouse, stone coach house, and an 8-car garage."

This place, Amy observed, had more room for cars than our house now has for people.

"Despite the sumptuous nature of the house and grounds," the ad concluded, "it is impossible to maintain the entire property, inside and out, with ten in help.

"If desired, furnishings are available at $100,000."

So, naturally, I called the agent to find out how much the place cost without the furnishings.

"It has just been reduced," he said, "from one million to $500,000."

You see, with a little patience, tact and subtlety, you can get a child to agree to anything.

Worker Buried Under Five Tons of Cocoanut

BALTIMORE (AP) — William Andrews spent an hour and a half yesterday with five tons of dried cocoanut on his back. His head was sticking out of a chute so he could breathe.

The 40-year-old Negro was supervising the flow of copra from a bin through a chute to a conveyor belt. The flow stopped and Andrews climbed in the bin to break the jam.

Suddenly the whole pile started to cave in on him. He dived for the chute and got his head through before the avalanche caught him.

A hospital checkup showed him suffering only from shock.

A PEARL BASQUE evening bra valued at $10,000 is modeled by Marla Ray of Boston at jewelers convention in New York. It is made of more than 2,000 cultured pearls.

Financial Records In Crawford Co. Schools Examined

Special to The Star

BUCYRUS—Only minor discrepancies are noted in an examination of Bucyrus and Galion city school financial records completed here today by H. L. Swick, a state examiner.

Swick, who has been checking financial records of all rural and city schools in Crawford County, said illegal payments, totaling $507, were found in Bucyrus school records while none was found at Galion.

The illegal payments concerned insurance taken out by the school on a driver training automobile and payment to drivers of the school bus, while used for extra-curricular activities. The insurance firms involved were the E. C. Crall and J. R. Neff agencies. The report stated that all payments ordered returned to the school have been paid.

At Galion, Examiner Swick said there were a few irregularities in the payment of some bills, including payment of $26 for mileage to the golf course for the Galion team from the board of education fund instead of from the school activity fund.

Swick, who lives in Marion County and has been making his headquarters at Bucyrus High School, now is checking records of rural schools. He has finished checking Whetstone, Tiro and Chatfield Schools. A report on all county schools, together with Crestline schools, will be filed at one time.

The examination cost the Bucyrus City School district $330 for 33 days' work. Galion received a bill for $506, including 48½ days work, mileage and telephone calls.

CAREY SOLDIER IS HOME

CAREY — Cpl. Charles Boyce, son of Mr. and Mrs. Charley Boyce of Carey has returned home from Camp Atterbury, Ind., where last week he was separated from service. Cpl. Boyce had been home on a 26-day furlough after returning from a 14-month tour of duty in Korea, where he served with the army engineers in air force base construction. He will assist his father who is a mason.

Funeral Set Saturday for Mrs. Wendell

Was Former Resident Of City, Wife of Pastor To Be Assigned Here

Funeral services for Mrs. Opal Doris Wendell, 50, wife of Rev. C. R. Wendell of Bellevue, former Marion residents, will be held at Bellevue Saturday afternoon, and in Marion Sunday. Mrs. Wendell died of a heart attack Wednesday morning at Camp Sycher at Mt. Vernon, during her stay at the Ohio Camp Meeting Association while her husband was attending sessions of the Ohio Sandusky Conference, Evangelical United Brethren Church at Camp St. Marys, St. Marys, O.

Rev. Wendell, who has been pastor of the Bellevue EUB Church, is believed slated to become pastor of Calvary EUB Church in Marion at close of the confeernce succeeding Rev. R. W. Faulkner who is scheduled for another pastorate. The ministers' appointments will be read at the conference session Sunday morning.

Though Mrs. Wendell's death was sudden, she had been subject previously to attacks of asthma from which heart complications sometimes arise, it was explained.

Born April 1, 1903, in Lima, she was a daughter of Francis and Charlotte Deal Vermillion, the father a native of Fairfield County and the mother of Mercer County. Her marriage to Clyde Robert Wendell was July 16, 1929, in Marion.

Before her marriage, she was a supervisor for the former Ohio Associated Telephone Co. here for some time and had worked for the company 11 years. Residing in Bellevue seven years, the Wendells left Marion 18 years ago. Mrs. Wendell was a member of the Seybert Memorial EUB Church in Bellevue where her husband was pastor, and she was a state officer in the denomination's Missionary Society.

Surviving with her husband are her mother who lives at 682 Henry St. in Marion, and sons, Phillip 16 and Danny 10, and brothers, Rev. Dean L. Vermillion who is a district superintendent in the Washington and Oregon Conference, EUB Church, and Darrell Vermillion of 971 Sheridan Rd. in Marion.

The funeral services at Bellevue will be at 2:30 p.m. Saturday in the Seybert Memorial Church. Rev. S. E. Firestone, district superintendent of the denomination, will officiate.

Services in Marion Sunday at 2:30 p.m. will be at Oakland EUB Church with the pastor, Rev. H. V. Falor, in charge. Burial will be in Chapel Heights Memory Gardens. Friends may call at the church here from Sunday noon until time of the funeral.

Miss Curl, Retired Teacher, Dies at 80

Miss Mary Frances Curl, 80, retired school teacher of 162 N. Seffner Ave., was found dead about 3 p.m. Wednesday when neighbors wentto her home. She had been in ill health two years, and the friends were to have taken her Wednesday to receive medical care. A teacher in both Marion County and city schools during her 38 years in the field of education, she retired in 1933.

Born Oct. 31, 1872, in Morrow County, she was a daughter of Henry Clay Curl and Sarah E. Bayles Curl, the father a native of Morrow County and the mother of Marion County.

A resident of Marion 40 years, she was a member of Epworth Methodist Church, of WCTU, of Rebekah Lodge, and of the Pythian Sisters Lodge at Caledonia. Graduated from Caledonia High School, she attended Ohio Northern University at Ada for her elementary teacher training.

From 1893 to 1918, she taught in Marion and Morrow Counties, then until 1932, she taught third grade at Mark Street in Marion.

Surviving are a sister, Mrs. George E. Apt of Fort Wayne, Ind., a brother, A. C. Curl of Joliet, Ill, and nieces and nephew, Mrs. John E. Moler and Harry F. Apt, both of Fort Wayne, Mrs. Paul G. Wetzel of Norwood, Mrs. George Arthur of Hamilton, Ill., and Shirley Curl of Joliet.

Funeral services will be conducted Saturday at 10 a.m. in the Merle H. Hughes Mortuary on Mt. Vernon Ave. Rev. Walter C Eyster will officiate. Burial will be in Marion Cemetery. Friend may call at the funeral home after 7:30 tonight.

BEETLE BATTLE

GENEVA, N. Y. (UP) — The New York State Agricultural Experiment State here reports that effective control of cucumber beetles has been obtained with the use of rotenone dust. The dust also guards the plants against infection by bacterial wilt organisms which are transmitted by cucumber beetles.

LIVES IN JAIL

WICHITA, Kan. (U.P.)—Elmer C. Oakes, a 52-year-old carpenter, has to commute to work from the Sedgwick county jail here for 360 days, while serving time for "joy-riding" in another man's car which he wrecked.

City Judge James V. Riddel sentenced Oakes to jail, but paroled him for each working day so he could support his wife and 11-year-old daughter.

DEATHS and FUNERALS

Bertram A. Pierre

Bertram A. Pierre, 57, of 625 E. Church St. died at 9:10 a.m. today in City Hospital. He was ill four months.

Born Nov. 30, 1895, at Corning, he was a son of Pearl and Geniza Webb Pierre. Dec. 15, 1931, in Marion, he married Marguerite Bland. During World War I, he served as a captain in the 5th Division of the Infantry and saw duty 18 months in France. He was a conductor for the Pennsylvania Railroad out of Marion 43 years, was a member of BRT, of VFW, American Legion, of Linden Lodge, F. and A.M. at Columbus, was a thirty-second degree mason in the Acient Scottish Rite at Columbus, was a past exalted ruler of the Elks Lodge in Marion, and was a member of Prospect Street Methodist Church here.

Surviving are his widow, and a sister, Mrs. John McCurley of Detroit, Mich.

Funeral services will be conducted Monday at 1:30 p.m. in the Merle H. Hughes Mortuary on Mt. Vernon Ave. Rev. Fletcher E. Shoup will officiate. Burial will be in Marion Cemetery. Friends may call at the funeral home after 7:30 p.m. Saturday.

L. E. Cole

Luie E. Cole, 70, retired Marion business man, died at 2:15 a.m. today in City Hospital. He had been in failing health four years. His home was at 613 Miami St. Formerly owner and manager of Cole's Coal Yard and of Cole's Variety Store, he retired in January.

Born March 19, 1883, at Marysville, he was a son of Ed and Annie Wygle Cole, natives of Union County. April 3, 1905, at Byhalia, he married Effie Jones. A resident of Marion 48 years, he came here from Byhalia. For some time he was an Erie Railroad switchman, and he was treasurer of the BRT local for 26 years.

Surviving are children, Mrs. Lois Ansley of 490 S. Main St., and Robert E. Cole at home, two grandchildren, Jane and Joseph Ansley, a brother, George E. Cole of Attica, and a sister, Mrs. Edgar Fisher of Akron.

His step mother, Mrs. Minnie Cole, died last Friday at the home of the daughter in Akron.

Funeral services will be conducted Monday at 10 a.m. in the M. H. Gunder and Sons Funeral Home on W. Ceinter St. Rev. W. Lincoln Stafford of Wesley Methodist Church will officiate. Burial will be in Marion Cemetery. Friends may call at the funeral home after 7:30 p.m. Friday.

E. C. Rowley

A former Prospect resident, E. C. Rowley, died Tuesday morning at Bay View Hospital in Bay Village. His residence was at Willoughby, and he left Prospect a number of years ago. He was a watchmaker and repairer.

Surviving are his widow, and two step daughters who live at Peninsula, O., brothers, Guy, Ed and Carroll Rowley, all of Marion, and Harry of Cleveland, and a sister, Mrs. Bertha Osborn of near Prospect.

Funeral services will be conducted Friday at 2 p.m. Eastern Daylight Time, at the Davis Funeral Home at Willoughby.

Mrs. Henry S. Ruhl

Mrs. Princess E. Ruhl, 83, died at 12:05 p.m. Wednesday at home. She was ill four months.

Born Sept. 20, 1869, in Meeker, she was a daughter of Jonas and Harriett Hatfield Mason. June 22, 1898, at Columbus, she married Henry S. Ruhl who died in Marion Feb. 19, 1936. A resident of Marion 53 years, she came here from Meeker. When a young woman she taught school in Marion County, having attended Ohio Northern University at Ada. She was a member of Epworth Methodist Church, of Lydia Chapter 83, Eastern Star, and of Research Club.

Surviving are children, Robert H. Ruhl of Highland Park, Ill., and Miss Pauline M. Ruhl at home, three grandchildren, Gary, Suzanne and Joanne Woolweaver, and a brother, Elmer E. Mason of Springfield. A daughter preceded her in death.

Funeral services will be conducted Friday at 2:30 p.m. in the Merle H. Hughes Mortuary on Mt. Vernon Ave. Rev. Walter C. Eyster will officiate. Burial will be in Marion Cemetery. Friends may call at the funeral home.

Mrs. D. E. Sparks

Mrs. Eunice Hall Sparks, 28, wife of D. E. Sparks of Prospect, died at 11 p.m. Wednesday in Marion City Hospital. Her death followed the birth of a child four days ago at the hospital. The infant lived only four hours.

Born March 1, 1925, in Neally, Ky., Mrs. Sparks was a daughter of James W. and Virgie Hall. Her marriage to Dale Ernest Sparks was Sept. 6, 1944, at Covington, Ky. A resident of Prospect eight years, she came here from Osborn, Ohio.

Surviving with her husband are her parents, and a son, Rickie Allen Sparks, at home, stepchildren, Mrs. William Pine, D. E Sparks Jr., and Ronald Eugene Sparks at home, two step grandchildren, Randy Lee and Connie Diane Pine, and a brother and a sister, Ewing Hall and Mrs. Eula Music, both of Kentucky.

Funeral services will be conducted Saturday at 2 p.m. in the Merle H. Hughes Mortuary on Mt. Vernon Ave. in Marion. Rev. Billie Evans of Prospect will officiate. Burial will be at Prospect. Friends may call at the funeral home after 7:30 tonight.

Mrs. H. L. Swearengin

DELAWARE — Mrs. Weltha Swearengin, 72, of Delaware died Wednesday morning in her home. She had been ill two years and suffered heart attack.

Born Nov. 26, 1880, in Union County, she was a daughter of Schooly Lumbard and Cynthia Ann Causner Lumbard. Her husband, Harry Lee Swearengin, died some time ago.

Surviving are children, Mrs. Alzena Spurgeon of Union County, Mrs. Emily Prouty of Marion, and J. Otho Swearengin and Ivan Swearengin, both of Delaware, and five grandchildren.

Funeral services will be conducted Friday at 2 p.m. in the Ramsey-Bennett-Brown Funeral Home in Delaware. Burial will be in Oak Grove Cemetery. Friends may call at the funeral home.

Mrs. James E. Kinnear

RICHWOOD — Mrs. Ada Jane Kinnear, 81, of Magnetic Springs died at 10 p.m. Wednesday in Jane Case Hospital in Delaware. She was ill 10 days.

Born Sept. 2, 1872, in Hardin County, she was a daughter of Jacob and Sarah Store Fultz. In October, 1892, at Kenton, she married James E. Kinnear who preceded her in death. A resident of Magnetic Springs 33 years, she moved there from Kenton.

Surviving are a son, James Kinnear of Magnetic Springs, and a brother, Samuel Fultz of Kenton Three children are deceased.

Funeral services will be conducted Saturday at 2 p.m. in the Winter Funeral Chapel in Richwood. Rev. William McClintock will officiate. Burial will be in Grove Cemetery at Kenton. Friends may call at the funeral home after Friday noon.

-Funeral Services-

William A. Wilson — Friday 3 p.m., Bender and Lucas Funeral Home, Nevada, burial Nevada Cemetery. Friends may call at the funeral home.

Leo H. Ganyard—Friday 9 a.m., St. Joseph's Catholic Church, LaRue, burial LaRue Cemetery. Friends may call at the Merle H. Hughes Mortuary, Marion.

Mrs. Jennie Oswald—Friday 2 p.m., Evangelical and Reformed Church, Prospect, Rev. E. T. Henzel, burial Prospect Cemetery. Friends may call at the Gehm Funeral Home, Prospect.

Frederick E. Harman — Friday 1:30 p.m., Lucas Funeral Home, Upper Sandusky, Rev. Paul E. Rohrbaugh, burial Oak Hill Cemetery near Upper Sandusky. Friends may call at the funeral home.

Miss Maude Scheckler — Saturday 2:30 p.m., Lucas Funeral Home, Upper Sandusky, burial at Bucyrus.

DR. BUSLER LEAVES HOSPITAL

Dr. V. E. Busler of 245 E. Church St., former pastor of Epworth Methodist Church, was released from City Hospital Wednesday. His condition is good. Dr. Busler entered the hospital last week for a series of abdominal operations.

TRAFFIC BOUNCE

DES MOINES, Ia. (UP)—A municipal court clerk has complained to the police department that his office is having trouble with persons paying traffic fines with "rubber" checks. Walter Priebe said an average of one check a day is being returned from banks to his office marked "insufficient funds." Checks range from $1 to as high as $16.

EVER VIGILANT

MIDDLETOWN, Conn. (UP) — Executives of the Middletown National Bank worked around the clock guarding depositors' money. They took turns standing by the bank vault while its door was being transferred to a new vault. The job took 36 hours.

Man Charged With Crestline Stabbing Spree

Special to The Star

CRESTLINE—Edward J. Hodge, 53, a Pennsylvania Railroad laborer, has been bound over to the grand jury under $1,000 bond on a charge of cutting with intend to wound.

Hodge has been held at Crawford County jail in Bucyrus following a trial in Mayor Nelson Lee's court at Crestline on Monday. He was brought there Tuesday from Crestline city jail.

The charge came about as a result of a cutting spree Sunday night which sent two persons to Crestine Emergency Hospital. Injured were: Roscoe Jackson, another Pennsylvania Railroad laborer, who resides over George's Kitchen, scene of the stabbing; and Mary Jane Alexander, 49, who resides at the rear of the building.

Jackson had cuts in the chest and beneath his arm. Thirty-five stitches were required to close the gashes. The woman had a deep cut on the right cheek and ear. She was released from the hospital Monday.

Crestline Police Chief Ralph Taylor said Jackson would be questioned after he is released from the hospital.

Taylor said apparently Jackson and Hodge got into an argument Sunday night as they stood in front of George's Kitchen about 8:10 p.m. Hodge pulled a pocket knife and stabbed Jackson, and Jackson, in retaliation, grabbed a bottle, broke the bottom off it and went for Hodge. The Alexander woman apparenty stepped between the two men to stop the fight and was severely cut about the face and ear.

Jackson, who was losing considerable blood, and his wife, Ann, 35, who was in the vicinity when the fracas took place, walked from the scene some 14 blocks to the hospital.

The late John D. Rockefeller Sr., who was one of the richest men in the world, started work at $3.50 a week.

4-H Club News

The Morral Farmerettes 4-H Club met Monday at the home of Jeannie Parker and made plans for a booth at the Marion Coutny fair and a float in the parade.

At a previous meeting, a demonstration on vegetables was given by Fairy Atha and Jeannie Parker. Mandy White was a guest of Peggie Schindler. The program included four numbers by the Kitchen Cabinet orchestra; a poem by Judy Campbell and a story by Jane Fogle and Carol Harriman.

Theme of the booth and float for the Marion County Fair was discussed when the Big Island Girls 4-H Club met recently at the home of Sharon Mahaffey. The hostess was assisted by Sheila Huntsman. The next meeting will be held Aug. 20 at the home of the advisor, Roberta James.

Shoplifter Plays Safe, Carries an Extra Sack

OKLAHOMA CITY (AP)—A pessimistic shoplifter explained to police why he always carries two paper sacks in his pocket when he goes into a store:

"I'm sort of like the man who carries a raincoat on a sunny day. The first sack is to carry the stuff away. The second is a spare in case the first sack tears before I get away from the store."

Salesman Tumbles On Marble Steps, Sues Plush Hotel

CHARLESTON, W. Va (AP)—An Akron, Ohio, candy salesman seeks $50,000 damages from the Greenbrier Hotel in White Sulphur Springs for injuries he says he received when he slipped on marble steps at the plush resort hotel in southern West Virginia.

George Whetzell filed the suit yesterday in Federal Court. He said his skull was fractured and he got other injuries in the fall last Aug. 15. He said the steps were wet and slippery.

Air Force Gets 2 Super Speed Photo Bombers

WICHITA, Kan. (AP)—The Boeing Airplane Co. said today it has started delivery to the Air Force of two new high-speed reconnaissance versions of its B47 stratojet bomber.

One type the RB47E, is being built from the ground up at Wichita as the world's fastest day-or-night long-range photo ship, Boeing reported.

One type, the RB47E, is a converted standard model, usable either for photo-reconnaissance or in its usual role as the Air Force's high-altitude medium bomber.

Both reconnaissance types are in the 600-mile-an-hour class, and will operate at altitudes above 40000 feet.

The RB47B's are basic B47B's modified to Boeing design by Grand Central Aircraft Corp. at Tuson, Ariz., and by Douglas Aircraft Co. at Tulsa.

They are fitted with a convertible "camera pod," readily installed in or removed from the airplane's bomb bay, as a unit.

The pods, built by Aeronca Mfg. Corp., Middletown, Ohio, are temperature controlled and mount eight fixed cameras, operated in groups or as a battery from controls in the cockpit.

Steel Deal Gets Approval of SEC

WASHINGTON (AP) — The Securities and Exchange Commission today announced approval of purchase by the Portsmouth Steel Co., Cleveland, of all the common stock now held by the Allegheny Corp. in the Cleveland - Cliffs Iron Co., Cleveland.

Portsmouth Steel will buy Allegheny's 85,004 shares of Cleveland-Cliffs common stock for $1,508,821, to boost Portsmouth's holdings in Cleveland-Cliffs from 10.4 to 14.15 per cent of the stock outstanding.

SEC approval was required because the companies had interlocking relationships, officers and directors.

Cyrus Eaton, Cleveland industrialist and financier, has substantial holdings in both Portsmouth and Cleveland-Cliffs.

Alleghany owns 17.1 per cent of Portsmouth common stock. After the deal is completed, Alleghany's subsdiaries still will hold 3.1 per cent of Cleveland-Cliffs shares.

The commission held that the contract price is "fair and reasonable."

It rejected contentions by Abraham Shrage, a Portsmouth stockholder, that the Portsmouth firm was being unfairly treated in the transaction.

SEC said it found "no merit" in this argument.

New Shopping Center Going Up on W. Center St.

AN ARCHITECT'S DRAWING OF THE NEW $2,650,000 shopping center under construction on the former Central Junior High School site on W. Center St. is shown here. Facing on W. Center St. the six stores will vary in width but each will be 165 feet deep. Entrances at the rear will open on a large parking lot provided for customer convenience. As shown from left to right in the drawing, firms which will occupy five of the six store rooms are: Singer Sewing Machine Co., J. C. Penney Co., Baker Shoes, G. C. Murphy Co., and Lerner Shops. The sixth storeroom is not assigned. Construction began on July 20 and is expected to be completed in about a year. Excavation for foundations and basements is now under way. The development is owned by the W. Lyman Case Co. of Columbus.

Wheat Prices Drop Sharply

Futures Hit 6-Year Low on Scare Selling

CHICAGO (AP)— Wheat futures tumbled to the lowest prices in more than six years under a heavy barrage of selling on the Board of Trade today.

Brokers said leading grain elevator houses sold wheat in large quantities, touching off the price break. There were reports in the wheat pit that private polls of farer sentiment indicated enough farmers might vote against wheat marketing quotas in tomorrow's referendum to defeat them.

If the quotas are not approved the government support price on next year's wheat crop will fall to 50 per cent of parity. Currently, wheat is supported through government loans at 90 per cent of parity.

After a little more than an hour of trading wheat was down five to six cents a bushel. The September contract sold at $1.75¾, lowest price for any wheat delivery since January 1947.

TAKES 'GIANT STEP.' Max Otter, Austrian ski instructor, makes a long jump from roof of Ivor Whittaker Lodge, Mt. Buller, Australia. Roof top was jump-off point for skiers.

Iowa Family Buys 4 Operations in Day

COUNCIL BLUFFS, Ia. (UP)—Four out of five was the average made by the Spencer Vincent family. Four of their children underwent tonsillectomies on the same day at Jennie Edmundson Hospital. Judith Ann, 10, Linda Jean, 7, Barbara, 6, and Melvin 3, went on the mass exodus leaving Rita Diane 1½ at home.

Refugee Polish Pilots Issue Call For Mobilization of Exile Army

PARIS (UP)—The Philadelphia appeal by two refugee Polish pilots for formation of a free Polish fighting force focussed attention on a "forgotten army" of nearly 225,000, demobilized and scattered with peace.

Nearly 120,000 of the former soldiers who, from the invasion of Poland to the fall of Berlin, wrote many of World War II's most gallant chapters are still in Britain. Others have scattered, but men like wartime free Polish Chief Lieutenant General Wladyslaw Anders, who commanded the crack second Polish Corps in wartime Italy, believe they would rally rapidly to fill the ranks of a new free Polish Corps.

Polish lieutenants Franciszek Jarecki and Sdislaw Jazwinski, in fact, raised exile Polish spirits to one of their highest points since victory in Europe brought demobilization of their units, and reduced some of their most experienced officers to dishwashing jobs.

Many of the Polish veterans have been pressing since the war for remobilization and the dramatic appeal from America's "cradle of liberty" by the two daring pilots who donated two late model MIG 15 jet fighters to the west raised their hopes again.

Former officers among the veterans believe such a corps could form a more important western legion than another exile army, that of Chiang Kai Shek on Formosa. They feel that although their soldiers, like Chiang's are aging, they have had more battle experience than Chinese nationalist soldiers and against a tougher foe.

In London's Sikorski Institute, maintained by an exile government the displaced Poles recognize, are proud battle honors and regimental flags carried by horse cavalry units against German tanks in 1939, by soldiers in the 1940 Norwegian campaign, the 1940 invasion of France, in 1940-42 at Tobruk, in Libya and the Middle East, in Italy from 1943 to 1945, and through France into Germany for final victory in Europe.

They maintain that their gallantry in wartime has never been clouded in Poland despite all of Communism's attempts. Anders, himself, won admiration of anti-Communists by virtue of 20 months imprisonment in Moscow's Lublianka prison when he was captured after a clash with Russian forces striking into Poland at the time of the Berlin-Moscow pact.

Allied officers consider the men who fought for the Polish exile government among the most fearless of the last world war. Their fighter pilots were ranked among the best since the Battle of Britain. Exploits of crack Polish units in Italy are almost legendary. And the veterans have made every effort to keep alive their hard-won military tradition. Thousands of the exiles received further training while serving in American and British auxiliary guard units in Germany postwar.

Homeland Contacts

They have clandestine contacts with their homeland which more than once have served western intelligence agencies well. Many maintain they aided considerably in the dramatic dash by the two MIG pilots to Bornjholm.

This correspondent, for example, served during the war with a regular Polish cavalry officer who charged invading German tanks on horseback, in 1939, and later escaped to London. He was forced to borrow money from American and British friends when his well-decorated uniform was taken away, and he disappeared with thousands of others, almost penniless in the reshuffle.

The former officer, call him Major B., reappeared however a few years later—he attributes it to good luck—a farmer in Africa, wealthy enough to vacation yearly on the French Riviera. But Major B is willing to throw over his new wealth to rejoin a Polish free corps. How do military experts rate the wandering exile Poles? As possibly the most lucrative pool of untapped, war-trained manpower in Europe outside Western Germany.

Seaweed for Food An Irish Specialty

DUBLIN (UP) — Along the rugged storm-swept coast of western Ireland the sturdy peasantry extract everything possible from the Atlantic Ocean to help them earn a living and the government is taking renewed interest in their work.

The men must turn to the sea to augment their sparse profits from the land and here they frequently risk their lives in storms to bring in catches of fish or lobsters. In addition, both young and old regularly harvest the crops of seaweed to be used as fertilizers and food.

This natural fertilizer is found in abundance around the shores, and farmers regularly collect it by the cartload to keep their land in good condition.

Rather surprising is the use of seaweed as food.

The kind of seaweed used for this purpose is known as carrageen and makes a delicious dessert after it has been properly treated. Carrageen has become so popular in city areas that the peasants along the west coast give it special attention.

Sometimes wading out into the water up to their waist, they gather the salty seaweed in bundles and bring it back to the beach where it is spread to dry in the sun. This slow and awkward process goes on every summer, but as the inadequacy of the peasants' methods became apparent, a factory was set up in one area—about 35 miles north of Galway—right on the seashore to meet the demand.

The weed is brought to the factory in huge boxes and then distributed. Girls reject the unsuitable portions and prepare the rest for packing in small cardboard boxes with cellophane covers and detailed instructions for cooking a variety of carrageen dishes.

These carrageen boxes find their way into the most expensive food shops in Dublin where they meet a ready demand.

The possibility of cleaning and sorting carrageen by machinery to improve its general standard is now being examined at the request of the Department of Lands. In addition, work has begun on developing a process for the commercial manufacture of a dried extract of carrageen.

POW Pressured By Red Instructor To Go to Moscow

INCHON, Korea (AP)—A GI just back from a Communist prison camp said today a Chinese instructor threatened and cajoled, trying to get him to go to Russia after the armistice instead of returning home.

Cpl. John Narvin, 25, of Cleveland, Ohio, said his platoon instructor at the Pyoktong prison camp once told him if he went to Russia he would have a "happy life, eating and drinking."

Other times, Narvin said, the Chinese told him he would be sent to Russia whether he wanted to go or not.

Narvin said the platoon instructor called him in for two private chats on the subject and another Chinese official talked to him once near the end of his imprisonment.

Narvin, a member of the 25h Division, was captured Jan. 3, 1951, 20 miles north of Seoul.

Kansas' Biggest City Outgrows Its County

WICHITA, Kan. (UP)—Kansas' largest city has grown out of its home county.

M. S. Haigh, is a Wichitan, works here, has a Wichita telephone and gets his mail at 1049 East Ninth, a Wichita street address, not a rural box number. But his home is nearly a mile over the line in the next county. An estimated 1,000 persons live in Wichita's easternmost residential area, a fast growing community.

DEMOCRATS HAD IT

CONCORD, N. H. (UP) — New Hampshire, a Republican stronghold for many years, wasn't always a joy to the GOP. During Franklin Pierce's term as president, the Democratic party lost control of New Hampshire. Pierce was a native of Hillsborough.

Wheat Quota Issue To Have Political Angle

WASHINGTON (AP)—Farm leaders said today wheat growers east of the Mississippi River apparently hold the key to a nationwide economic vote with strong implication for next year's congressional elections.

It is the referendum tomorrow on the question of invoking rigid marketing quotas on the 1954 wheat crop.

Reports received by headquarters of the National Farmers Union and the National Grange indicated opposition to quotas was fairly strong in Pennsylvania, Ohio, Indiana and Illinois.

The quotas require the approval of at least two-thirds of the growers voting. Thus a minority of growers could defeat the control program. Its defeat would bring government price supports down from an average of about $2.20 a bushel to about $1.22.

Production controls have never been popular among wheat growers, although they have never failed to vote them when the question was submitted.

Ohio's vote in 1942 was 10,342 for and 7,545 against, or 57.8 per cent in favor of quotas.

Firemen Learn Hard Way To Fight Smoke

COLUMBUS, Neb. (UP) — Firemen outdid themselves when a practice session unexpectedly came close to the real thing.

Methods of gas transport firefighting were being practiced by the department. A protective screen of fog streams were set up at the practice location to prevent radiated heat from spreading.

Two smoke bombs were set off for realism. But when the smoke came into contact with the fog it stayed down instead of going up. Four square blocks were blanketed so thickly with smoke that motorists dared not move.

Fire Chief Mike Novivki said it was unexpected but had its virtues.

"This happening," he said, "gives a good lesson on what to do when a fire is causing heavy smoke."

Court Asked To Rule On Engagement Ring

OKMULGEE, Okla. (AP)—A district court is going to have to decide whether or not a girl who accepts an engagement ring may keep the ring even though she does not go through with the marriage.

Mrs. Hilda Helen Grant, in her court suit, said that Mrs. Dorothy McCrindle, a divorcee, had "wrongfully retained the ring."

Mrs. McCrindle became engaged to Mrs. Grant's son Harold and he gave her a one-carat diamond.

ISSUE MARRIAGE LICENSE

UPPER SANDUSKY — A marriage license has been issued in probate court to Guy J. Schroeder of Leipsic, farmer, son of Frank Schroeder, and Karis M. Riedel of Sycamore, daughter of Layton Riedel.

Boys, Girls Enjoy Outdoor Activities in Day Camp

Program Features Trips To Points of Interest, Swimming Parties

YMCA Day Camp for a group of some 40 youngsters concludes Friday and the fourth and final camping period will begin the following Monday.

Children of the third camping period visited and appeared over 'Shoot The Works," WLW-C television program, Monday afternoon. A week previously, the youngsters visited the Ohio State Museum and later enjoyed a swim.

There are vacancies for five more boys or girls for the final period. Trips scheduled for this session include one to The Olentangy Caverns Monday and on Aug. 24, to the Columbus Zoo. Swims will follow both trips.

The first period began July 6 with the group of youngsters visiting the Ohio State Capitol and later swimming. On July 13, they went to the Columbus Zoo. Youngsters enrolled in the second period went to the Indian Museum and visited the Port Columbus Air Port.

—:—

THIS IS THE third consecutive year of Day Camp sponsored by the Marion YMCA. For the three periods, 121 day campers have been enrolled and 34 boys and girls have pased the swim test. A total of 161 campers will have enrolled in the program after the final period from Aug. 17-28.

Activities of the camp include swimming, trips, nature lore, camp craft, cooking, hiking, sports, Indian lore, lishing, fire making, group games, handicraft and parents night.

Regular parents night is held every Thursday night at Mt. Gilead State Park. Day campers meet with their parents, families and friends at the camp site. The evening of fun and fellowship begins at 5:30 p.m. and parents bring picnic lunches. For those not having transportation to the park, the Y bus makes the trip to Mt. Gilead and back.

Each period includes ten camping days, with seven and one-half hours in each day. Monday through Friday. The Y bus leaves the YMCA with the campers each day at 9 a.m. and returns to the Y at 4:30 p.m.

THE DAY CAMP program, for girls and boys from 7-12, was organized so that boys and girls might learn better the fundamentals of living as citizens in a Christian society. Day camping emphasizes reverence for God, appreciation of the great out-of-doors, satisfactions of vigorous health, responsibility to a group, social satisfaction and the application of the Golden Rule. All activities are set within the abilities of each age group.

Registration fee for the program is $3 and the total fee is $11 for Y members and $13 for others. The total fee includes insurance. This is only one phgase of the YMCA camping program. Each year, boys are sent to Nelson Dodd Resident Camp at Brinkhaven, O., and girls to Camp Pittinger at McCuthenville, O.

Chairman of the Day Camp committee is Rev. Ashley Booth, pastor of the Central Christian Church. Other members are Walter Grumblatt, Mrs. Robert Fay, Mrs. Robert Byrd, Miss Helen May and Jack Wies.

The staff is headed by Dean Ludwig, camp director. Hank Rinnert is boys counselor and Carol Sparks is girls counselor. Dwight Haas is junior counselor and Marvin J. Ludwig is camp executive. Linda Schwab and Nancy Byrd are junior counselors.

A GROUP OF MARION YOUNGSTERS are shown before boarding a bus to begin another day of YMCA Day Camp, which is being sponsored for the third consecutive year by the Marion YMCA. Consisting of four periods, the camp's final two-week session begins Monday. Campers visit points of interest in Ohio once each week and hold regular swimming se ssions.

Morral Church Women Give Mission Program

Mission work was presented when the Morral Methodist WSCS met recently. Mrs. Hiram Baker was the hostess. Call to worship was by Mrs. Baker, and Scripture and prayer by Mrs. Wilson Massie. A dialog on conversation of women workers in Calcutta was by Mrs. Robert Campbell, Mrs. Clyde Forry, Mrs. Wayne Scott, Mary Ann Forry and Judy Campbell.

Mrs. Forry was program leader and she gave introduction to the topics concerning mission centers which were presented by Mrs. Massie, Mrs. Kay Miller, Mrs. F. R. Loomis, Mrs. Wade Wright, Mrs. Darius Washburn, Mrs. John Shifflet, Mrs. J. T. Yocom, Mrs. Harry Hall, and Mrs. Wayne Scott. Mrs. Forry gave comments on "thank offering Sunday at Gekuki Church. Chapter review from "Along the African Path" was by Mrs. Hall. It was reported that $350 has been given by the society toward the parsonage building fund.

IN THE SERVICE

Pvt. Anthony J. McCarthy Jr., 20, whose parents live near New Washington, O., recently joined the 2nd Infantry Division in Korea. Pvt. McCarthy, a tank crewman, entered the Army last December and completed basic training at Ft. Knox, Ky. He was graduated from New Washington High School and an employe of the North Central Egg and Poultry Co. before entering the service.

—:—

Pfc. George E. Strohm, son of Mr. and Mrs. Fred Strohm of New Washington, O., recently graduated from the U. S. Army Engineer School at Murnau, Germany. He received training in the care, maintenance and operation of 18-foot power boats used in bridge building by the Corps of Engineers. In Europe since last November, Pfc. Strohm is a truck driver with the 17th Armored Engineer Battalion at Dexheim, Germany, and wears the Army of Occupation Medal for duty in Germany. He entered the Army in June of 1952 and completed his basic training at Ft. Knox, Ky.

—:—

Pvt. Arthur H. Dudley, 20, son of Mr. and Mrs. Harold D. Dudley of near Cardington, recently joined the 2nd Infantry Division in Korea. A heavy-weapons infantryman, Pvt. Dudley entered the Army in January and completed basic training at Camp Breckinridge, Ky. He was graduated from Cardington High School and was employed by the Howard Phillips Construction Co. of Sunbury, O., prior to entering the service.

—:—

Cpl. Robert L. Stidham, son of Mr. and Mrs. Lee Stidham of Richwood, recently spent five days in Japan on a rest and recuperation leave from the 25th Infantry Division in Korea. At one of the Army's Japanese leave centers, he was served a big steak dinner and completely outfitted with clean, freshly pressed dress uniforms before beginning the rounds of shopping, sightseeing and enjoying the many luxuries not available in Korea. A member of Company A of the 65th Engineer Combat Battalion, Cpl. Stidham attended Richwood High School.

—:—

M/Sgt. Richard Brooks, who is stationed at the Marine Base at Le-June, N. C., is ill of tonsilitis and malaria in the base hospital, word received by his parents, Mr. and Mrs. William Brooks of near Marion, states. He returned in February this year from Korea where he served with the Marine Corps for a year.

No Smoking on Bus Too Much for Kansan

TWIN FALLS, Idaho (AP)—Henry Chartier, 76, Emporia, Kan., complained all the way from Salt Lake City to Twin Falls because he couldn't smoke on the bus.

As the bus stopped here yesterday, passengers told police, Chartier said, "If I can't smoke I might as well end it all," and shot himself in the head.

Coroner Jay Woodson Creed termed it suicide.

Crawford Reports First Polio Case

Special to The Star

BUCYRUS — First reported polio case in Crawford County this year was disclosed today with the illness of Larry Heid, 11, son of Mrs. Walter Heid of Bucyrus.

The boy became slightly ill last Friday and his condition became worse Monday. He was removed Tuesday to Children's Hopital, Columbus, where his illness was diagnosed as polio. The type of polio is not definitely known yet, pending a complete diagnosis.

What this country needs is a good cake of toilet soap ...for five cents!

Isn't it time that someone brought out a cake of soap with no nonsense about it? One that doesn't promise to make a new woman of you? That doesn't pretend to get you a husband! That won't work a single miracle!
Isn't it time for a cake of mild toilet soap that just gets things clean? Gets your face clean. Gets your hands clean. Gets the kids clean.
A cake of soap that gives a rich, creamy lather in any kind of water. That floats in the bathtub. That smells nice, but not too nice.
Why pay a high price for a soap like that? Today you can buy a cake of the new white, fragrant, floating Swan Toilet Soap for just five cents. Five cakes cost you about the same as three cakes of other leading toilet soaps.
You may have regular Swan at home now. But this is a completely different Swan—in fragrance, size and price. This is Swan Toilet Soap.
We don't offer any premium with this wonderful new Swan. We don't think it's necessary. We believe that you and all your family will enjoy it. And we at Lever Brothers back up our belief with a money-back guarantee.

Completely New! A new floating Toilet Soap with a new fragrance—at a new low price!
5 cents—couldn't be better soap if it cost five dollars!

Ford To Build Big Plant on Site Sold By Erie Subsidiary

CLEVELAND—Ford Motor Company has signed an agreement with an Erie Railroad subsidiary to purchase 177 acres of land owned by the railroad at Mahwah, N. J., for the construction of the biggest plant in the entire Ford Division for the assembly of Ford passenger cars and trucks, the railroad announced today.

The new plant will be served exclusively by the Erie Railroad. The property, located adjacent to Suffern, N. Y., 21 miles northwest of the George Washington bridge and 14 miles north of Paterson, N. J., was purchased from the Erie Land Improvement Co. The Erie is proposing to build switching yard facilities for 500 cars to serve the huge plant.

H. W. Von Miller, Erie vice president who handled the negotiations for the Erie with the Ford people, said, "According to Ford's present plans, this will be the largese industrial plant ever to locate on the Erie Railroad, and should be a big revenue producer for us when it is in full operation."

MAIL VISIT

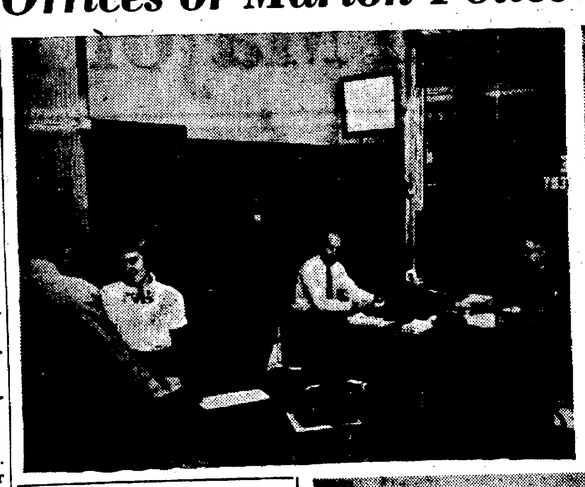
MARQUETTE, Mich. (UP)—Officials at Marquette State Prison asked an inmate why he carefully dusts and mops his cell, then shaves and puts on freshly laundered clothes, every Monday and Friday. "I always clean up for a visit from my wife," he explained—then sat down on his bunk and opened her latest letter.

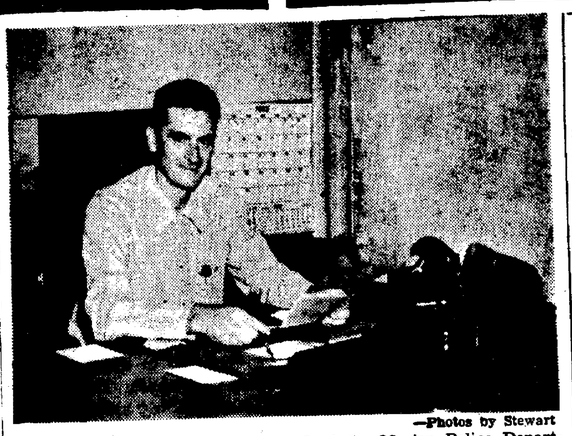
WARM BEER

HUNTINGTON, W. Va. (UP)—Making a routine check of a local restaurant which was closed, Patrolmen John Ferguson and Claude Jarrell spotted a fire inside. They forced their way in and emptied a fire extinguisher without success. They put out the blaze by pouring buckets of beer on it.

Ice and water can each exist at 32 degrees Fahrenheit, and if a mixture of the two is heated uniformly, the temperature will not rise until the ice is all melted.

Offices of Marion Police Department Remodeled





—Photos by Stewart

RECENTLY REMODELED ROOMS of the Marion Police Department in the Eagles building are pictured here. The changes were made to allow for an expansion of the traffic bureau and to increase the efficiency of the department.

UPPER LEFT: A "customer" comes to the traffic bureau to pay a traffic ticket to Miss June Thiel, traffic ticket clerk. At their desks are Patrolman Z. G. McClenathan, who is in charge of the traffic and records bureau and identification officer, and Mrs. Irene Gantt, records clerk. This room formerly was divided into two rooms.

UPPER RIGHT: Radio dispatcher John Richardson transmits a radio message from the police department's new radio room. Standing at the "Information" window is Patrolman Edward H. Hoffman. This window faces toward the door leading into the city prison cell blocks and is at the corner of the hallways in the building. The room was formerly used for storing lost and found items.

BELOW: Police Chief Tom Coon is shown at his desk. One of two doors in this office leading into the records bureau office was sealed off in the remodeling program. Another recent improvement to all police department offices was installation of exhaust fans and air ducts to provide better air circulation.

N.Y. Stock Quotations

NEW YORK (AP)—The stock market advanced today in a rather modest way with leadership concentrated in a few key areas.

Gains ran to between 1 and 2 points in a few instances. Most gains, however, were small. That also held for losers.

Coppers, aircrafts, and building materials were higher but without too much activity. Other areas of the list such as railroads, steels, motors, chemicals and oils, were steady to mixed.

Higher stocks included Union Pacific, Johns-Manville, Consolidated Edison, Kennecott Copper, Allied Chemical, General Electric, and Texas Pacific Land Trust.

Power Hitters on Rampage in Major League Races

Ray Boone Smashes Fourth Grand Slam To Tie Record

By BEN PHLEGAR
AP Sports Writer

The major leagues are two thirds of the way through a fence-busting campaign that threatens to endanger a flock of modern home run records.

At least five already have been equaled or broken. The National League is well on the road to a new all-time total mark. Eddie Mathews of Milwaukee is keeping close to Babe Ruth's 1927 pace—the year the Babe clouted his never equaled 60.

One mark was tied and one surpassed last night.

At St. Louis, Ray Boone hit a bases-loaded homer in the ninth inning, providing the winning margin as Detroit beat the Browns 7-3. It was his fourth grand slam drive of the season, tieing a major league record shared by nine other players including Ruth (in his Boston Red Sox days of 1919), Lou Gehrig and Ralph Kiner.

At Washington, Yogi Berra homered in the first inning of the New York Yankees' 22-1 landslide against the Senators for the Yankees' 100th homer of the season—the 30th year since 1920 that the Yanks have hit 100 or more. No other club comes close to this all-time mark.

The other records equaled or erased this season include:

Most season of 100 or more homers by a National League club—22 by the New York Giants, who have 122 to date. (Old mark: 21 by the Giants.)

Most homers in five consecutive games—20 by the St. Louis Browns. (Old mark: 17 by the Yankees.)

Consecutive home runs in an inning—3 by the St. Louis Browns (equals a record held by numerous teams).

Grand slam home runs played vital roles in two National League games yesterday. At New York, Duke Snider of Brooklyn blasted his second bases-loaded drive in three games as the Dodgers came from behind to nip the Giants 6-5. And at Chicago Andy Seminick cleared the bases with a homer in the ninth for the winning margin as Cincinnati whipped the Cubs 10-6 in the first game of a doubleheader. The Cubs won the second, 3-1.

The Yankees' lop-sided victory increased their league lead to seven games over the Chicago White Sox, who lost to Cleveland 7-4. Boston beat Philadelphia 3-2 in 10 innings.

Milwaukee clipped half a game off Brooklyn's lead—now seven games—by winning a double-header from St. Louis 8-2 and 5-3. Robin Roberts became the first pitcher of the season to win 20 games as Philadelphia beat the Pittsburgh Pirates 8-4.

In their last dozen games Washington pitchers had yielded only 16 runs. The Yankees smashed this mark to bits with a 28-hit barrage, highest in either league this season. New York ran the score to 22-0 before Washington pushed across its lone run in the eighth inning off young Steve Kraly.

The White Sox put on one of their patented late-inning rallies to pull ahead at Cleveland in the eighth. But the Indians staged a rally of their own, getting four runs in the bottom of the eighth to win.

VFW Nine Eyes Clincher for Pony Loop Title

VFW, first round Pony League champs, moved a step closer to the second round title by smashing G & G Builders 8-1 after Alloy Cast Steel scalped Clark Metal Products 15-7 in the opener of the Pony League baseball program Wednesday at Lincoln Park.

Tonight, Alloy clashes with VFW and Clark meets G & G. A contest Friday between G & G and Alloy closes the Pony League season.

VFW had little trouble with G & G as Dave Gallimore held the losers to six hits while fanning 16. His mates backed up his performance with a seven-hit attack, featured by Larry Coy's triple and single and Roger McCombs' double and two singles, and Larry Gamble's and Gallimore's doubles.

Butch Simpson was the G & G hurler. He struck out 17. VFW jumped on him for two runs in the second and added three runs in the fifth and sixth frames.

Simpson tripled for the losers, who scored their only run in the second frame when they bunched three hits.

Alloy used two big frames, the sixth and seventh when it scored five and six runs respectively, to crush Clark Metal. The losers had scored five times in the second to take a 5-1 lead and led 6-4 before the roof caved in.

Harris started for Alloy and Sanders relieved him in the second. Clark Metal managed six hits off their offerings but Alloy clubbed out 13 hits against the slants of Kurz, Watt and Burns.

Williams had three hits for the winners. Banging out two hits were Rice, Barrett, Sanders and Jay. One of Barrett's hits was a three-bagger. Also tripling was Middleton of the losers. Burns homered in the second and later collected another hit for the losers.

Softball Schedule

THURSDAY

Schedule to be announced on Wednesday.

Toledo Bows, Drops Game Off AA Pace

By The Associated Press

Louisville pried a one-game gap over Toledo in the torrid American Association pennant race last night by defeating Charleston 8-4 while the Sox were losing 6-4 in an 11-inning spree with the St. Paul Saints.

St. Paul used 19 players and smashed 19 hits to down Toledo.

In another marathon, Indianapolis shaded Minneapolis 3-2 in 14 frames.

Kansas City produced three runs in the 12th inning to defeat Columbus 8-5 after coming from behind with four in the ninth.

Lancaster Fills Post

LANCASTER, O. (AP)—John McVay; former All Mid-American Conference center, has been named Lancaster High School assistant football coach, Supt. Paul Wenger announced yesterday.

The 22-year-old Massillon man who captained the 1952 Miami University eleven, succeeds Bob Payne, who was appointed North Elementary School principal.

SHORT SPORTS

By John Short

SHORT

A handfull of Carey residents are winding up a year-long project this week very satisfied with the outcome. The group is the persons who have worked unceasingly in behalf of Carey's Little League baseball program.

The Carey team is ending its season and will play host to Adrain, Mich., Saturday for a doubleheader. It will mark the beginning of a series of games between the two cities. The games are scheduled for Carey's Memorial Park with the first game set for 6:30. The nightcap will get under way around 8 p.m.

The program was started last spring by a small group of men and has grown rapidly under the men's guidance. The group sold 24,000 pounds of fresh pickerel to obtain funds to start the operations. The fish were purchased and the men helped in cleaning and selling them to residents of the area.

Funds obtained from the fish sale were used to buy uniforms and other equipment for the team. Lou Buckingham, one of the group, said the team was interested in booking games with other Little League teams from the Marion area.

—:—

BACK TO WORK. Pete Howison, head football coach at Harding High School, is attending classes this week despite the fact he is away from the Ohio State campus.

Pete has been continuing his graduate work at OSU since the end of school but this week is the annual football coaches clinic held in conjunction with the North-South high school grid contest. The game itself is scheduled for Friday night. Jim Lawler accompanied Pete to the Canton clinic.

—:—

VERIFICATION. A bartender in a local business place was a little surprised this week when a man, apparently with a clear head, called him for the Cleveland Indian score.

The man was told the Tribe was trailing the White Sox by a 6-2 count. His reply was, "Thanks. That's what my radio says too."

Last Marion Squad Ousted In Tournament

Gorman - Rupp of Mansfield whipped Smitty's All-Stars 3-1 in a semi-final tournament game Wednesday night at Galion. In the other games played Garber Printers dropped Faultless Rubber out of the tournament with a 4-2 rubbing. Both teams are from Ashland. Friday night at Galion's East Park Garber Printers will play Gorman-Rupp for the district tournament championship.

In the Smitty - Gorman-Rupp game no walks were given by either pitcher in a hurler's battle all the way. Bob McKeever pitched for Smitty's striking out two and Fred Zahn did the hurling for Gorman-Rupp fanning four. An error and a fielder's choice set the stage for Pete Campbell's long fly that went for a home run when Mulvaine slipped chasing it. Giving Gorman-Rupp a two-run lead in the first inning.

Smitty's put men on third in each of the first four innings and finally scored in the fourth when Ed Young doubled, went to third on an infield out and came home on an error. Gorman-Rupp scored again in the fifth for the two-run margin.

Max Roseberry was the hitting star for Smitty's with a triple and a single in three times at bat. He reached third both times. Two bunts and a three-base error gave Gorman-Rupp their run in the fifth.

HELICOPTER COPS THE RICHEST HAMBLETONIAN. Here are $63,126.59 worth of smiles following the triumph of Helicopter, a three-year-old filly, in the Hambletonian, world's richest trotting race, in Goshen, N. Y. Helicopter, daughter of 1947 winner, Hoot Mon, won the second and third heats. The race had a gross value of $117,117.98, richest trotting race ever held. In the happy group are (from left) Mrs. Elgin Armstrong; Edwin Armstrong; Helicopter; driver Harry Harvey and Elgin Armstrong. The Armstrongs are the owners.

Finishes 17th in 1st Heat

Helicopter Wins Trotting Classic; Two Ohio Horses Come in Third and Fourth

GOSHEN, N. Y. (AP)—A 29-year-old Vermont farm boy, who seven years ago literally begged for a job, today was the toast of light harness horse racing after driving a finely tuned filly to victory in the richest of all Hambletonian stakes.

Harry Harvey brought the Canadian-owned Helicopter home first in the second and third heats of the $117,117.98 buggy whip derby yesterday at Good Time Park to become the youngest driver ever to win the classic.

And in winning the third and deciding heat, Harvey beat 71-year-old Tom Berry, the man who finally tired of discouraging the youngster and gave him a job. Five years with the old master and Harvey switched to a job as fourth string driver with trainer-driver Del Miller.

The New England horseman won the second mile in 2:02 4-5 and the third in 2:02 3-5 to win the $63,126.59 purse.

Helicopter, daughter of Hoot Mon, 1947 Hambletonian winner and ninth filly to win the classic, was purchased as a 2-year-old for $7,500 by the Canadian road-building brothers, J. Elgin and C. E. Armstrong of Brampton, Ont., from Miller and the latter's partner, Johnny Simpson.

Morse Hanover turned in the fastest time of 2:01 3-5 in winning the first heat for W. C. Evans' Milkway Farm of Rockville center, N. Y.—a heat in which Helicopter wound up 17th in the record field of 23 three-year old trotters.

In winning the third mile, young Harvey beat out Berry, driving Kimberly Kid for Leonard Buck's Allwood Stable of Far Hills', N. J., and but for a break in stride near the finish, Berry might have beaten the man to whom he gave a job after receiving a half-dozen letters and answering none of them.

Second money of $22,955.12 went to Morse Hanover. Third share of the purse, $13,773.07, was won by Margaret Critchfield's Singing Sword of Wooster, Ohio, with Miller handling the reins. Singing Sword wound up second in the first mile and third in the next two.

Elby Hanover from the Saunders Mills stable of Toledo, Ohio, was fourth in the final standings with a 7-2-4 finish. Fifth went to Kimberly Kid who was 8-5-2. Newport Star, pre-race favorite, had to be content with sixth after finishing 3-4-6.

DIES AT MANSFIELD

MANSFIELD, Ohio (AP)—Glenn L. Bierly, president and treasurer of the Mansfield Brass and Aluminum Co., died yesterday at 55. He was a past national president of the 37th Division Assn. and battalion commander of the Ohio Defense Corps from 1950 to 1952.

Detroit's Jim Delsing Hit by Brecheen Pitch

ST. LOUIS (AP)—Detroit outfielder Jim Delsing, struck with a pitched ball in the fourth inning of last night's game with the St. Louis Browns, was resting comfortably and "doing well" at Jewish Hospital today.

Veteran southpaw Harry Brecheen tossed the pitch that felled the 27-year-old former Brownie.

The hospital said he suffered a minor cut over the left eye, adding that X-rays showed he had not suffered a concussion.

Redlegs Divide Twinbill With Chicago Cubs

CHICAGO (AP) — The Cincinnati Redlegs played an ace yesterday in trying to sweep a doubleheader from Chicago, but the Cubs promptly trumped it to divide the twin bill.

The ace was southpaw Ken Raffensberger, who ordinarily has no trouble beating the Bruins. But it wasn't Raffy's day and the Redlegs lost, 3-1, after taking the opener, 10-6, on the strength of Andy Seminick's grand-slam homer in the ninth.

Bob Rush was the winner for Chicago in the finale, although he allowed nine hits.

Harry Perkowski started the opener for Cincinnati and gave up two runs in the first inning and another in the second o Clyde McCullough's homer. The Redlegs tied it up at 3-all in the third on doubles by Roy McMillan and Bobby Adams, a single by Perkowski, Dee Fondy's bad throw to the plate and Ted Kluszewski's fly.

Chicago and Cincinnati exchanged two-run innings before the Cubs took a 6-5 lead in the eighth.

The Redlegs clinched the game in the ninth, however, before John Klippstein could retire a man. Gus Bell opened with a double and scored the tying run on Klu's single. Singles by Willard Marshal and Jim Greengrass loaded the bases, setting it up for Seminick's drive into the leftfield bleachers.

The Cubs scored early in the second game, too, picking Raffy for two runs in the second inning and adding an unearned run in the fourth on McMillan's error.

The lone Cincinnati run came in the sixth.

Lefty Fred Baczewski (6-2) of the Redlegs and Bruin Howie Pollet (4-4) are to start the final game of the four-game series today.

Marion Metal Clinches Share Of Loop Crown

After a week and a half of inactivity due to the District Softball Tournament in Galion, the local Softball program resumed action at Garfield Park Wednesday.

Marion Metal clinched a tie for second round honors in the Industrial League No. 2 by defeating Pollak 17-15. A win over the C & O next Wednesday will give the Marion Metal crew the championship of the second round.

The league leaders romped into a 4-0 lead and promptly blew it as Pollak countered with a total of 12 runs in the second, third and fourth frames. Trailing 12-9, in the sixth, the winners scored four times in the sixth and four in the seventh to notch their sixth straight win of the second round. The winners staved off a final inning rally of three runs. Davis, Marion Metal catcher, poled out two home runs and accounted for a total of four of his team's 14 hits. Hartley homered for Pollak in the third with two men on.

McMillen Feed dropped the C & O out of the running by handing the first round champs their second loss in five games by a 7-6 count. Troy Fennig singled in the winning run in the top half of the seventh inning after the C & O had rattled five runs over in the third inning to hold a 6-3 lead through five innings of play. McMillen's three runs in the fifth tied up the game and set the stage for Fennig's blow.

Baker Wood won a forfeit decision over the Phone Company in the first scheduled game.

KILLED NEAR DELAWARE

COLUMBUS, Ohio (AP)—Richard Cutler, 28-year-old Galena father of five, was killed last night when his two-seat airplane hit a high tension wire and crashed north of the Franklin - Delaware county line.

Brings 'World' Title

Patty Berg Appears Here Sunday for Match and Clinic

The famous redheaded golf champion, Patty Berg, will visit Marion and conduct a clinic at the Marion Country Club Sunday. Miss Berg will come to Marion from Chicago where she has just won the woman's professional championship of the 'World' golf tournament at the famous Tam O'Shanter Golf Course.

She will participate in an exhibition match with John Rife, Jack Stoddard and Mrs. Mae Frazier, Marion golfers.

Miss Berg, twice picked as Woman Athlete of the Year by the Associated Press, began golf when she was 16 years old and has been playing golf for 18 years. Because of her devotion to golf she has traveled the entire country 13 times giving clinics and playing exhibition matches.

Pros and amatuers often refer to Patty as 'Mother' and it is not an unfamiliar sight to see 'Mother Berg' on the practice tee with one of her brood just before she herself personally tees off during a championship match. This accounts for the reason she covers nearly 50,000 miles every 11 months and due to the fact that she has a wonderful sense of humor.

She organized the Women's PGA in 1949 and served as president during the formative years. She recently resigned because the organization "needs new life."

A severe appendectomy, a hitch in the Women's Marine Corps and an automobile accident in 1941 have interrupted her career but despite all barriers Patty has proved herelf a champion.

In 1952 she won the New Orleans Open and the New York Weathervane, finished runnerup in the World Championship, tied for second in the Betty Jameson Open and took third in the Eastern Open. Her spare time is devoted to radio, television and personal appearances, in her leisure time she enjoys fishing. She is a member of the St. Andrews Country Club at St. Andrews, Illinois and likes to sing along with golf.

No admission will be charged at the Country Club course.

PATTY BERG

Troy Coach Returns

TROY, Ohio (AP)—Norm McAtee, who resigned as coach of the Troy Bruins last season after his second place team showed poorly in the International Hockey League playoffs, has signed to coach the Bruins next season. It will be McAtee's third year with the team. Troy will begin training at Niagara Falls Sept. 28.

Tennis World Fears Upsets By Newcomers

NEWPORT, R. I. (AP)—Almost every season there is one tournament on the grass courts circuit that the big boys take their lumps from the unknowns.

This year, it could be Newport, and many of the top-ranked stars were looking ahead to today's third round with more than a little anxiety.

Tony Trabert, Barnard Bartzen, Straight Clark, Ken Rosewell and Rex Hartwig all had to stagger through three sets before downing their opponents in the second round yesterday. More important, none of their rivals was supposed to throw up more than token resistance.

Trabert, who is being counted on by the United States Lawn Tennis Association to help bring the Davis Cup back to the United States, had to come from behind to defeat Luis Ayala of Chile 2-6, 6-2, 6-3.

The University of Cincinnati student still is rusty from his hitch in the Navy. Today he bumps into Jacques Grigry, a self-confident youngster who pulled the only genuine upset yesterday when he waylaid Australia's Clive Wilderspin 4-6, 7-5, 6-3.

Bartzen, an ex-Army sergeant from San Angeleo, Tex., beat Cliff Mayne, the University of California's No. 1 player, 9-7, 3-6, 6-3, Mayne was within a point of winning the first set.

Clark staggered past Francisco (Pancho) Contreras of Mexico 6-1, 4-6, 8-6; Rosewall had to go all out to turn back Atsushi Miyagi of Japan 6-3, 2-6, 6-3; and Hartwig edged Gil Shea of Los Angeles 6-3, 6-8, 6-2.

Eighteen-year-old Rosewall, the Aussies top player, tangled with Grant Golden of Wilmette, Ill., who dumped Bob Perry of Westwood, Calif., 6-4, 6-1, in his next encounter.

Vic Seixas, Trabert's Davis Cup partner, knocked out Mexico's Rafael Ortega 6-1, 6-0. He plays Sid Schwartz of Brooklyn in the third round.

Other top matches today pit Clark against Danish Champion Kurt Nielsen, Intercollegiate Champion Hamilton Richardson of Baton Rouge, La., against Australia's Ian Ayre, and Mervyn Rose of Australia against Hal Burrows of Charlottesville, Va.

TWO DRIVERS ARRESTED

State highway patrolmen from the Marion station made two arrests Wednesday. Arrested were: Mary Taylor, 23, of Jerseyville, Ill., passing on the yellow line, fined $10 and costs by Justice of Peace R. R. Bennington at Mt. Gilead; Gerald G. Rodgers, 56, of Baldwin Park, Calif., passing on the yellow line, fined $10 and costs by Bennington.

Turner Kayoes Fuentes, Wants Chance at Title

By JACK HAND

NEW YORK (AP)—Gil Turner, a sensational one - punch knockout winner over Ramon Fuentes, is willing to bide his time, waiting for another title shot at Welter Champ Kid Gavilan.

Turner probably will have to take his place in line, anyhow, for it is reported that Gavilan will defend next against Carmen Basilio at Syracuse Sept. 18. No official announcement has yet been made.

"We're willing to wait six months, even a year, if necessary,' said George Katz, Turner's manager, last night at Madison Square Garden after Gil's KO win in 2:49 of the fifth round.

"The cut over his left eye will keep him out for about a month," he said. "And I hear Johnny Bratton has been promised the title shot. The kid is learning how to pace himself, getting a little more power in his punches. He's just a kid and he's getting better all the time."

The Philadelphia Negro said he followed his battle plan for the knockout, waiting for "just one shot."

"I never knocked anybody out with one punch in my life," he said. "Funny thing, it was easy. Just like I worked it in the gym."

Turner flattened the Los Angeles lad with a long right hand to the "button" just when he seemed to be hard pressed in the fifth round. Two officials had Gil out front but Judge Arthur Susskind saw it even 2-2 going to the fifth. Referee Ruby Goldstein had 3 for Turner and 1 even and Judge Frank Forbes saw Turner on top 3-1.

A small crowd, estimated at 2,500 with $7,000 receipts by the International Boxing Club, saw Fuentes bother Turner as they fought head to head until the sudden ending. It was the second time the 27-year-old Fuentes had been stopped in 24 pro fights. Turner kept banging away to the body until he got his opening.

Turner, stopped by Gavilan last year in 11 rounds in a title bout, added to his prestige by knocking out Fuentes, who went 10 with the Cuban Keed as recently as July 15.

Practice Calls Herald Approach of Grid Campaign

Local Schools To Open Drills Next Thursday

Marion's high school gridders will begin prepping for the 1953 grid campaign one week from today. Pete Howison at Harding and Ray Robbins of St. Mary today issued practice calls for Aug. 20.

Howison reported his hopefuls would report for physical examinations Monday at 8:45 a.m. at the new Harding High School. Equipment will be issued on Tuesday and Wednesday with around 60 boys expected to report for the first session Tuesday.

Thirteen lettermen will return from last year's squad. The letter winners include five seniors and eight juniors. Pete will open the season with a new crew of assistants. Jim Lawler, former Vernon Junior High School mentor and now cage coach at Harding, will handle the backs. Al Beach, former All-Ohio star from Harding, will be in his first year with the Harding staff and will work with the centers and guards. Lou Ralston and Don Kay will drill the ends.

Nine Games Slated

The Presidents will open a nine game season Sept. 18 when they travel to Columbus West. The remainder of the schedule follows: Sept. 25, Bowling Green; Oct. 2, at Tiffin Columbian; Oct. 9, Fostoria; Oct. 16, Columbus Central; Oct. 22, at Findlay; Oct. 29, at Ashland; Nov. 6, Fremont; and Nov. 13, at Sandusky.

Bowling Green, Tiffin, Fostoria, Findlay and Fremont games will be Buckeye League encounters.

Robbins expects around 50 prospective gridders to report for the first sessions. His boys will report next Wednesday, Aug. 19, at St. Mary School for physical checkups.

The first drills will be held the next morning at the St. Mary athletic field on E. Farming St. Ninny Irvin will assist Robbins with the squad members.

The Irish will be playing in a brand new high school league this year in both football and basketball. The Mid-Ohio Conference was formed last winter by representatives of Class B schools in this area. Four other schools will be competing in the circuit. They are Elm Valley, Cardington, Mt. Gilead and Richwood.

Irish Open in Preview

The Irish will see their first action in the annual preview Sept. 11 at Fostoria. The actual schedule will be opened at home on Saturday, Sept. 19 against Cardington in a league game. The other game dates follow: Sept. 26, Lima St. Rose; Oct. 3, Mt. Gilead; Oct. 9, open; Oct. 16, at Columbus St. Mary; Oct 24, Richwood; Oct 30, at Carey; Nov. 7, Mansfield Madison; and Nov. 13, at Elm Valley.

The five home games are all scheduled for Saturday night.

Both the Prexies and the Irish will work two periods a day until the start of the school, the coaches said.

Four coaches in the Marion County school system will also greet their gridders for the first time next week.

LaRue, Claridin and Caledonia will be shooting again for the six-man Double-M League title along with Waldo which this year makes its first start in football action.

Lions Favored To Edge Stars; Expect 90,000

CHICAGO (AP)—The defensive ability of head Coach Bobby Dodd's collegians should be the main factor of success or failure against the professional champion Detroit Lions tomorrow night.

The outcome of the All-Star football game, as far as the underdog college graduates are concerned, rests with their effectiveness in stopping the likes of Pat Harder, Bob Hoernschemeyer, Doak Walker, Bobby Layne, Cloyce Box and Leon Hart.

If the collegians can do it, they will have accomplished more than most National Football League teams last fall when the Lions had an overall record of 17 victories in 20 games in winning the pro crown.

The odds-makers think it's too much to ask of the collegiate group. They rate the Lions a two-touchdown favorite.

A crowd of more than 90,000 is expected in Soldier Field for the annual classic. The game also will be broadcast (Mutual) and televised (Dumont).

LEAGUE RESUMES ACTION

Industrial League No. 1 will resume action tonight, Vern Miller, softball commission secretary, announced. The league suspended action during the district tournament at Galion. Huber will meet Engineer Depot in the opener at 6:15 with Ocso tangling with Marion Power Shovel at 7:30. The 8:45 tilt will send Marion Industries against Universal Cooler. Erie AA and Alloy Cast Steel will play at 6:15 at McKinley Park.

Ready To Trade

Durocher Signs New Pact, Sets Sights on 1954 Season

By JOE REICHLER

NEW YORK (AP)—Fortified by a new two-year contract, Manager Leo Durocher said today he was prepared to trade any of his star players if it meant improving the club for 1954.

The fiery little skipper, dismayed by the midsummer collapse of the Giants that, to all intents and purposes, eliminated them from pennant contention, cautioned that he was not planning anything drastic but . . .

"There is not a man on this club who is indispensible," he said. "There is nobody I wouldn't trade if I thought that by doing so it would help us achieve our aim.

"Right now I have one goal in sight—a pennant in 1954. There are some good players on this team. Undoubtedly they'll be around next year. But you can bet there are several who won't be here. Naturally, I'm not going to mention names, but those fellows know whom I have in mind. It will be up to them during the remainder of the season to show me why they should be kept."

Durocher stubbornly refused to concede to Brooklyn, insisting that "anything can happen," but he knows this season has been a total loss. He will be aiming at rebuilding for next year."

"Naturally, we think we're going to do better next year," he said. "First and most important, Willie Mays will be back. His return not only will strengthen us materially but undoubtedly will give the rest of the club a tremendous lift. When Willie left for the service in May of 1952, it seems he took a part of the team with him. You've got to know Willie and the effect he had on the rest of us to realize how much he means to the morale of a club."

The Giants' biggest problem, Durocher admitted will be pitching. The steady succession of injuries and ailments of such key moundsmen as Sal Maglie, Larry Jansen and Jim Hearn has all but ruined what was once the most skillful pitching staff in the National League.

"There are some guys I've got to find out definitely about," he said, "with special emphasis on the pitchers I've got to know whether the guys will be able to help us next year. Maybe some of them have outlived their usefulness at the Polo Grounds. Maybe they can't help us anymore. Maybe they won't fit into our plan. I intend to know about them one way or another before the season is over."

President Horace Stoneham, who absolved Durocher from all blame over the team's sad plight, said he would back Leo to the limit.

"We will not be satisfied with anything less than a pennant in 1954," he said. "We think we have the nucleus of a championship club right now. We got off to a wretched start and we've just never been able to get out of the rut. I am quite satisfied with the way Leo has handled the team. The fact that I gave him a two-year contract ought to show the confidence I have in him."

Giant players, to a man, lauded Stoneman's decision to renew Durocher's contract.

CRASH INJURIES FATAL

CINCINNATI (AP)—Wesley Oout-calt, 53, died in General Hospital last night of injuries received in a traffic accident Monday.

CONFERENCE AT HOME. Roy Campanella, Brooklyn Dodger catcher, looks to his wife for approval of his technique for changing a diaper on Ruthe, their two-week-old daughter. Standing are three Campanella boys: (left to right) Tony, 2; Roy Jr., 5; and David, 10. The Campanella's two other daughters were out of the house when picture was made in the kitchen of their home in St. Atbens, a New York suburb.

Closed Circuit Video Set Up For 2 Coaches

By FRITZ HOWELL

CANTON, Ohio (AP)—For the first time in history, a football game will be televised to a two-man audience tomorrow when the North and South squads, cream of Ohio's high school grid talent, clash on Fawcett Field.

Football coaches long have been banned to about the worst seats possible as they peer out over the crowned gridirons from their comparatively low level benches.

But Chuck Mather of Massillon, North coach, and Jim McDonald of Springfield, South coach, become the pioneer exceptions tomorrow as they each watch the annual All-Star classic on individual television sets. A set with a 21-inch screen will be in front of each bench so the coaches can get right up close—videowise—to the game.

What's more, the TV camera, perched atop the press box, will have a wide angle lense capable of bringing the entire playing field into focus.

And if the TV arrangement is plush, take a look at what the 50 players had for dinner last night:

Ninety pounds of dressed chicken, 70 pounds of potatoes, 180 ears of corn, 15 quarts of fresh fruit, 180 rolls, 15 pounds of butter, 15 heads of lettuce, six quarts of salad dressing, 45 quarts of milk and eight watermelons.

South enters the contest with the advantages of speed, scoring ability and precedent, having won four, tied one and lost two in the seven previous games. But the North holds aces to the count of an average 19-pound per man edge in the line.

Here are the offensive ineups for the game:

NORTH

Ends—George Kraft, Akron St. Mary's, and Bob Khoenle, Massillon.

Tackles—Ed Voytek, Cleveland Cathedral Latin, and Jim Geiser, Massillon.

Guards—Mike Schill, Akron Central, 19, and Bill Deibel, Canton Lincoln.

Center—Gus Del Rosa, Cleveland John Adams.

Quarterback— Leonard Dawson, Alliance.

Halfbacks — Willie Hernandez, Van Wert, and Jim Roseboro, Ashland.

Fullback—Lee Nussbaum, Massillon.

SOUTH

Ends—Bob Gainous, Springfield, and Ed Payne, Middletown.

Tackles — Donald Coleman, Zanesville, and Aurealius Thomas, Columbus West.

Guards—Dick Waters, Washington Court House, and Dorsey Blankenship, Middletown.

Center—Tom Dillman, Middletown.

Quarterback — Bob Lilienthal, Cambridge.

Halfbacks—Hubert Bobo, Chauncey-Dover, and Carl Smith, Washington Court House.

Fullback—Lee Williams, Springfield.

GUARDSMEN CAPTURE DESPERADOES. Objects of the biggest posse in Georgia's history, these two desperadoes, accused of killing a U. S. deputy marshal and kidnapping another guard, surrender to national guardsmen near Adairsville, Ga., less than a mile from the spot where they abandoned the car of deputy marshal Sam Vaughn, who was taking them to prison. The fugitives, Herbert Juelich of St. Paul, Minn., (left) and Lewis Larson of Butte, Mont., are charged with killing Vaughn and abducting George Hightower of Nashville, Tenn., who was not harmed.

Lady Physician Wins Tri-State Golfers' Crown

CINCINNATI (AP) — A pleasant-faced, young lady doctor fired seven birdies yesterday to wind up four strokes under par at Maketewah and win the Women's Invitational TRi-State golf championship.

An easy winner over a starting field of 140 was Dr. Jo Anne Whitaker of Winterhaven, Fla., now in residency at Children's Hospital here. The 26-year-old Floridian beat defending champion Betty Rowland of Lexington, Ky., by four strokes.

Dr. Whitaker toured the first nine holes with a par 39, and then she burned up the back nine with a four-under-par 35.

Scores of Ohioans included:

Marge Furginson, Hamilton, 63-61—124.

Helen MacGregor, Hamilton, 60-59—119.

Irene Carlin, Hamilton, 58-57—115.

Mabel Sutter, Hamilton, 54-50—104.

Indian Ceremonial Gets Under Way in Gallup

GALLUP, N.M. (AP)—Thousands of tribesmen from over the nation have invaded Gallup for the start today of the annual Intertribal Indian Ceremonial.

But instead of warpaint and weapons, they have brought their ancestral knowledge of ritual dances and fruits of their looms and jewelry hammers.

Cornwall, England, has been noted for its tin since ancient times.

35 Players Used

Four-Run Rally, Rhubarbs Mark Tribe Win Over Sox

CLEVELAND (AP)—Of all nights to stage an intentional television blackout for a baseball game, last night was not the night.

The Cleveland Indians' 7-4 victory over the Chicago White Sox was not televised in an effort to determine the effect of video on attendance. The result was only the 17,058 fans in the stadium saw one of the most colorful games of the season, featuring the ejection of two players, a near fist fight by two others and a cast of 35 players.

Not to mention Clevelands four-run rally which cinched the victory in the eighth inning.

The first rhubarb came in the seventh inning when Umpire Joe Paparella ruled Bob Avila safe after the second baseman hustled all the way home from second on an infield single by Larry Doby. Shortstop Freddie Marsh knocked down the ball and threw to Lollar at the plate.

When Paparella made the decision, giving Cleveland a 3-2 lead, Chicago pitcher Gene Bearden and Lollar protested loudly, and were tossed out of the game.

Jim Rivera's two-run homer put the Sox ahead, 4-3, in the eighth, and in the Indians' half of that inning the second warlike incident occurred.

A single, a walk and another single by Dale Mitchell, who homered earlier in the game, scored Cleveland run No. 4. Then Owen Friend, a pinch runner, was nabbed at home on Avila's tap to pitcher Harry Dorish. Friend insisted catcher Red Wilson juggled the ball, and umpires had to keep them from fighting it out.

Luke Easter kept the rally going with a single to center, and Wally Westlake, running for Mitchell, was safe when he bumped Wilson at the plate, causing him to drop the ball. Al Rosen singled in two more runs for good measure.

Chicago used 19 players and the Indians 16.

Cleveland's Mike Garcia opposes Virgil Trucks today in the rubber game of the three-game series.

QUAKE RELIEF VOTED

WASHINGTON (AP)—The American Red Cross today allotted $50,000 for the relief of earthquake victims in Greece.

The organization said $10,000 will be used to buy antibiotics for immediate air shipment to Greece. The other $40,000 will be used to purchase blankets for the homeless.

Yesterday's STARS

Pitching—Robin Roberts, Philadelphia Phillies, became the first major league pitcher this season to win 20 games, stopping Pittsburgh, 8-4.

Batting—Ray Boone, Detroit Tigers, hit his fourth grand slam home run of the season, tieing the major league record, as the Tigers defeated St. Louis 7-3.

Lockland City Auditor, Ex-Mayor Found Dead

CINCINNATI (AP)—The body of 67-year-old Frank Reed, city auditor and former mayor of Lockland, was found pierced by two bullets yesterday. A old .38-caliber revolver was under the body.

Coroner Herbert P. Lyle is expected to return a vedict today.

MAY VISIT HIS DOG

TULSA, Okla. (AP)—District Judge Elmer Adams has ruled Floyd Swabb, recently divorced, may visit his Boston bull terrier at intervals for three days at a time. His wife was awarded the terrier in the divorce action.

Earthquake Shakes Slumbering Town

TEHACHAPI, Calif., (INS) — It took an earthquake, one of the worst in California's history, to shake Tehachapi out of 100 years of sleepy living and the stigma of a prison town.

Prior to July 21, 1952 the Indian community, buried in the towering Tehachapi Mountains north of Los Angeles, was infamous as the home of the California State Prison for Women.

Today tiny Tehachapi has actually jumped its population from 1,500 to 2,300 and the rubble that made front-page newspaper pictures last July has been cleared in favor of a spanking new business district. Thirteen persons perished in the 'quake.

The mayor of Tehachapi, Gus Koutroulis, credited the rebirth of the town to:

"American faith coupled with a large amount of capital mixed with hard work and an optimistic forecast."

To date one million, 500 thousand dollars has been invested in Tehachapi building improvements with these results:

Down G street, where 12 buildins were destroyed and nearly 30 stores damaged, spanking new buildings line the litter-fed sidewalks.

The cornerstone has been laid and construction is under way on a new Masonic Temple — with the nearby Monolith Corporation, the community's biggest single industry — donating all the cement.

Another block of stores is planned for the now-cleared site where the Juanita Hotel, its wall sheared off and its beds dangling grotesquely over the street, once stood.

A $250,000 hospital with 32 beds will be erected on the present site where the 16-bed Tehachapi Hospital, made untenable by the 'quake, once stood.

And perhaps the most gratifying project of all, the old women's prison, its still-standing walls belying the dangerous hazards that forced the occupants to leave, will be entirely renovated and will become a new "Boys Town" for orphans.

As Mayor Koutroulis puts it:

"Tehachapi became world known for its shambles. It is now time to let people know that this is probably the most modern old town in the world today."

NATURALLY

DOVER, N. H. (UP)—Husbands balk at shelling out money for their wives' poll and head tax, according to Collector Edgar Bois.

WE CERTAINLY ARE PROUD OF OUR SON. HE'S DOING A FINE JOB AS A YOUNG BUSINESSMAN.

A newspaperboy's parents are proud of their son, and it's no wonder they are.

They feel the responsibility he is developing . . . the lessons he learns in modern business methods of service, selling, collection, and bookkeeping are benefits only an ambitious boy is ready to enjoy. They are proud of the fine example he sets for other boys with his dependable service to the community.

The nation's civic, business, and educational leaders agree with newspaperboys' parents, too. Hundreds of unsolicited statements endorse newspaper route training and substantiate the pride newspaperboys' parents feel as they watch their son become a successful young businessman.

Police Use TV, Trap Thieves In Los Angeles

LOS ANGELES (AP)—Television was used by police for the first time here to trap four members of a gang accused today of stealing $44,000 worth of radio tubes from a leading electronics company.

At a cost of $8,000, the company—RCA—set up two television cameras at strategic points and, in an adjacent room, two receivers. There detectives sat quietly and watched the screens.

And that's how they learned how tubes had been disappearing from the stockroom during the last few months, the detectives said.

Three detectives said they saw—via television—Alamo Mason, 45, carry out cartons of tubes and put them in a car driven by Fred Porter, 22. The latter drove off, officers said, but was trailed and arrested by radio car police. The two stock clerks were accused of grand theft.

Booked on the same count was Milton Syde, 42, a cafe manager. Curt Hockner, 48, operator of a radio store, was booked on suspicion of receiving stolen property.

Former U.S. Attache Reviews Red Strength

WASHINGTON (AP)—Vice Adm. Leslie C. Stevens, former U. S. naval attache at Moscow, says there is every reason to believe the Soviets by now have a "respectable stockpile" of atomic bombs and may soon have hydrogen bombs.

Stevens also told a John Hopkins University conference on "Soviet imperialism" yesterday that the Soviet Air Force is estimated at 20,000 first-line aircraft, including more than 1,000 heavy bombers capable of carrying the atomic bomb.

BUDGET NOTICE

Notice is hereby given that the proposed tax budget of the City of Marion, Ohio, for the year 1954 is on file in the office of the City Auditor, and the hearing will be held on same in the Council Chamber on the 24th day of August, 1953 at 7:30 p. m.

Mayme Gorton, Clerk of the Council of the City of Marion, Ohio

Dated the 13th day of August, 1953. Aug. 13,1953.

Crawford Coroner, Wife Start Journey to Europe

Special to The Star

GALION—An interesting trip is anticipated by Dr. and Mrs. B. P. Mansfield, of Galion who are going to Europe.

They left today by automobile for Philadelphia, Pa., where they will spend a night with relatives and leave their car. On Saturday morning they go by train to New York City where they will remain until Monday noon when they sail from Hoboken, N. J., on the Nieuw Amsterdam of the Holland-American line.

The ship is expected to dock Aug. 17 at Rotterdam, Holland, from where Dr. and Mrs. Mansfield will leave by train for Wupper-Elberfeld, Germany, to visit her two brothers and their families. The brothers, Robert and Max Ochsemann were in Galion in September, 1950, for a visit with the Mansfield family.

The Mansfields plan a short visit in England with the doctor's cousins, Hugh and Edward Patterson. On their way back to Germany, they will stop in Holland for a couple of days.

Dr. Mansfield will sail Sept. 26 for the United States, planning to arrive in New York, Oct. 5, He will come back to Galion immediately to resume his practice and his duties as Crawford County coroner. While he is gone, Dr. M. Horowitz of Galion will be acting coroner. Mrs. Mansfield will remain in Germany with her relatives until Dec. 9. This is her third trip back to her native Germany, since she came to this country in 1913. The other trips were in 1922 and in 1936. While she was visiting her parents in 1936, they observed their golden wedding anniversary. Her father died a short time afterward while she was there, and her mother died the following year.

GREEN CAMP CLASS MEETS

GREEN CAMP — The Golden Rule Class of the Methodist Church held its August meeting in the church parlors. Devotions were led by the Rev. J. W. Spears, pastor. It was announced that at the next meeting C. G. Wheeldon of Marion, a Boy Scout executive, would be present, and outline plans to organize a Cub Scout troop here. Mr. and Mrs. Edwin Schwaderer were in charge of the social hour.

Here's Recipe for a Dutch Treat Salad

By CECILY BROWNSTONE
Associated Press Food Editor

A prize recipe for a different kind of slaw—that's what we have for you today!

We first got acquainted with it when we went home to supper with a lady who's a wonderful cook. Because our friend works outside her home from 9 to 5, she has a repertoire of speedy delectable dishes; because she also has a teen-age daughter, her menus are both nutritious and substantial.

The high spot of the supper she served us was a wonderful Dutch-style slaw. With it came a platter of meat: Tender canned ham sliced thin and just warmed (not browned) in a skillet in a little butter, rounds of bologna folded fan-shape, and savory disks of liverwurst. Daughter put a pan of cornbread in the oven, and served it piping hot with squares of butter, as a perfect accompaniment to the main course.

"What's so different about the slaw" you ask?. For one thing, it combines shredded raw green cabbage with green beans. For another, it also has tissue - thin slices of radish — a just-right addition that's real culinary inspiration. To dress the vegetables, there's a tangy made-in-a minute bacon and mustard sauce. Do try this salad! We feel sure you'll make it often.

If you have week end guests to feed these warm-weather days, you'll find canned beans wonderfully handy to have on your pantry shelf. Serve them this Dutch-salad style sometimes marinate them in a spicy French dressing and layer them over salad greens

or sliced tomatoes. Either way they're a delicious accompaniment to cold cuts, hamburgers or frankfurters.

Canned green beans are so delicious because the Blue Lake variety is now cultivated especially for canning. They have a firm texture, natural dark green color, symmetrical shape and fresh flavor.

DUTCH GREEN BEAN SLAW.

Ingredients: 4 strips bacon, 2 tablespoons chopped onion, 3 tablespoons flour, one 1-pound can Blue Lake green beans, 4 tablespoons cider vinegar, ¾ teaspoon salt, 1 tablespoon prepared mustard, 1 tablespoon sugar, 4 cups shredded cabbage, 6 radishes (sliced).

Method: Fry bacon until crisp; drain and crumble; reserve. Add onion to drippings and cook until tender but not brown. Add flour; stir to a smooth paste. Drain beans; add liquid and cook, stirring constantly, until mixture thickens and comes to a boil. Add vinegar, salt, prepared mustard and sugar; mix well. Add beans; heat to serving temperature. Remove from heat; add to cabbage, radishes and crumbled bacon; toss lightly. Serve warm with cold cuts. Makes 4 to 6 servings.

Women's Race Set At Richwood Track

RICHWOOD — Women drivers will compete for the first time at the Richwood Speedway Friday night. Track officials expect 12 entries for the event which will be run after the feature event.

Last week's feature event was rained out after 17 laps and the drivers are all expected to return. Track promoters announced the first 50 children at the oval will receive a free ride around the track in one of the cars.

Plans are being furthered for the "Buckeye 300" to be staged Sept. 4. The event will be a team race of 24 two-car teams. The event that night is being run as an added attraction to the Richwood Fair.

Thomas Jefferson lived at Monticello, his Virginia home, from 1770 until his death in 1826.

Western Love Starts Career

RALEIGH, N. C., (INS)—Twenty-two-year-old Diana Stallings is an easterner who is nurturing her childhood love for the Wild West into a career.

She is the only woman studying livestock at North Carolina State College in Raleigh.

A year from now Diana plans to start her own 30-cow beef herd on the 700-acre farm in Caswell County, N. C., that has been in her family for five or six generations.

Eventually she expects to take over management of the farm from her mother.

The Radcliffe College graduate ruefully observed that "North Carolina State College teaches you everything except how to make money from beef cattle."

"But," Diana brightened, "if I go broke, I can always go to teaching."

Miss Stallings, daughter of Author Lawrence Stallings, intends to keep farming in the family when she marries.

With a hint tossed in the direction of the 800 men studying agriculture at the college, Diana confided:

"Both students and professors seem distressed about whether I actually will go into farming or get married. I'm not worried about marriage yet — but herdsmen may apply."

Teacher Resigns Post At Green Camp School

The Green Camp Board of Education meeting in special session Monday accepted the resignation of Mrs. Katharine B. Smith of Forest St., Marion.

Mrs. Smith has been home economics teacher in the local school since the 1941-42 school year. She resigned to accept a home economics situation with the Marion city school system.

The Thomas Jefferson Memorial Foundation maintains Monticello, Jefferson's home.

Chest X-Rays To Be Given at Morrow Fair

The mobile chest X-ray unit will be at the Morrow County Fair from Aug. 19 to 22, according to an announcement by Roy Graham, president of the Morrow County Tuberculosis and Health Association.

It will be located in the vicinity of the Education Building and will make available free chest X-rays each afternoon from 1 to 5 and each evening of the fair from 6 to 9.

The project is being sponsored by the Morrow County Tuberculosis Association in cooperation with the Morrow County Health Department and will be financed entirely from the sale of Christmas Seals.

The free X-rays will be available to all adults without charge. There will be no disrobing. It will only take a minute and personal reports will be sent to everyone. School-age children will not be X-rayed as the unit will visit all the schools in the county at a later date.

Dr. Robert Vogel, health commissioner of the Morrow County Health Department, announced there would be a county health nurse on hand at all times to assist with the X-rays and to answer questions. He stated that a chest X-ray can discover tuberculosis. heart disease, cancer, and other tumors of the chest, and urged all Morrow County residents to take advantage of this Christmas Seal service.

The registration, which consists of name and address, will be taken care of at the unit by members of the Morrow County Tuberculosis Association.

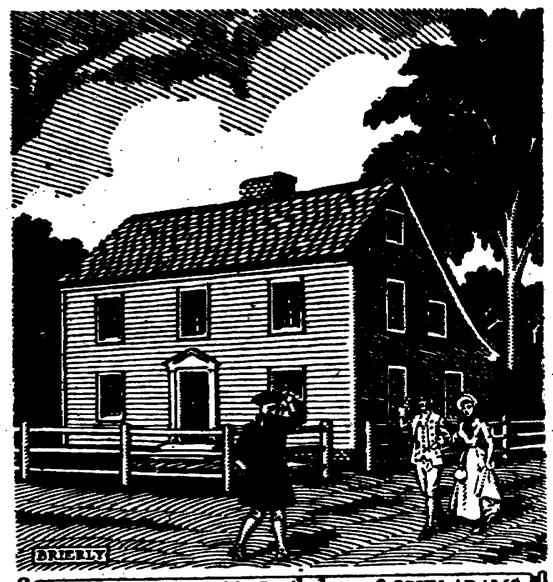
Bishop Werner Heads for Korea

COLUMBUS, Ohio (AP)—Methodist Bishop Hazen G. Werner and his wife leave by air today for Korea where the churchman will study needs of the Korean people and observe the work of the Methodist Church in Formosa and Hong Kong as well. He expects to report to Methodist pastors and laymen in the Ohio Area at a meeting here Oct. 9.

FUN NIGHT IS SCHEDULED

GREEN CAMP—The annual fun night of Green Camp Lodge Knights of Pythias, held Aug. 7, was well attended, officers of the lodge report. Special awards during the evening went to Homer D. Folk, Philip Malo, Smith Sheppard, Paul D. Michel, Cecil Williams and A. E. Haberman.

Homes of the Famous



1735, QUINCY, MASS. Birthplace of JOHN ADAMS.

In this simple, two-story farm house, John Adams was born and spent his boyhood. It stood in Braintree (now Quincy) and has been described as a "plain, square, block of a house, widened by a lean-to." It has been called "the veritable roof-tree, under which was ushered into being, the earliest and strongest advocate (John Adams) of independence—the founder of a line of statesmen, legislators, and historians, whose integrity is like the granite of their native hills." The town of Quincy has been likened to a block of granite with a thin covering of soil. From the quarries here, granite was carried on the first New England Railway, for the building of the Bunker Hill Monument.

C. of C. Report Says Postal Receipts Up

Postal receipts of $64,097 during the month of July this year took a decided jump in comparison with the $46,749 listed for the same month last year, a report released by the Marion Chamber of Commerce shows.

Bank debits in July of this year totaled $55,619,669, while a year ago they were listed at $46,137,163. Also showing an increase this year during July were new car sales listed at 175 in comparison with 115 in July of 1952. In July of 1953, 463 used cars and 21 new trucks were sold, while in July of 1952, 421 used cars and 16 new trucks were sold.

Australians have about 15 telephones, 12 cars and 29 radio sets for every 100 people compared with 29 telephones, 28 cars and 59 radios for each 100 Americans.

Upper Sheep Breeder Captures Show Honors

Special to The Star

UPPER SANDUSKY—Donald E. Wolfe of southeast of Upper Sandusky, breeder of registered Corriedale sheep, has returned from Harrisburgh, Pa., where he attended the first Eastern Corriedale show and sale.

Wolfe showed the first prize yearling ram, showed the first and third best yearling ewes and had the champion ram and ewe.

In the sales he had the top selling ewe and the second highest selling ram.

Nine states were represented in the show with entrants coming from as far as Colorado, Utah and Wyoming.

Conanicut Island, Jamestown, Rhode Island, is the location of America's third oldest lighthouse.

Many claim that Captain Kidd's treasure is still buried on the island.

Galion Man Is Granted Patent On Stand for Outboard Motor

Special to The Star

GALION — Fellow sportsmen will have it a little easier as the result of an invention by a Galion man.

George M. Hinesman of Galion, recently was granted a patent by the Commissioner of Patents of The United Sates of America, on a collapsible outboard motor stand.

On his fishing trips in Michigan and Canada, Hinesman had felt a handicap because there never was a place to put his outbord motor when he took it out of the boat. An outboard motor should not be laid down. Often he had to nail a board on to a tree to hang up the motor. Seeing the need for a stand, and a collapsible one that could be set up anywhere, he went to work to invent one. His product makes it possible to set it up in the boat so that the motor may be worked on if it gets out of order.

The stand will collapse when not in use. It is unique, and offers certain features which are not to be found in other outboard motor stands. It is light in weight and within parcel post regulations. Hinesman said that he developed and made several of the stands in the basement of his home. He already has been approached to have the item either manufactured on a royalty basis, or to sell the patent.

Application for the patent was first made on Feb. 7, 1950, with the idea originating as far back as 1940. The patent was granted July 21, this year.

A native of Wood County, Hinesman likes to fish and hunt. He also has picking four-leaf clovers as a hobby, and has some 250 in his collection. He sees the clovers almost without looking for them. In his collecting, he has found clovers with six, seven and nine leaves.

In Galion, Hinesman is manager of the Colonial Finance Co. office, and president of The Galion Chamber of Commerce. He came to Galion five years ago from Willard, where he had managed a branch office of the finance company. He and Mrs. Hinesman have two sons, Robert, 20, in the armed forces, and Richard, 19, employed at the North Electric Manufacturing Co. here; and two married daughters, Mrs. Gerald Albright and Mrs. Jack Ward, both of Willard. The Hinesmans have three grandchildren.

Hinesman has invented several other items, although his collapsible stand for the outboard motor is the first one for which he has been granted a patent.

Agricultural Scientists Think Flies Carry Wilt

WOOSTER — Two research scientists at the Ohio Agricultural Experiment Station believe they have learned one way in which oak wilt spreads from tree to tree in a forest.

Charles L. Griswold and George J. Bart blame an insect known as Drosophila melanogaster or pomace fly often seen around decayed or overripe fruit.

The researchers discovered the fly likes to feed on the liquid which occurs on oak wilt fungus mat. Laboratory analysis showed the fly carries oak wilt spores both externally and internally.

The scientists point out that this discovery does not automatically solve the problem of keeping native oak trees alive and healthy. They believe a logical plan is to get rid of the source of infection, the fungus mats on a tree, rather than the carrier of the disease.

"Nature will help us to do this," Griswold said, "since in the early stages of infection before mats form, leaves begin to discolor. If we can prevent the formation of fungus mats by removing the tree early, then perhaps we can stop the flies from spreading infection."

Police, Firemen Salaries Hiked

CHICAGO (UP) — A recent survey by the International City Managers' Association showed that salaries of firemen and policemen are increasing and their working hours decreasing. The number of full-time firemen and policemen per 1,000 population is rising steadily.

The survey showed that the average city over 10,000 population employs 1.24 full-time firemen and 1.35 policemen for every 1,000 residents.

Policemen's salaries have risen $200 to $300 above last year, while salaries of firemen have gone up $100 to $200.

The minimum average salaries for firemen range from $3,042 in cities from 10,000 to 25,000, to a high of $3,687 in cities over half a million residents. Maximum salaries range from $3,300 to $4,400 in the same population groups.

Salaries for policemen range from a minimum of $3,093 in smaller cities to $3,660 in larger cities. Maximum salaries are from $3,376 to $4,400.

Seventy-two hours is still the average work week for firemen in cities under 100,000 population. Firemen work an average of 67 hours in cities between 100,000 and 250,000, and 60 hours in cities over 500,000.

Policemen work an average of 44 hours in cities of over half a million population and 48 hours in all other cities.

A total of 139 cities reduced the policemen's work week during 1952. Sixty-six cities reduced the work week to 40 hours; 28 to 44 hours, and 24 to 48 hours.

Manufacturers' Council Hears Kenneth Robinson

Exhibits for the Marion County Fair and participation in the sesquicentennial observance were discussed when members of the Chamber of Commerce Manufacturers' Council met Monday at Hotel Harding.

For the program, Kenneth Robinson, Marion County representative to the Ohio Legislature, spoke on what was accomplished by the legislative body in its last session.

Chairman for the meeting was J. H. Walker of the Fairfield Engineering Co.

LET'S EXPLORE OHIO

Courtesy The Standard Oil Co. (Ohio)

This stone face at Old Man's Cave will be recognized by thousands of Ohio motorists who have visited the Hocking State Parks. From the junction of State Routes 75 and 56 near Mount Pleasant inscribe a circle of 15 miles radius on your road map and you encompass some of Ohio's most scenic spots. In this area from Logan on the north, New Marshfield on the east, McArthur on the south and Laurelville on the west, are found the Hocking State Forest, Rock House, Conkles Hollow, Cedar Falls, Ash Cave, Rock Bridge, Cantwell Cliffs, Logan Lake and Lake Hope—all state parks that are popular outing spots for the entire family.

Pennsylvania Pastor To Talk at Cardington

Beginning Monday night, Rev. Robert F. Paxton of Butler, Pa., will preach each night at the Brookside Bible Ranchette near Cardington. The series of evangelistic meetings will continue through Aug. 23. Rev. Paxton is pastor of the Presbyterian Church at Butler.

Saturday night, this week, the film, "Dust or Destiny," will be shown at the drive-in service at the ranchette. It will be shown by Rev. Wallace Ellis of Union Baptist Church at West Jackson. A picture with a religious theme, it was produced by the Moody Bible Institite of Chicago, Ill. the service will be open to the public, and there will be no admission charge, Rev. C. E. Hershey of Emmanuel Baptist Church in Marion, sponsor of the service, stated.

FINAL MESSAGE

Last in a series of messages on the life of Joseph will be given at morning worship service of St. Paul's Lutheran Church at Prospect Sunday morning. The title will be "The Close of a Godly Life." There will be no church services the last two Sundays of August, but Sunday School will meet, the pastor, Rev. Paul E. Dobberstein, announced.

FOR ATHLETE'S FOOT A KERATOLYTIC IS A MUST

What is a keratolytic? An agent that deadens the infected skin. It then peels off, exposing more germs to its killing action. Get T-4-L, a keratolytic, at any drug store. If not pleased IN ONE HOUR, your 40c back. Today at Henney & Cooper.

Coffee Breaks Gain Popularity

NEW YORK (INS) — Industrial coffee breaks are now a regular practice with more than half of the country's workers.

In a recently completed survey by Psychological Corporation, over 54% of the nation's employed persons reported that coffee is now available to them during working hours, compared with some 49% 1950.

The survey investigated the coffee drinking habits of 8,000 people throughout the United States.

The biggest gains in on-the-job consumption of coffee during the past two years were chalked up by office and store employees, the study disclosed. Coffee drinking at office breaks, for example, climbed 33.3% since 1950. The store increase during the same period was 27.8%.

The increase for all workers was 19.3%. This breaks down to a rate of .37 cups of coffee per person a day, compared with only .20 in 1950, a jump of more than 80%.

Bucyrus Horse Lovers To Sponsor Fall Show

Special to The Star

BUCYRUS—Officers have been elected here by the Boots and Saddle Club with Kenneth Strauch, a dry cleaning firm owner, being elected president. Other officers are: vice president, Donald Niedermier; secretary-treasurer, Mrs. June Rowe; directors, Forrest Rowe (three years), Mrs. James Malcolm (two years), and Don Brooks (one year); sergeant-at-arms, Mrs. Flannigan, and news reporter, Miss Nancy Wiles.

The group voted unanimously to assist Col. Crawford post of the American Legion of Bucyrus in sponsoring a horse show at the fairgrounds here on Saturday, Sept. 12.

PARENTS OF A DAUGHTER

CAREY—Mr. and Mrs. Ray Gene Stillberger of Carey, are the parents of a daughter born Saturday afternoon in Blanchard Valley Hospital, Findlay.

3-D SOUND

UNIONVILLE, Conn. (UP) — Movie fans got an extra bang out of a three-dimensional film in a local theater. A prankser ignited a firecracker.

CLEVELAND MAN LOSES 40 LBS. WITH RENNEL

"I can well recommend Rennel Concentrate to anyone who is overweight," writes Myron Turyh, 2804 West 15th St. "With Rennel I have lost 40 lbs., and feel so much lighter on my feet. I now can work better and I feel better. I can sleep better too since getting relief from this excess weight. I can truly say that there is nothing finer on the market for taking off excess weight."

It's amazing how quickly you can lose pounds of harmful fat in your own home. Make this safe home recipe. Ask your druggist for 4 ounces of liquid RENNEL CONCENTRATE. Costs $1.40. Pour this into a pint bottle and add unsweetened grapefruit juice to fill bottle. Then take two tablespoonfuls twice a day. If reducible pounds and inches of excess fat don't seem to disappear almost like magic with the first bottle, return it to the manufacturer for your money back. Note how bloat disappears—how much better you feel. Now is the time to reduce. Ask your druggist for RENNEL.

WORLDLY AFFAIRS. President Eisenhower and Adm. Arthur Radford, who takes over this weekend as chairman of the Joint Chiefs of Staff, emerge from the administration building at Lowery field in Denver, Colo., after a conference. Radford told newsmen he made a regular report on the global picture to the President.

News Of Our Neighbors

Prospect

Mrs. Donald Davis of near Prospect entertained the Monday Evening Social Club at her home recently. Mrs. Gene Holt was cohostess. Mrs. Howard Davids, president, was in charge of the business meeting. Members answered roll call with "My Summer Vacation." Mrs. Arthur Green read a paper. The remainder of the program was spent with contests and crazy bridge. Winners were Mrs. Charles L a n e, Mrs. Sherman Biggerstaff, Mrs. Green, Mrs. Davids and Mrs. Paul Fox. Miss Martha Jane Davis was a guest.

—:—

Men of the Methodist Church met Sunday night in the church social rooms for their monthly meeting. Myron Halley gave devotions. Dwight Holt led a short business meeting. Plans w e r e made for an open-pit chicken barbecue Saturday night, Sept. 5.

—:—

The Howald Cousins and friends held their annual reunion Sunday, Aug. 2, at Norton Community hall. Lester Howald of Norton was elected president and Mrs. Lena Howald, secretary and treasurer. After the picnic dinner a social time was enjoyed. Guests were present from Prospect, Waldo, Marion, Delaware, Columbus, Chicago, Ill., and Milwaukee, Wis., and Norton.

Nebraska Family Busy Commuting to Hospital

PAPILLION, Neb, (UP) — After totaling up the score, the George Booze family wonders if it wouldn't be cheaper just to lease a room at the local hospital.

In January, Linda, 7, was treated for a kidney ailment. In the same month, Judy, 14 months, checked in for a tonsillectomy. In February, Mrs. Booze spent a month recuperating from influenza, and in April Judy was hit on the head with a baseball bat.

Booze himself succmbed in May and went to the hospital for surgery.

ONE WAY TO DO IT

NEW BRITAIN, Conn. (UP) — Stanley Niedzwieski met his bride-to-be after their automobiles collided. She sued him—and married him.

ADD TRIVIA

HARTFORD, Conn. (UP)—Talk about a patient's patience. From her hospital bed, a woman counted the holes in the accoustical tile on the ceiling of Room 915. There were 48,300.

NOTICE OF APPOINTMENT

Estate of Georgia F. Cottrell, Deceased.

Notice is hereby given that Charles W. Cottrell has been appointed and qualified as Administrator of the estate of Georgia F. Cottrell late of Marion County, deceased.

Dated at Marion, Ohio, this 4th day of August A. D., 1953.

Edward J. Ruzzo, Probate Judge, Marion County, Ohio

Case No. 20093

Aug. 6,13,20,1953

PUBLIC HEARING

Notice is hereby given that there will be a Public Hearing in the Mayor's Office of the City of Marion, Ohio, August 21, 1953 at 4:30 p.m. upon application of Mr. D. K. Dall, 1008 Gebhardt Street, owner of said premises.

Said request is for a Permissive Use, to build a concrete building, 10x12, to be used for manufacturing of Grave Markers. House Numbers and the like.

The application and proposed use is on file in the City Clerk's office of the City of Marion, Ohio.

Aug. 3, 1953

Mayme Gorton, Clerk

City Planning Commission.

Aug. 6,13,1953

Exceptions on any of the above named may be filed at any time not less than five days prior to the day set for hearing.

Edward J. Ruzzo

Aug. 6 13,1953

SHERIFF'S SALE OF REAL ESTATE

The National City Bank of Marion, Marion, Ohio, Plaintiff, vs. Winfrey E. Stepp, et al., Defendant, Court of Common Pleas, Marion County, Ohio, Case No. 31928.

In pursuance of an Order of Sale issued from said Court to me directed in the above entitled action, I will expose to sale, at public auction, at the door of the Court House in Marion, Marion County, Ohio, on Saturday, the 22nd day of August, 1953, at 10:00 o'clock A.M., the following described real estate, to-wit:

Situated in the County of Marion, in the State of Ohio, and in the City of Marion and bounded and described as follows:

Being known as Lot Seven Thousand Three Hundred and Eight (7308) in Jones and Wilson Addition to the City of Marion, Ohio.

Said Premises being improved with an all modern one-story frame bungalow with attached garage, located at 536 Toledo Avenue, Marion, Ohio.

Said Premises Appraised at $2,500 00 and cannot sell for less than two-thirds of said appraisement.

Terms of Sale: 10% on day of sale, balance upon confirmation of sale. Advertised: July 23, 30, August 6, 13, 20, 1953.

Gutherv, Harmon, Conkle and Gracely, Attorneys.

GLENN OBENOUR.

Sheriff, Marion County, Ohio.

July 23,30 Aug. 6,13,20,1953.

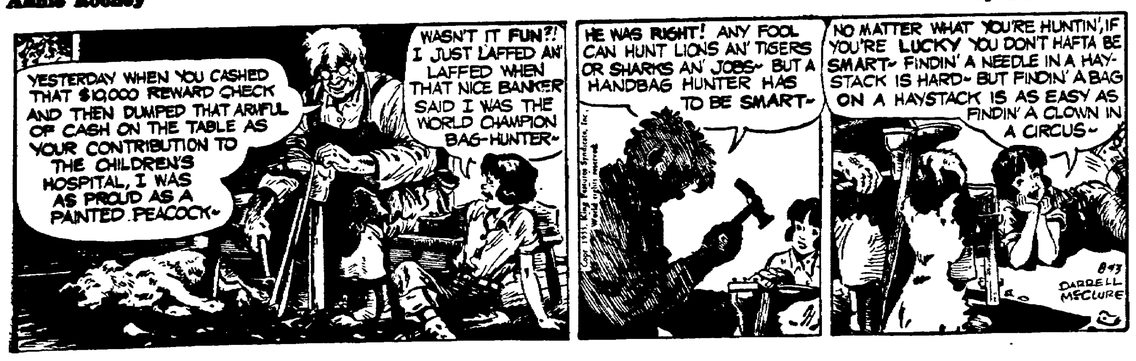
DRY CLEAING BUSINESS FOR SALE —Long established complete synthetic Dry Cleaning Plant. Uptown location. Brick building with apartment above for lease or sale. 75% of business cash and carry. Fine volume. Make us an offer. Health —reason for selling.
P. O. Box 411, Bucyrus, Ohio.

ACCOUNT ill health will lease 35-acre wooded tract (500 sugar trees) seven miles from Marion. Will border four-acre body of water which is now under development. Can be divided into three separate areas, 20, 8 and 7acres bordering water area. Original plan was school for camp development and engineering. Suitable for other development. Fine building site, 15,000 yards virgin soil for grading, landscaping or sale. This tract on unusual setting with a future and must be seen to be appreciated. Will sell home site in area to anyone who will develop this area for worthy cause. Dial 3-7263.

RESTAURANT uptown—showing good returns. Owner will finance with reasonable down payment. Write Box 21, care Star.

Annie Rooney — By Darrell McClure



YESTERDAY WHEN YOU CASHED THAT $10,000 REWARD CHECK AND THEN DUMPED THAT AWFUL OF CASH ON THE TABLE AS YOUR CONTRIBUTION TO THE CHILDREN'S HOSPITAL, I WAS AS PROUD AS A PAINTED PEACOCK~
WASN'T IT FUN?! I JUST LAFFED AN' LAFFED WHEN THAT NICE BANKER SAID I WAS THE WORLD CHAMPION BAG-HUNTER~
HE WAS RIGHT! ANY FOOL CAN HUNT LIONS AN' TIGERS OR SHARKS AN' JOBS~ BUT A HANDBAG HUNTER HAS TO BE SMART~
NO MATTER WHAT YOU'RE HUNTIN', IF YOU'RE LUCKY YOU DON'T HAFTA BE SMART~ FINDIN' A NEEDLE IN A HAYSTACK IS HARD~ BUT FINDIN' A BAG ON A HAYSTACK IS AS EASY AS FINDIN' A CLOWN IN A CIRCUS~

UHLER'S

Brand New Back-to-School Values!

Big Assortments of Fresh, Colorful

Cotton Dresses for Girls

Sizes 3 to 6X
Sizes 7 to 14 and
Preteens 10 to 14

$2.98—$3.98 to $7.98

NOW'S the time to select crisp, new fall cotton dresses for little girls just starting to school . . . and older girls, too. We've dozens of them . . . most of them are the wonderful "Kate Greenaway" dresses . . . a line we've featured for many years. So new in texture and detail treatment . . . all embodying the latest style features.

Choose from Ginghams, Polished Cottons, Chambrays . . . in stripes, plaids, checks, tweeds, solids and combinations. Full deep hems.

All are amazingly easy to wash. Better make your selection early!

Uhler's — 2d Floor

Favorites for School!

Girls' Fresh New

Cotton Blouses

Whites
Solids
Stripes
Checks

$1.98—$2.50

FOR top values in blouses for school shop tomorrow for these new arrivals from "Ship 'n Shore." Of glow-white combed cotton broadcloth . . . with superb tailoring. In bright and beautiful stripes, checks, and solid colors, as well as plain white. They'll wash daisy-fresh every time. Sizes 7 to 14.

Stock Up for Back-to-School!
Underwear . . . . . for boys and girls!

Boys' Cotton Knit Jockey Shorts . . . 59c

Boys' White T-Shirts Sizes 4 to 8 . 69c each

Lightweight Combed Cotton Sleeveless Shirts . 59c

Quality, value and workmanship are very evident in these low priced garments for boys. Comfortably cut of fine combed cotton. Shorts are from sizes 2 to 8. The shirts are from 4 to 8.

Girls' White Rayon Panties, 6 to 14 . . 59c

Girls' White "Lollipop" Briefs, 6 to 14 . . . 79c

Girls' 2 to 10 Cotton Knit Undershirts . . 59c–69c

Light weight, comfortably cut undies for little girls . . . of sizes 6 to 14 years. Choose from white rayon or white cotton knit. Both are excellent quality . . . and well tailored.

Send Them Back to School In Weather-Sealed, Zippered Flannelette Lined

Poplin Jackets

For Boys and Girls Sizes 3 to 6X—7 to 14

$3.50 - $3.98 and $4.50

HERE are the kind of jackets that no school-going youngster can do without. Of excellent, practical quality Poplin and Denim . . . that will repel wind, rain, spots and stain. Roomy cut sleeves for action. Roomy pockets. Full length front zipper. Elasticized for snug fit (at the back for girls and at the sides for boys).

Choose Red, Navy or Green . . . with attractive plaid lining for added warmth. Smaller sizes 3 to 6X are priced at $3.50 and the larger sizes to 14 years are $3.98 and $4.50.

Uhler's — Children's Dept. — 2d Floor

Trim Fitting! Smartly Tailored!
Skirts—for School Girls

$2.98 - $3.98 - $4.98

Gabardines! Wools! Corduroys!

HERE are the skirts that will take all the honors in the life of a young school girl. They're all fresh and new—just unpacked and such a variety of pleated styles, as well as flaring or pencil-slim skirts. Made of fabrics to give the best of service . . . including washable corduroys. With novelty trims, some with zipped backs, with pockets, separate belts . . . and in green, red, royal blue, brown, rust . . . in plain colors, stripes and plaids.

2d Floor — Uhler's

Miraculously Washable! Shrinkproof! Mothproof! Cashmere-soft!

"Kara-Lon" Sweaters

Short Sleeve Slip-on **$4.98** Long Sleeve Cardigan **$6.98**

"KARA-LON" . . . the smoothest blend in sweaters to happen in a long time . . . a combination of cashmere-soft Vicara and sturdy Nylon . . . and you have a fiber guaranteed washable without blocking. It's shrinkproof, color set and mothproof. And you'll love the workmanship and tailoring of both the slip ons and the cardigans. In smart autumn colors.

Slip-On Sweaters
Nylon $3.25 • Orlon $3.98

Dozens of good looking sweaters of fine Nylon and wonderful Orlon . . . those easy to wash and quick to dry miracle weaves that will be perfect companions in every wardrobe.

New Fall Skirts
$3.98 to $7.98

You'll want several of these skirts for school or office. In tweeds, taffetas, gabardines, flannel . . . so many to see. Pleated, gored, straight cut, fly fronts . . . dozens of styles.

For Career or Classroom! Many Styles!

Smart Cotton Blouses

Stripes! Plaids! Whites! Solids!

WE CANNOT remember when we have had such altogether smart Cotton Blouses as these at such a low price. Long and short sleeves. Round and pointed collars . . . convertible necklines. Well tailored too. A big variety of "Dan River" cotton fabrics. Excellent for school.

$1.98
$1.50 and $2.25

Sportswear — 1st Floor — Uhler's

Twinkle, Twinkle Little Hat!

JUST like the stars that shine . . . the new autumn hats are beaded and brightened with the sparkle that will help you shine, too. Wonderfully flattering for they are smartly slanted to show off your prettiest points. Rich velours in a levy of luscious fall colors.

Our Smart New Hats Are Priced **$2 up to $16.95** *(Uhler's 2d Floor)*

Figure Beauty and Comfort In One of These

Strapless Bras

designed by *Jubilee* **$2**

ONE of our most popular numbers . . . this strapless bra that you can wear around the clock . . . a bra that gives wonderful separation, firm support and wearing comfort. Four section cup is fully lined with foam rubber to give wonderful figure control. White broadcloth. A and B cups. 32 to 38.

2d Floor — Uhler's

Fall Fashion Hits—For The Junior Miss
Designed By "Vicky Vaughn"!

New Dresses

Cotton Tweeds! Corduroys! Denims! Jersey!

$7.95 $10.95 $12.95

WONDERFUL things have been done with Vicky Vaughn dresses for fall . . . you'll agree when you see them. Such a variety of fabrics. And such a wealth of styles that you'll like for school, for dates, for all informal occasions. The style sketched is of Tweed Cotton! And of course, it's washable. You'll want to include more than one in your new fall wardrobe. Sizes 9 to 15.

Arriving Every Day — New Suits, Coats, Raincoats, Dresses — *the very smartest of fashions priced to suit your budget*
